

## Lewiston Fair a Big Success

**Due to Splendid Weather and Fine Features Provided**

Lewiston, Oct. 5.—(Special.)—The sixteenth annual Lewiston-Clarkston fair opened here yesterday under most favorable auspices and hundreds of visitors arrived to take in the first day program.

Good weather played an important part and the attendance at the fair grounds was far beyond expectations. Maroney, the airman, made a spectacular flight and will continue his feats daily this week.

The exhibits are far better than have ever been gathered here before. Many special features have been provided to entertain the crowds in addition to the speed program. Lewiston 50 years ago, is one of the great features of the evening entertainment. Nothing is being overlooked by the management to make the fair a success and visitors are treated with every courtesy.

## Earthquake Felt in Idaho

**Arrowrock Dam is Safe**

Imlay, Nev., Oct. 3.—Much damage was done by earthquake shocks last night for a hundred miles along the Southern Pacific railroad according to reports. Several railroad water tanks toppled from their high supports and one of them at Lovelock, 40 miles west of here, crushed one end of a dwelling house.

People fled from their homes in nightclothing here and elsewhere. Walls of three brick buildings at Lovelock were cracked open.

"Slow orders" were issued to all trains when the third tremor was felt at 11 o'clock last night. An earth fill at the approach to a railroad bridge at Golconda, Nev., 50 miles east of here, sank five inches.

Plaster walls and chimneys were cracked in many buildings here. Patrols were sent out along railroad tracks from all section points.

Hot springs at Gerlach, Nev., were dried by the earthquake last night while similar springs at Golconda, 200 miles east, rose six inches and the flow increased. Slight damage to buildings is reported from various sections of the state. At Carson City the state capital was severely shaken and the night watchman fled to the street. The federal building at the capital was badly jarred and plaster knocked from the walls and ceiling.

Reno, although disturbed by the tremor, escaped without damage, according to a careful investigation today. Sparks also felt the full effect of the disturbance. The greatest damage was suffered by the Southern Pacific company, water tanks at Parran, Lovelock, Kokak and Battle Mountains being knocked down. The Western Pacific station at Carlin was damaged.

The seat of the disturbance is believed to have been between Lovelock and Salt Lake City.

Boise, Idaho, Oct. 3.—Great anxiety was manifested over the safety of the Arrowrock dam above this city when earthquake shocks visited Boise last night until reports received from the dam today allayed all fears. The dam was not harmed. Later reports indicate that although the earthquake shocks were severe, no serious damage was done.

## Among the Breakers

A high class drama, given by local talent of Kendrick, for the benefit of the Kendrick Dornet Band, will be presented at Barnum's Theatre, at Kendrick, Idaho, on Friday evening, October 15th. Two hours of solid enjoyment. This play is chuck full of both comedy and pathos and if you miss this performance you will overlook the best entertainment of the season. Ten characters and every one a star.

Price of admission, reserved seats 35c, general admission 25c, all children under 15 of age 15c.

Miss Margaret Terry of Troy, spent the week end with her mother Mrs. Chas. Bodenhouse.

## Wireless Telephone In Operation.

**Conversation Clearly Heard 4600 Miles.**

New York, Sept. 30.—Wireless telephony from the Atlantic seaboard to Hawaii, a distance of 4600 miles, is an established fact. The American Telephone and Telegraph company today made the announcement. The speeches from Washington last night were received by the wireless at Antenna, established by Lloyd Espenshield, a company engineer sent especially to Honolulu for the test. The message went 2000 miles overland and the rest of the way over water.

