

Hair Falls

"I tried Ayer's Hair Vigor to stop my hair from falling. One-half a bottle cured me."
J. C. Baxter, Braidwood, Ill.

Ayer's Hair Vigor is certainly the most economical preparation of its kind on the market. A little of it goes a long way. It doesn't take much of it to stop falling of the hair, make the hair grow, and restore color to gray hair.

GOOD BLOOD SPEAKS FOR ITSELF

You know when rich, red blood is coursing through the veins, for it shows in the brightness of the eye, the beauty and clearness of the complexion, the smooth, fair skin, and robust, healthy constitution. It is good blood that imparts strength and energy to the body and keeps it in a state of healthfulness and vigor. Good blood is the foundation of good health, and to be physically and mentally sound it must be kept pure and untainted. People with good blood possess strong, steady nerves and are blest with good appetites and digestion, and enjoy sound, refreshing sleep. If we could always maintain the purity of the blood then we might enjoy perpetual health, but it becomes infected and poisoned and most of the ills that afflict humanity and undermine the constitution are caused by an impoverished or polluted condition of this vital fluid. When the blood is diseased the skin loses its healthy appearance, and the complexion, its freshness and beauty and becomes red and rough and full of pimples and spots. Itching, scaly eruptions, blackheads, boils and rashes break out upon the body when the blood is too poor or too thin and acid, and is not supplying proper nourishment to the system. Debility, poor appetite, bad digestion, restless sleep and nervousness more often come from sluggish, impure blood than any other cause. To build up the blood, restore its lost properties and make it rich and nutritious again is the only rational treatment, and the proper way to get rid of skin troubles. There is no remedy like S. S. S. to accomplish this and it does it promptly and thoroughly. S. S. S. antidotes and removes from the blood all poisons and humors, and restores it to a normal, healthy condition, and invigorates and tones up the general health. When rich, red blood is again flowing through your veins all skin eruptions disappear, the appetite improves, the complexion clears and you get rid of those miserable depressing feelings and nervousness, and enjoy once more the blessings of good health. S. S. S. is nature's remedy for all blood and skin diseases. It contains no minerals whatever, but is guaranteed purely vegetable. Write for free book. No charge for medical advice or other information desired.

LEO'S BODY IN THRONE ROOM

DIPLOMATS AND HIGH DIGNITARIES PAY RESPECTS.

Body of Late Pope Arrayed in Grand Robes—Body to Be Placed in Chapel, Where the Public Will Have Opportunity of Paying Last Farewell—All of Rome's 400 Churches Told Bells.

Rome, July 23.—The body of Leo XIII. lies tonight in the hall of the throne room, a few steps from the room in which his death took place. The same vestment, the cammauro hood, the rachat and the white gown, which were put on yesterday, cover the form, which rests in semistate, surrounded by the lighted candles, the noble guard and Franciscan penitentiaries.

Tomorrow morning the diplomatic body, the high dignitaries and the Roman aristocracy will enter the hall to pay their tributes of respect to all that remains of the pope, who won the respect and affection of the world. In the afternoon the body will be arrayed in all the glory of the pontifical robes, the mitre replacing the hood, and at sunset it will be taken into the enclosed chapel of St. Peter's, where for three days the public will be given an opportunity of paying a last farewell. The interment will occur Saturday evening.

Today was notable for the impressive ceremonial of the recognition of the death of the pope, which occurred in the morning in the chamber in which he died. Thereafter only those were admitted who were concerned in

The Itch Fiend

That is Salt Rheum, or Eczema—one of the outward manifestations of scrofula. It comes in itching, burning, oozing, drying, and scaling patches, on the face, head, hands, legs or body. It cannot be cured by outward applications—the blood must be rid of the impurity to which it is due.

the embalming of the body, an operation which occupied six hours. Meantime the authorities of the vatican proceeded with the preparation for the funeral and the conclave and the acknowledgement of the condolences that had been received. Among the latter was a message from the German emperor. Throughout the day the vatican was surrounded by crowds, which increased toward night.

