FRIDAY, JAN 22, 1904

The Business Men's Association at their last meeting discussed the final settlement of the Bear creek road and it was felt that the promises of the farmers who subscribed work or its money equivalent should be fulfilled and that if some security was not given steps should be taken to enforce it. The cost of the road to the town has already been over a thousand dollars and it is the consensus of opinion that the balance should and must be made up by those whose promises the Association holds and we believe that this it only just and fair.

It was supposed that after the holidays the social activity would decline for a month or two and our town be quiet, but we note the contrary and a resumption of the festive occasions scheduled for the latter part of January and for February

makes one realize that it will be most active time that has occurred in this section for some time. If these two months are a forerunner of the coming year what a lively old time is in prospect. We won't even have time as a town or as individuals to get mixed with politics and what a national disaster that would be.

#### Additional Local

Mrs. J. S. Vincent and daughter Katherine visited at the home of H. P. Hull this week. Mrs. Vincent was over on business matters, and will return to Lewiston tomorrow

Dr. W. B. Richardson, the well known Doctor of optics, spent a couple of days in town this week, looking after his patrons eyes and attending to those who came for treatment.

#### Anent Subscription Lists

The Business Men's Association have passed a resolution that no monies for public enterprises or projects shall be subscribed by the merchants until first passed upon and sanctioned by the Association.

J. R. Hazlip left for Spokane Wednesday on a two weeks trip of business and pleasure combined.

The Rathbone Sisters are arranging for that public social on January 29th. in the K. P. Hall. Don't forget the date and prepare to attend. Remember that Flinche, Pitt and Grande are among the amusements.

A grand ball on January 29th. 1904 is announced to be held in the Odd Fellows hall at Lelaud. This is said to be the last event of its kind this season and the boys are arranging to have its memory hold over until next year.

Evans' string orchestra will furnish the music; supper at Johnson's hotel; and the price \$1.50, supper included. A cordial invitation to attend is extended.