## State Earned Much Interest

**Data Showing Financial Condition of State Funds**

State Treasurer John W. Eagleston has compiled the monthly recapitulation balance statement for September and submitted it to the state auditor, showing the balance in the several funds carried by the treasury department. The amount of interest earned on the state funds during the third quarter which ended with month was \$10,220.01. There is an overdraft of \$6491.41 in the state normal school endowment fund, due to a readjustment of state funds made by the land board. The grand total balance of all funds in the treasury is shown to be \$1,132,647.82. The more important funds carried show the following balances: General, \$208,140.81; general school, \$298,606.14; common school, \$89,659.82; general interest and sinking, \$46,316.17; Cary act trust, \$5,415.72; predatory animal, \$770.05; game fund, \$9149.05; live stock sanitary, \$24,566.02; state highway, \$25,800.91; King Hill project, \$2516.06.

C. A. Geier, of Spokane, was in this city this week calling on Prof. Best. His mission is in the interest of the young and rising generation. The work he took up with the Professor was termed Thrift, something that must be handled by the teachers of our schools. Prof. Best being a wide-awake man in his profession, readily saw what the plan meant to the children and is heartily in favor of introducing it in our schools. The first step is in the saving of money. The local banks will take it up with the school and furnish saving banks for those that want to save money and each child can have its own bank account. Other steps in the matter will be made known at times. Ask the Professor in regard to the matter and then urge the children to make it one of their parts of school work.

The County Commissioners and County Surveyor were on Big Bear ridge this week looking over the new proposed road up the Bear creek. The Surveyor is making an estimate of the cost of the new road and the possibilities of the grade will depend upon the cost of same and the amount of money that can be raised. The new grade would be of great benefit to the people living on that ridge and we are in hopes that it will be possible to get it.

One of the Lein boys, while out helping the Surveyor last Tuesday, was seen taking a plunge in the only pool of water in the creek. It didn't bother only he had to rile the water in getting out.

Miss Merta Wolf went to Lewiston Monday to visit relatives.

In another column will be found the list of prize winners of the Potlatch District fair held in Kendrick last week. This list consists of the Horticulture department alone. Next week will appear the other departments in full. We are unable to handle the large list at one time on account of the different departments having not been able to arrange their lists in form. We will also have a list of fair notes giving detail of the old keepsakes shown in the Art department.

## Prize Winners at The Kendrick Exhibition

The following prizes were drawn in the "Agricultural" department of which J. F. Brown was Superintendent and Albert Moskop assistant.

### Grain Class I.

|                  |                          |       |        |
|------------------|--------------------------|-------|--------|
| Henry Meyer      | Peck Fortyfold Wheat,    | First | \$1.00 |
| Ben Petrick      | Peck Hybred Wheat        | First | 1.00   |
| Frank Whitcomb   | Peck Hybred              | Sec.  | .50    |
| Clarence Fry     | Red Russian              | First | 1.00   |
| Aug. Meyer       | Bluestem wheat           | First | 1.00   |
| Aug. Meyer       | Peck Club Wheat          | First | 1.00   |
| F. Benscotter    | Peck Club Wheat          | Sec.  | .50    |
| A. Galloway      | Peck Marquis Wheat       | First | 1.00   |
| B. Callison      | Peck Milling Oats        | First | 1.00   |
| B. Callison      | Peck Feed Oats           | Sec.  | .50    |
| O. Forrest       | Peck Brewing Barley      | Sec.  | .50    |
| F. Fredrickson   | Peck Feed Barley         | First | 1.00   |
| S. Monk          | Peck Rye                 | Sec.  | .50    |
| T. H. Phillips   | 10 ears Flint Corn       | First | 1.00   |
| Frank Roberts    | 10 ears Flint Corn       | Sec.  | .50    |
| J. M. Woodward   | Yellow Dent Corn         | First | 1.00   |
| A. Locke         | Yellow Dent Corn         | Sec.  | .50    |
| I. L. Gentry     | 10 ears White Dent corn  | First | 1.00   |
| J. W. Organ      | 10 ears White Dent corn  | Sec.  | .50    |
| J. F. Boyd       | 10 ears Sweet corn       | Sec.  | .50    |
| Mr. Roberg       | 10 ears Pop corn         | First | 1.00   |
| J. M. Woodward   | 10 ears Pop corn         | Sec.  | .50    |
| Mrs. J. Brown    | best display of Peas     | First | 1.00   |
| Mrs. J. Brown    | best White Beans         | First | 1.00   |
| C. Eichner       | best display White Beans | Sec.  | .50    |
| Mrs. J. Brown    | Colored Beans            | First | 1.00   |
| Mrs. C. Whitcomb | Colored Beans            | Sec.  | .50    |
| A. Galloway      | best sheaf Winter wheat  | Sec.  | .50    |
| A. Galloway      | best sheaf Spring wheat  | Sec.  | .50    |
| F. Fredrickson   | best sheaf Oats          | First | 1.00   |
| Carl Hartung     | best sheaf Oats          | Sec.  | .50    |
| Mrs. Lutch       | 6 stalks corn, any var.  | First | 1.00   |
| F. Grove         | 6 stalks corn, any var.  | Sec.  | .50    |

