When a man comes into the world
he receives a free "ad" and when he
dies his bad debts are overlooked
by charitable editors. All during
his life he asks and receives favors
from the newspapers. If they
speak well of him the flattering
notice is received in silence. If his
acts are criticized he talks of a
damage suit.

Leland Items
Harvest is on in full swing now.
The fall wheat is averaging from
twenty five to forty bushels. As
yet only one fire from smut has
been reported. This occurred Friday
evening in Ford Park's machine.
The separator, being a steel struc-
ture, the loss was light, as only
woodwork inside burned out. A-
bout twenty five sacks of wheat
were burned.

Rev. H. P. Nelson has been quite
sick for the past week. Sickness
seems to be quite prevalent on the
ridge.

Mr. DeWinters returned home
Friday after a three week's absence

that they cleared about thirteen dol-
lars at their ice cream social Sat-
urday evening.

J. E. Flesman and E. T. Martin
and son James left Tuesday for a
fishing trip on Elk River.
Shortly before noon on Tuesday
fire was seen coming from the house

on the Garby place. As none of the
family were at home it is not known
how the fire started. But before
help could arrive the house was a
mass of flames and in spite of all
that could be done the house, barn
and other buildings together with
their contents were a total loss.
We understand that there was some
insurance. There was a high wind
blowing at the time which carried
the fire into the stubble field farmed
by Ross Hoffman. However prompt
action on the part of the men pre-
vented what might have been a most
disasterous fire to the surrounding
country.

County Attorney Nisbet
Candidate for re-election

For Assessor
I hereby announce my candidacy
for nomination on the Republican
ticket for County Assessor. If the
people see fit to re-nominate and
elect me to the office I shall con-
tinue to give my entire time to the
duties of the office. I have worked
as earnestly and conscientiously as
though the duties of the office
were my private affairs.

I ask your support on the follow-
ing grounds: I feel that with the
careful study of the work and the
experience of the two years past I
can give to the people more satis-
faction and economical service the
next two years. This is an office
unlike other offices of the county
in that it demands a thorough knowl-
edge of the property and the con-
ditions of the county which takes
some time and careful study, and I
have spent a great deal of personal
efforts, as you know, in getting out
over the work myself to learn these
things, which is of great impor-
tance to the taxpayers of the county.
I have equalized the different class-
es of property, on the basis of the
actual cash value of each class re-
gardless of the ownership, in the
hope of giving Latah County tax-
payers an honest and equitable as-
sessment.

ing after an extended visit with her

farming for many years prior to
retiring a few years ago to engage
in other pursuits in Moscow. He is
at present serving his second term
as city counselman and has been
active in the business, social and
fraternal life of the city, at all
times taking a keen interest in public
movements effecting the welfare
of the city. This is Mr. Martin's
first appeal to the voters of Latah
County and promises if elected to
give a business administration and
to uphold law of the state and nation
to the best of his ability. adv
