KENDRICK IDAHO

Considerable thistles growing  
luxuriantly through our town-Good  
things to cut down.

### Free Employment Bureau

An Idea of Mine Host Munsterman  
Which We Count Good.

Henry Munsterman of the Hotel  
Kendrick has evolved an idea which  
cannot help but be beneficial to the  
town and the country and that is a  
free employment bureau.

Farmers or others wishing help are  
requested to register their wants at  
the hotel, stating the kind of employ-  
ment, the wages and the kind of  
help. Those coming to town who  
desire work will also register and  
thus he can bring the two together  
without loss of time. This system  
will be continued all summer and it is  
hoped that the farmers will assist by  
registering their wants. Many a  
useless trip to town will thus be  
avoided and it will be found a great  
convenience. Try it and all those  
requiring labor register.

### Auction Sale.

Capt. Carlton will hold an auction  
sale on Main street tomorrow-Satur-  
day- which he wants all to attend.  
It will consist of a miscellaneous  
assortment which he has gathered up  
and many items of which will be  
good value to the purchaser. Two  
p. m. is the hour set. Don't fail to  
take the sale in.

Joe Mcbison left this morning for a  
visit with his daughter in the Salmon  
river country after which he will  
take a trip east to Illinois and see his  
father home ere he returns.

### Talk About Wheat.

A sample of wheat was shown us  
this week which for growth and looks  
is hard to beat in any country and  
seldom equaled.

This sample was from the farm of  
John Shriner on the Potlatch and  
stands five feet and is an average of  
the entire 80 acres, while specimens  
may be found scattered through it six  
and even higher. The grain has  
good head and will run three kernels  
to the mesh. It is of the Prize Win-  
ner variety and is a looking  
field. Mr. Shriner is decidedly an  
early bird as he has already cut a  
field of timothy, the first cutting we  
have heard of this season.

### First Shoot For Trophy.

The Gun Club held its first shoot  
for the Dupont trophy Sunday after-  
noon, and Sam Callison came out  
first with a score of 24 out of a possi-  
ble 25. Several others were close  
seconds.

Children's Day in the Presbyterian  
church here occupied the morning  
service hour of Sunday, the 14th. A  
special program of music and recita-  
tions by the youngsters of the  
Sunday school was received by the  
congregation, while the front of the  
church was massed with flowers.

Fred S. Beckwith has a unique  
window dressing, for therein is a  
lively cub bear, strictly at home.  
The cub was secured by Dick Sallor  
at his homestead on the unsurveyed  
near Dent. It is said the bears in  
that section are quite plentiful, mak-  
ing calls on the settlers while shav-  
ing or cooking and not being serious-  
ly insulted even when shot at.

Alex. Marr was in town Wednes-  
day and with Will visited South-  
wick on business. Alex. reports a  
good and prosperous business at  
Vollmer.

The address by the Rev. Spate in  
the Presbyterian church Monday  
night on the Congo Free State from  
actual observation and three years  
experience as a missionary of the  
Congregational church was instructive  
to all who attended.

Remember the cooked food sale  
by the ladies of the Presbyterian  
church on Saturday at Lauterbach's  
store. This is home cooking and  
well prepared.

U. S. G. Evans, secretary of the  
Farmer's Bank & Trust Co was in  
attendance at the state Bankers  
Meeting this week at Lewiston.

### Stomach Trouble.

Many remarkable cures of stomach  
troubles have been effected by Cham-  
berlain's Stomach and Liver Tablets  
One man who had spent over two  
thousand dollars for medicine and  
treatment was cured by a few boxes  
of these tablets. Price 25 cents.  
Samples free at the Kendrick Drug  
Co.

### A grand Family Medicine.

"It gives me pleasure to speak a  
good word for Electric Bitters" writes  
Mr. Frank Conlan of No. 436 Huston  
St., New York. "It's a grand family  
medicine for dyspepsia and liver com-  
plications; while for lame back and  
weak kidneys it cannot be too highly  
recommended." Electric Bitters regu-  
lates the digestive functions, purify  
the blood and imparts renewed vigor  
and vitality to the weak and debilitated  
of both sexes. Sold under guarantee  
for 50 cents at the Kendrick Drug Co.