### Seeds and Grasses Class I.

|                  |                          |       |      |
|------------------|--------------------------|-------|------|
| Mrs. J. Brown    | 6 stalks Broom corn      | First | 1.00 |
| Mrs. H. Grenolds | 6 stalks Broom corn      | Sec.  | .50  |
| E. G. Hobbs      | largest Sunflower        | First | 1.00 |
| Buster Brown     | largest Sunflower        | Sec.  | .50  |
| Mrs. F. Brown    | best Tobacco             | First | 1.00 |
| R. J. Anderson   | best Tobacco             | Sec.  | .50  |
| J. Stunsmas      | Tame and Wild grasses    | First | 1.00 |
| J. Inthrun       | Tame and Wild grasses    | Sec.  | .50  |
| Mrs. J. Brown    | 3 Table Beets, any var.  | First | 1.00 |
| Mrs. C. Whitcomb | Table Beets, any var.    | Sec.  | .50  |
| Chris. Meyers    | 3 heads Cabbage          | First | 1.00 |
| Rose Brown       | 3 heads Cabbage          | Sec.  | .50  |
| Rose Brown       | best single head Cabbage | First | 1.00 |
| Chris. Meyers    | 6 Table Carrots          | First | 1.00 |
| J. F. Boyd       | best 3 Cantelope         | First | 1.00 |
| Mrs. C. Whitcomb | 3 Cucumbers              | First | 1.00 |
| J. Jackson       | 3 Cucumbers              | Sec.  | .50  |
| L. R. Waite      | best 3 Mangel Wurzel     | First | 1.00 |
| H. A. Frowick    | 3 Mangel Wurzel          | Sec.  | .50  |
| A. W. Allen      | Peck Red Onions          | First | 1.00 |
| Henry Meyer      | Peck Red Onions          | Sec.  | .50  |
| Oscar Morey      | Peck White Onions        | Sec.  | .50  |
| A. W. Allen      | Early Potatoes, any var. | First | 1.00 |
| Chris Meyers     | Early Potatoes, any var. | Sec.  | .50  |
| Ben Callison     | Peck Late Potatoes       | First | 1.00 |
| Mabel Eichner    | Peck Late Potatoes       | Sec.  | .50  |
| W. A. McGhee     | 2 Pie Pumpkins           | First | 1.00 |
| I. L. Gentry     | 2 Pie Pumpkins           | Sec.  | .50  |
| Frank Roberts    | largest Single Pumpkin   | First | 1.00 |
| Mrs. J. Brown    | 12 Best Peppers          | First | 1.00 |
| R. F. Brown      | 12 Best Peppers          | Sec.  | .50  |
| Chris. Meyers    | 3 Best Rutabaga          | First | 1.00 |
| Mrs. Lutch       | 3 Best Rutabaga          | Sec.  | .50  |
| Mrs. J. Brown    | Peck String Beans        | First | 1.00 |
| Geo. Clem        | 3 Hubbard Squash         | First | 1.00 |
| F. Grove         | 3 Hubbard Squash         | Sec.  | .50  |
| Mr. Schuffer     | best Single Squash       | First | 1.00 |
| J. L. Fowler     | best Single Squash       | Sec.  | .50  |
| R. J. Anderson   | 4 Tomatoes, any var.     | First | 1.00 |
| Jean. Chinaman   | 4 Tomatoes, any var.     | Sec.  | .50  |
| Mrs. J. Brown    | 6 Table Turnips          | First | 1.00 |
| Frank Roberts    | 6 Table Turnips          | Sec.  | .50  |
| E. J. Sadreter   | 3 best Watermelons       | First | 1.00 |

