Better Than a Plaster.
A piece of flannel dampened with
Chamberlain's Pain Balm and bound
on the effected parts, is better than a
plaster for a lame back and for pains
in the side or chest. Pain Balm has
no superior as a liniment for the re-
lief of deep seated, muscular and rheu-
matic pains. For sale by White & Co.
Kendrick.

Captain Schattner of Lewiston, de-
puty United States Marshall spent a
day in Kendrick this week on busi-
ness, he also shook hand with a few old
friends. Mr. Schattner also informed
us that he leaves the first of the year
to deport one John Chinaman who
crawled into Lewiston without a
certificate of residence.

Jesse F. Collins returned Tuesday
from Lewiston, where he has business
interests. He has formed a partner-
ship with a young man by name of
Walker, from Spokane, and the two
will do a general contracting business
with headquarters at Lewiston. They
will also handle the Kendrick brick
which has a fine reputation for build-
ing purposes.

E. P. Atchison entertained his rela-
tives from Nezperce Christmas week
and a merry crowd sat down to dinner
on that day.

Mr. Metcalfe who is quite sick at
the Lewiston hospital, is not as bad as
was reported. He rallied from the op-
eration and is expected to recover.

P. D. Roberts went to Lewiston yester-
day to spend New Year's with
friends there.

A coal famine the past week and
wood the same as chunks of gold make
us appreciate the luxuries of city life.

Our merchants report a good Christ-
mas trade and seem well satisfied with
their holiday custom.

The Sun Insurance Co has made the
Kendrick Realty Co its agent at this
place and blotters, signs, etc are now
scattered announcing that fact.

The dance New Year's eve was not a
financial success we learn, although
the boys are said to have had a very
pleasant time with a good floor and
good music. Apparently the dancing
days of Kendrick are over.

Mrs. L. F. Hare has been confined
to the house for the past two weeks,
partly on account of her little girl
Thelma who burnt her foot quite se-
verely and partly on account of a
slight sickness herself. We are glad to
state however that she is again out.

How to Prevent Croup.
It will be good news to the mothers
of small children to learn that croup
can be prevented. The first sign of
croup is hoarseness. A day or two be-
fore the attack the child becomes
hoarse. This is soon followed by a
peculiar rough cough. Give Cham-
berlain's Cough Remedy freely as soon
as the child becomes hoarse, or even
after the rough cough appears, and it
will dispel all symptoms of croup. In
this way all danger and anxiety may
be avoided. This remedy is used by
many thousands of mothers and has
never been known to fail. It is, in fact
the only remedy that can always be
depended upon and that is pleasant to
take. For sale by White & Co., Ken-
drick.

The Lone Star State.
Down in Texas at Yoakum, is a big
dry goods firm of which Mr. J. M.
Haller is the head. Mr. Haller on one
of his trips east to buy goods, said to a
friend who was with him in the pal-
ace car, "Here, take one of these Little
Early Risers upon retiring and you
will be up early in the morning feel-
ing." For that "dark brown taste,"
headache and that logy feeling De-
Witt's Little Early Risers are the best
pills to use. Sold by White & Co.,
Kendrick, F. M. Snyder, Leland.

surprising how such an elegant, costly

study the heavens, or the storms and
weather in 1904, without this wonder-
ful Hicks Almanac and Prof. Hicks
splendid paper **WORD AND WORKS**.

among the best American Magazines.
Like the Hicks Almanac, it is too
well known to need further recommenda-

faithfully for the public good or found
a warmer place in the hearts of the
people. Send orders to **WORD AND
