Leather and rubber cement for sale
at Osborn's.

Himes, the photographer will be at
Peck next week, so won't be here to
take your sittings, but you can secure
some of those fine picture frames and
hold your order for photos till he re-
turns.

W. H. Mesick, special agent of the
Pennsylvania Insurance company,
was checking up the work of his com-
pany at this place, and reports it very
satisfactory. Attorney West is that
company's representative in Kendrick.

Mrs Sarah Crow had her cellar flood-
ed the other day with water from the
fast melting snow on the hill. The
new wooden drain put in last summer
was inadequate to carry off the water
or else is not placed in the right po-
sition. As a result Mrs. Crow suffered
considerable damage and inconven-
ience.

The members of the Kendrick Rod
and Gun club, who attended the great
shoot at Lewiston a week ago, man-
aged to hold our town's reputation for
fine shooting, up to its standard, and
while not carrying off the first prize,
were in evidence in every event, and
generally dividing first or second
money. They had a thoroughly en-
joyable time, and managed to pull out
some pretty good purses.

A little of the beautiful, the first of
the season, fell here Sunday night and
Monday morning.

Hardly an order comes in to the
commission now but what it states, so
many times. Try it this next season
and see if it don't pay you well.

Cured of Piles After 40 Years.

Mr. C. Hanley, of Geneva, O., had
had the piles for 40 years and doctors
and dollars could do him no lasting
good. DeWitt's Witch Hazel Salve
cured him permanently. Invaluable
for cuts, burns, bruises, sprains, lac-
cerations, eczema, tetter, salt rheum, and
all other skin diseases. Look for the
name DeWitt on the package—all
others are cheap worthless counterfeits.
Sold by A. C. White & Co., Kendrick
and F. M. Snyder, Leland.

For sick headache try Chamberlain's
Stomach and Liver Tablets; they will
ward off the attack if taken in time.
For sale by A. C. White & Co.

Have just received a car of the fa-
mous Keystone Blacksmith coal. This
coal was an all-rail shipment from the
east and you can get the best coal on
the market at the best price. Lincoln

A Scientific Discovery.

Kodol Dyspepsia cure does that for
the stomach which it is unable to do
for itself, even when but slightly dis-
ordered or over-loaded. Kodol Dys-
pepsia cure supplies the natural juices
of digestion and does the work of the
stomach, relaxing the nervous tension,
while the inflamed muscles of the
organ are allowed to rest and heal.
Kodol Dyspepsia Cure digests what
you eat and enables the stomach and
digestive organs to transform all food
into rich, red blood. Sold by White &
Co., Kendrick and F. M. Snyder,
Leland.

A good Name.

From personal experience I testify
that DeWitt's Little Early Risers are
unequaled as a liver pill. They are
rightly named because they give
strength and energy and do their work
with ease. W. T. Easton, Boerne,
Tex. Thousands of people are using
these tiny little pills in preference to
all others, because they are so pleasant
and effectual. They cure biliousness,
torpid liver, jaundice, sick headache,
constipation, etc. They do not purge
and weaken, but cleanse and strength-
en. Sold by White & Co., Kendrick
and F. M. Snyder, Leland.

A Remarkable Case

One of the most remarkable cases of a
cold deep-seated on the lungs causing
pneumonia is that of Mrs. Gertrude E.
Fenner Marion Ind. who was entirely
cured by the use of one minute cough
cure. She says: "The coughing and
straining so weakened me that I ran
down in weight from 148 to 92 pounds.
I tried a number of remedies to no av-
ail until I used one minute cough cure.
Four bottles of this wonderful remedy
cured me entirely of the cough,
strengthened my lungs and restored
me to my normal weight, health, and
strength. Sold by A. C. White & Co.,
Kendrick and F. M. Snyder, Leland.

AUCTION SALE

Every Saturday at 2 o'clock, I will
hold an auction sale at Chandler &
Hull's Livery Stable. It makes no
difference what you have or how little
there is, the sale will be held at the
time stated. This is no bluff, but a
sure thing. There is good corral for
your stock and I can make good money
for you.

Leave your orders with me or at
Chandler & Hull's.

Clarence, son of John Sanberg, is
reported a victim of chicken-pox, and
we hear that several other children are
breaking out. We hope the authori-
ties will make a close quarantine, for
an epidemic of this disease would
seriously interfere with the smooth-
ness of the school work. Besides
while it is not dangerous, it is decid-
edly disagreeable.

Winter started in with a vengeance
here this week. The first part of the
week there was a very heavy snow
fall on the ridge and a few inches in
the canyon. Much of the snow that
fell however, melted in a short time,
though there is still good sleighing
further back toward the foot hills.
After the beautiful weather of October
and the first few days of November the
sudden change is felt very much.

Dog Salmon coming up the river ex-
cited our sportsmen and quite a few
Salmon are now reposing in ice chests.
Saturday the stream below the dam
was lined with the fisherman.

Jean Smith has been assisting the
editor during latter's indisposition.

Scholars Wanted

I am now prepared to receive pupils
for either piano or organ instruction.
Parties wishing same can call and re-
ceive terms, etc.