### Fruits Class I.

|                |                        |       |     |
|----------------|------------------------|-------|-----|
| Mrs. L. Wilcox | best 5 Siberian apples | First | .50 |
| Mrs. L. Wilcox | 5 Transand apples      | Sec.  | .25 |

### Pears Class II.

|                |                   |       |     |
|----------------|-------------------|-------|-----|
| Henry Hill     | 5 Bartlet Pears   | First | .50 |
| A. W. Allen    | 5 Flemish Beauty  | Sec.  | .25 |
| Mrs. L. Wilcox | 5 Winter Bartlets | First | .50 |

### Grapes Class III.

|             |                          |       |     |
|-------------|--------------------------|-------|-----|
| M. Onby     | 2 lbs. Hamberger grapes  | First | .50 |
| M. Onby     | 2 lbs. Sweetwater grapes | First | .50 |
| D. F. Waltz | 2 lbs. Sweetwater grapes | Sec.  | .25 |
| D. F. Waltz | 2 lbs. Concord grapes    | First | .50 |
| D. F. Waltz | 2 lbs. Delaware grapes   | First | .50 |

### Peaches Class IV.

|               |                          |       |     |
|---------------|--------------------------|-------|-----|
| Henry Hill    | 7 Early Crawford peaches | First | .50 |
| A. W. Allen   | 7 Elberta Peaches        | Sec.  | .25 |
| Mrs. Z. Lay   | 7 Peaches, any var.      | First | .50 |
| Mrs. J. Brown | 7 Peaches, any var.      | Sec.  | .25 |

### Miscellaneous Class V.

|                |                          |       |      |
|----------------|--------------------------|-------|------|
| J. W. Woodward | Prunes, 5 plates         | First | 1.00 |

| Mrs. Mary Atchison | Mixed Astors  | Sec.  | .50  |
| Mrs. R. M. Smith   | White Dahlias | Sec.  | .50  |

Continued on last Page.

## Terrible Hurricane In Louisiana.

**500 Dead and 200 Injured is Latest Report.**

New Orleans, Oct. 2.—More than 500 dead and 200 wounded stood as the appalling estimate of the recent West Indiana hurricane through Louisiana and Mississippi, the reports tabulated indicating. The death list at New Orleans is placed at 22. The known dead is 198. It is reported that 208 are dead along the Mississippi river between Myrtle Grove and Burmas.

Hundreds of persons are still marooned in the flooded sections along the coasts and boats have gone to their rescue. 300 are marooned at Empire, La. More than 150 schooners are reported ashore between Gulfport and New Orleans. Estimates of the property damage vary. \$10,000,000 alone is the estimate in southern Louisiana.

## Usual Number Divorces Ahead

**75 Cases on Calendar**

Judge Steele will hold a regular term of court in Nez Perce county, commencing October 25. There probably will be 75 cases on the calendar, of which perhaps 30 will be divorces. There is little variety to these divorce complaints, which usually charge desertion, non-support, cruelty, or two or all three of these causes. A large number of these cases are not contested, which gives the court little chance to do otherwise than grant them.

In the state of Washington, when there is no appearance on behalf of the defendant, the prosecuting attorney is required to appear, and this appearance often results in bringing out evidence which defeats the action.

## Miss Goude Here Saturday

Jennie Hazel Goude of Spokane, Wash., at Barnum's Theatre Saturday evening, Oct. 9th at 8 P. M. sharp. Auspices of the Public Schools. Admission, adults 50c, children 25c.

