

## The Day They Played Base Ball

Lo—How the mighty have fallen. There is weeping in the camp of the Potlatch and the big horn is silent.

A series of games by our stalwart nine sure spells disaster— and the latest from Moscow where they played the "White Sox" says one chestnut was pulled out of the fire—eleven to nothing.

Last week Lapwai was badly demoralized, but Peck and Gifford proceeded to lick the nine in good fashion and succeeded.

Thursday, the nine—our base-ball players—traveled to Moscow and again put on sack-cloth and ashes.

Now the trouble lays—we don't know where—Our boys can sure play ball—good ball—and we don't see why they don't win. Maybe it's the umpire! Or lack of practice! Or not enough hard work. Out—but the way we play base-ball beats a convention of women to discuss the philosophy of the ancient Greeks and the reporter finds them debating on long or short clothes for infants.

Miss Annie, There is no way, we know of to compel your sweatheart to wear tasty clothes, unless he lets us order him a suit, Lauterbachs.

The postoffice has put a heavy wire screening from the top of the partition to the ceiling and patrons of lock boxes can now secure their mail any time except at night, whether the postoffice force is in or not. The screen also acts as a protection against the flies.

Sam Callison was visitor to Moscow this week for the purpose of having his foot examined. Several operations have been performed but the foot is not yet as it should be. While at the Gritman hospital he visited Martin Thomas, whom he had found slightly improved, but reports that he will be confined to the hospital for some time, and when he returns will have to take care of himself thereafter.

The Lincoln Hardware Co has added a fresh coat of paint to its front, giving it a fresh, clean appearance.

At a meeting last Saturday of the farmers of Bear ridge who were dissatisfied with the interstate central, some 11 of the members of the Toney telephone Co. withdrew or sold out their interests in the said company and it is now said will erect another line to Kendrick and connect with the Potlatch phone Co. The original company is duly incorporated, have a good line erected and possess over 30 phones on the line now.

You have no right to wear your brothers pants, get a pair of your own made by Lauterbachs, at Kendrick.

A party of young ladies from the sidge visited Joel Tuesday of this week, attending a social there— Those in the party were the Misses Claribel Ingel, Lydia Miller and Lenna and Georgia Hupp.

Sam and Ben Callison spent a week fishing in Bull Run and Loug Meadow, returning last Monday. They report a splendid time, plenty of good fishing and sufficient snow in the hollows and shaded places to keep the fish after the baskets were full.

H. A. Russell is rapidly recovering from his broken leg. He is able to hobble out, and practically to travel without crutches.

T. P. Lorang has been enjoying the presence of his parents. Mr & Mrs Lorang of Genesee who arrived Sunday evening. Accompanied by his wife, they left Thursday for the cedar creek timber section.

Miss Hallie Hill left for Everett Thursday, where she will spend the summer with Mrs Mellison.

On Matters That Interest You

Your local paper is a necessity to you, financially and socially.

But a NEWSPAPER OF GENERAL CIRCULATION, containing the latest news of the world, is equally necessary to you. The "up to date man" will provide himself with these two essential features of progress.

In THE TWICE-A-WEEK SPOKESMAN-REVIEW, Spokane, Wash., will be found the very latest news of the world, its matter including information on politics, commerce, agriculture, mining, literature, as well as the local happenings in the states of Montana, Oregon, Idaho, Washington and the province of British Columbia. In addition, its columns for women, its popular science articles, its short and continued stories, its "Answers to Correspondents" and "Puzzle Problems" combine to form a home newspaper that at \$1.00 per year can nowhere be excelled.

ITS ADVERTISING VALUE. Perhaps you have something to sell—a farm, a team, farm machinery. You may wish to buy something. The best possible way to communicate with people who wish to buy or sell is by inserting a small advertisement in The Spokesman-Review. Farmers, stockmen, lumbermen and miners take the TWICE-A-WEEK.

THE TWICE-A-WEEK RATES ARE Ten cents per line each insertion. Count six words to a line. THE DAILY AND SUNDAY RATE FOR CONSECUTIVE INSERTIONS. 13 Words 1 time ..... 25c 2 times ..... 45c 3 times ..... 65c 24 Words 1 time ..... 45c 2 times ..... 85c 3 times ..... 125c

THE SUNDAY ALONE Ten cents per line each insertion. Count six words to a line.

ADDRESS THE SPOKESMAN-REVIEW, Spokane, Wash. Write your ad plainly, enclosing amount in advance or money order for number of insertions desired, and state whether you wish ad inserted in Daily, Sunday or Times a Week.
