

A Cure For Dyspepsia.

I had dyspepsia in its worst form and felt miserable most of the time. Did not enjoy eating until after I used Kodol Dyspepsia Cure which has completely cured me.—Mrs. W. W. Saylor Hilliard, Pa. No appetite, loss of strength, nervousness, headache, constipation, bad breath, sour risings, indigestion, dyspepsia and all stomach troubles are quickly cured by the use of Kodol. Kodol represents the natural juices of digestion combined with the greatest known products and reconstructive properties. It cleanses, purifies and sweetens the stomach. Sold by White & Co., Kendrick and F. M. Snyder, Leland, Ida.

Dieting Invites Disease.

To cure dyspepsia or indigestion it is no longer necessary to live on milk and toast. Starvation produces such weakness that the whole system becomes an easy prey to disease. Kodol Dyspepsia Cure enables the stomach and digestive organs to digest and assimilate all of the wholesome food that one cares to eat, and is a never failing cure for indigestion, dyspepsia and all stomach troubles. Kodol digests what you eat—makes the stomach sweet. Sold by F. M. Snyder, Leland and White & Co. Kendrick, Ida.

R. B. HIMES

At the Fair.

R. B. Himes wishes to announce that he is in attendance at the Moscow fair, but will be home for a few days after Moscow closes or until the opening of the Peck fair. To those holding tickets he requests that they retain same till he returns. Mr. Himes has the exclusive right or concession as photographer of the Moscow, Peck and Lewiston fairs and now has his tent arranged at the former place.