### Program

1. How Bess Entertained the Minister. 2. How Sockery Set the Hen. Biddy's Trials Among the Yankees. 4. The Jealous Wife. 5. Mr. Brown Has His Hair Cut. 6. Aunt Sylvia's First Lesson in Geography. 7. Aunt Melissy on Boys. 8. Christmas Eve in a Mining Camp.

Statuary—Life of Jesus Star of the East. Babe in the Manger. Herod's Command. His Temptation on the Mount. Flight into Egypt. Among the Doctors of Law. Healing the Sick. Agony in the Garden. Betrayal. Before Pilate. Bearing the Cross. On the Cross. Resurrection. Ascension.

The Women's Christian Temperance Union met Wednesday afternoon at the home of Mrs. French, a goodly number being present. Election of officers took place at this meeting and plans were made, which with the help of all concerned will bring effective results.

Mrs. Weaver went to Lewiston Monday.

## Lighting System To Be Installed

**Mr. Dunkle Granted a Certificate of Public Convenience**

Boise, Oct. 1.—(Special.)—A certificate of public convenience and necessity has been granted by the public utilities commission to A. V. Dunkle, permitting him to install an electric power system for the village of Kendrick, Latah county. The cost of the system Mr. Dunkle proposes to construct was estimated in his application at \$8000.

There is now no electric system to serve the territory covered by the certificate. The applicant for the certificate was ordered by the commission to file with it a copy of any franchise he may receive, to keep an accurate account of all expenditures in the construction of the system, and to file with the commission a schedule of the rates established.

A new schedule has been filed with the public utilities commission by the Kendrick Water company. It is so complicated that the commission has not yet been able to determine what reductions and increases in rates it includes.

Mrs. W. James departed for Palouse, Wash., Wednesday where she will shortly be joined by Mr. James. They go there to make their future home and will be greatly missed by their many friends in and around Kendrick.

## Death of Pioneer

Mrs. Maria Herbert died at her home in Fort Lapwai, September 30, 1915 and was buried in the American ridge cemetery last Sunday. The funeral services were held in the Presbyterian church at Kendrick Sunday morning at 11 o'clock. The sermon was delivered by Dr. Smith, pastor of the church.

The deceased was born in Ohio in 1840. In 1857 she crossed the plains with her parents to California where they lived until 1877 when they came to this section of the country. The deceased was a school teacher for many years. For nineteen years she, with her husband, who died some years ago, lived on American ridge. For five years after his death she lived with her nephew in Kendrick and about a year ago they moved to Fort Lapwai, where she ended her long life of usefulness.

## Personal and General

Miss Lorane Terry returned to Spokane Sunday.

Mrs. J. Patrick departed for Spokane Thursday to visit her daughter, Mrs. C. G. Allenbach.

Mrs. H. Slocum went to Lewiston Monday to visit her brother.

F. E. Bunker and wife were visitors in Lewiston the first of the week.

Mrs. I. B. Beekley and daughter are visiting relatives in Lewiston this week.

Mrs. S. E. Crow is visiting her daughter in Lewiston.

Miss Ida Wegner is visiting relatives in Lewiston.

Last Thursday about 11 o'clock W. E. Thornton of near Southwick, lost his barn by fire. The contents consisting of several hundred bushels of grain, harness and other things that were a total loss. The loss was partly covered by insurance.

Herman Schultz, wife and daughter departed for Spokane Wednesday where they will make their future home. Mr. and Mrs. Schultz have lived on the Potlatch for a long time and their many friends regret to see them leave.

Louie T. Jessup, '13 graduate of the University of Idaho and Miss Bertha Leighton, '12 graduate of the same school, were united at the home of the brides parents at Weiser, Idaho, October 1st. Mr. Jessup has a position in Nebraska as civil engineer for the U. S. Government.

A. W. Longfellow and family departed for Frisco Wednesday where they will attend the big Fair.

James Garner was a Moscow visitor Monday.