Several entered St. Peter's at vespers and joined in prayers for the departed. Among these were many Italian officers, whose troops shortly after sunset were marched from the vatican back to the barracks.

In nearly all the churches, however, hundreds could be seen in the places of worship, flocking to vespers to say a hurried prayer, after which they loitered outside reading the deep black edge proclamations of Cardinal Respighi, the vicar of Rome, concerning the funeral arrangements, the meeting of the conclave and the church ceremonials.

Chorus of the Bells.

The quiet evening was broken by a chorus such as the world has seldom heard. On the stroke of eight all of Rome's 400 churches commenced to toll bells for the passing of the soul of Leo XIII. In from the seven hills and from every quarter of the city which contained churches came the constant clang, until all was as one vast reverberation. The harsh jingle of the smaller chapel bells, striking quickly and more often, was not drowned by the solemn strokes that came in mournful measure from the great dome of St. Peter's. It was as if a great fire raged and every bell in Rome were vying with every other in anxiety to warn the populace. Except in this common motive and common sorrow it was an amazing discord, which continued an hour and which will recur nightly until the obsequies are over.

Killed Wife Accidentally.

Colville, Wash., July 22.—James E. Miles, with a hammerless revolver in his hands, at a few minutes before 11 o'clock in the morning, in his home in this city accidentally shot his young wife through the heart, killing her almost instantly. The two were alone in the house at the time of the tragedy. Mrs. Miles was sitting at the table in the dining room preparing the weekly laundry list, while her husband, who had just driven up from town with a rig preparatory to going on a day's fishing trip, was cleaning his revolver and preparing his fishing tackle while waiting for a friend to be his companion for the day.

Killed by Explosion.

Pueblo, Colo., July 22.—In an explosion that occurred at blast furnace "E" at the Minnequa steel works five men were burned, two of which will probably die.

Miss Gannon, Sec'y Detroit Amateur Art Association, tells young women what to do to avoid pain and suffering caused by female troubles.

"DEAR MRS. PINKHAM:—I can conscientiously recommend Lydia E. Pinkham's Vegetable Compound to those of my sisters suffering with female weakness and the troubles which so often befall women. I suffered for months with general weakness, and felt so weary that I had hard work to keep up. I had shooting pains, and was utterly miserable. In my distress I was advised to use Lydia E. Pinkham's Vegetable Compound, and it was a red letter day to me when I took the first dose, for at that time my restoration began. In six weeks I was a changed woman, perfectly well in every respect. I felt so elated and happy that I want all women who suffer to get well as I did."—MISS GUILA GANNON, 359 Jones St., Detroit, Mich., Secretary Amateur Art Association.

It is clearly shown in this young lady's letter that Lydia E. Pinkham's Vegetable Compound will certainly cure the sufferings of women; and when one considers that Miss Gannon's letter is only one of the countless hundreds which we are continually publishing in the newspapers of this country, the great virtue of Mrs. Pinkham's medicine must be admitted by all; and for the absolute cure of all kinds of female ills no substitute can possibly take its place. Women should bear this important fact in mind when they go into a drug store, and be sure not to accept anything that is claimed to be "just as good" as Lydia E. Pinkham's Vegetable Compound, for no other medicine for female ills has made so many actual cures.

How Another Young Sufferer Was Cured.

"DEAR MRS. PINKHAM:—I must write and tell you what your Vegetable Compound has done for me. I suffered terribly every month at time of menstruation, and was not able to work. Your medicine has cured me of my trouble. I felt relieved after taking one bottle. I know of no medicine as good as yours for female troubles."—MISS EDITH CROSS, 169 Water Street, Haverhill, Mass.

Remember, Mrs. Pinkham's advice is free, and all sick women are foolish if they do not ask for it. No other person has such vast experience, and has helped so many women. Write to-day.

\$5000 REWARD if we cannot forthwith produce the original letters and signatures of these testimonials, which will prove their absolute genuineness. Lydia E. Pinkham Medicine Co., Lynn, Mass.
