A Pleasant Affair
Tuesday evening at the home of
Louisa Dougherty a farewell party
was given to Miss Willis who takes
her departure next week for Spokane.
A merry party of twenty odd assem-
bled early in the evening and as this
is leap year, the gentlemen were given
emblems while the ladies began pick-
ing partners and right there was a
lesson taught the men of how to secure
what you want without showing your
intention. After the couples were ar-
ranged the party sat down to a game
of finche and between interesting
partners and the mysteries of the game
it was a hard contract to keep one's
head. The elegant refreshments serv-
ed at about 11 o'clock however gave
the men courage and when proposals
began to pour in on them it was amaz-
ing with what equanimity and self
possession they managed the occasion,
the only flaw was their acceptance of
all offers made. The evening wound
up with a medley of the old familiar
songs by the entire party and a sincere
expression of thanks to the host and
hostess for one of the most pleasant oc-
casions yet experienced in Kendrick.

From personal experience I testify
that De Witt's Little Early Risers are
unequaled as a liver pill. They are
rightly named because they give
strength and energy and do the work
with ease.— W. T. Faaton, Boerna,
Tex., thousands of people are using
these tiny little pills preference to all
others, because they are so pleasant
and effectual. They biliness, torpid
liver, jaundice, sick headache, consti-
pation, etc. They do not purge and
weaken, but cleanse and strengthen.

One of the most remarkable cases
of a cold deep-seated on the lungs,
causing pneumonia is that of Mrs.
Gertrude E. Fenner, of Marion Ind.
who was entirely cured by the use of
One Minute Cough Cure. She says
"The coughing and straining so weak-
ened me that I ran down in weight
from 148 to 92 pounds. I tried a num-
ber of remedies to no avail until I
used One Minute Cough Cure. Four
bottles of this wonderful remedy cured
me entirely of the cough, strengthen
my lungs and restored me to my nor-
mal weight, health strengthened."

Dislocated Her Shoulder.
Mrs. Johanna Soderholm, of Fergus
Falls, Minn., fell and dislocated her
shoulder. She had a surgeon get it
back in place as soon as possible, but it
was quite sore and painful her very
much. A person mentioned that he
had seen Chamberlain's Pain Balm
advertised for sprains and soreness,
and she asked him to buy her a bottle
of it, which he did. It quickly relieved
her and enabled her to sleep which
she had not done for several days.
The son was so well pleased with the
relief it gave his mother that he has
since recommended it to many others.

Grip

**Quickly and Com-

**Dr. Miles' Heart Cure
and Nervine.**

If, after an attack of LaGrippe, your
strength does not return, you cannot sleep,
or rest or eat; if you have frequent headaches,
if your heart flutters, blood is thin, your cir-
culation poor, you are in more danger than
when stricken with f.v. and in the deadly
grasp of grip itself. The after effects of La-
Grippe are terrible. To guard against its
dangers, strengthen the heart with Dr. Miles'
Heart Cure which, by enriching the blood
and improving its circulation, will cure any
affection of the heart and strengthen it
against further attacks. Tone up the system
and revitalize the nerves with Dr. Miles'
Nervine. When your nerves are in proper
condition, you need never fear the attacks of
LaGrippe or its terrible after effects.
"From my personal experience with Dr.
Miles' Remedies I always take pleasure in
recommending them to my customers. Six
years ago I suffered from a severe attack of
LaGrippe which left me with a weakened
heart and nervous system. I was weak, run
down, lightened at my condition and miser-
able. I used two bottles each of Dr. Miles'
Restorative Nervine and New Heart Cure
and I was quickly and completely cured
furthermore I have never had a return of the
trouble. I am selling vast quantities of your
medicine, especially the Anti-Pain Pill.
Every customer is thoroughly satisfied with
the results."—EUGENE MARSH, Druggist, E.
