

## BIG CELEBRATION ATWATER LAKE

Will Last Two Days -- July  
3 and 4

There is to be a big celebration at Atwater lake the 3rd and 4th of July. The lake is a beautiful place for a celebration having many natural advantages to make it a delightful spot to spend a few days of rest and enjoyment.

There will be no admission charged at the grounds. Everybody is welcome to camp on the grounds absolutely free and everything will be done to make the time spent a very enjoyable one.

Ball games, dancing, fishing, boating and many other attractions are being planned to furnish amusement for the crowd. A bowery is to be erected and dancing may be indulged in during the afternoon and evening of both days.

Those who do not take their lunches will be able to get meals at reasonable rates as there are to be a number of lunch stands on the grounds. It has been proposed by the management to provide tents for campers which can be rented for the use of those who wish to stay all night but do not care to bother with a camping outfit. If this plan is carried out it will no doubt bring a number who would not otherwise be present as the expense of going and coming to and from the lake every day would be more than renting a tent.

The celebration will no doubt bring a number of people from a distance as the idea of camping out on the lake shore will be a big drawing card.

### Rebekahs Visit Kendrick

Monday, June 19, 1916, Mrs. H. P. Hull entertained the Juliaetta and Kendrick Rebekah lodges. The object of the occasion was to meet Mrs. Augusta K. Johnson, President of the Rebekah State Assembly, and Mrs. Retta Holman, of Moscow, Past President of the Assembly. Three Past Noble Grands and others from Juliaetta, were present. From Kendrick there were four Past Noble Grands and the Noble Grand and Vice Grand and other members.

The visitors were met at the depot by a delegation from the Kendrick lodge and conducted to the home of Mr. and Mrs. Hull.

Mrs. Johnson came here with the intention of making the local lodge an official visit but the hall could not be secured as it was not a regular meeting night, so the affair was turned into an evening of social enjoyment.

About five o'clock light refreshments were served consisting of tea, ice cream and cake.

Many thanks are due Mr. and Mrs. Hull for so kindly entertaining the lodge members in their home. A Rebekah.

### Southwick Celebration

Southwick is making extensive preparations to celebrate the Fourth this year. It is advertised as a M. W. A. Log Rolling and Picnic. A good program has been arranged and the people of Southwick are sparing no pains to make the day very enjoyable for those who spend the Fourth at the celebration.

There will be good speaking, races, games and various other amusements and the opportunity to spend the day in one of the prettiest sections of the Potlatch country will be presented by the invitation of the committee for everyone to attend the celebration.

### Petrick-Ashton

The home of Mr. and Mrs. J. Petrick was the scene of a quiet but very pretty wedding last Sunday afternoon at four-thirty o'clock, when their daughter, Miss Agnes, was united in marriage to Mr. James P. Ashton, of Juliaetta. None but relatives of the bride and groom were present. Rev. George Finke performed the ceremony.

The bride is an accomplished young lady and very popular with the young people of this community among whom she has a host of friends. The groom is a well known young business man of Juliaetta.

The friends of both bride and groom wish them many years of happiness and prosperity. Their home will be in Juliaetta.

### Powers of County Boards

In a decision handed down by Judge Edgar C. Steele in the district court, the court holds that power to abolish road districts was a matter purely in the discretion of the board of county commissioners and that the court shouldn't reverse the action of the board unless there was an abuse of that discretion.

No abuse was found in the case of the Potlatch Lumber company versus the board of county commissioners, evidence of which was introduced during the present term which the plaintiff sought to have the court rescind the action of the board in abolishing road district No. 2 and including it within the boundaries of a district in which the town of Potlatch is located. The board abolished the district so that there would be more taxable property so that the people would have more special taxes for the upkeep of the roads. The Potlatch Lumber company appealed from the action of the board.—Star-Mirror.

### Young Man, Who Are You?

Are you known by your own name, or are you known merely as your father's son? Are you known by your own good qualities and by your own acts, or are you remembered simply because you bear the name of better people who conceived you and brought you into this world? The young man who can look his elders straight in the eye and say, "I am James Martin," already has opportunity at his feet, but the fellow who can say nothing better than that he is "Robert Martin's son," will still be groping in the darkness of the future after opportunity has vanished in the distance. Be something, do something, create a personality of your own, and the world will know you and respect you for what you are and not for what your parents were before you. But continue content as "another man's son" and you will be accorded the respect and privileges only of another man's son, and when death overtakes you your home paper will speak charitably of you merely as "another man's son."—Great Bend Tribune.

### Okoke Klootchman

Mrs. Jody Long and Mrs. H. Busse entertained the members of the Okoke Klootchman and their husbands at a picnic lunch last Thursday evening, on the picnic grounds near the Long residence. An elaborate camp-fire lunch was served and a pleasant evening was spent sitting around the camp fire until a late hour. Mrs. Hans Flo and Mrs. J. Davis were guests of the club for the evening.

L. J. Harris spent Sunday at his home in Peck.

## KENDRICK FAIR SEASON TICKETS

Fair Association Now Raising Funds

The Kendrick Fair Association has had season tickets printed and they are to be sold at fifty cents each. Anyone interested in promoting the fair should invest in a ticket right now as it gives the management a better opportunity to size up the support that may be expected this fall.

This fair is not a local affair entirely, it is to be given by Kendrick and the surrounding country and every farmer who has any money invested in the Potlatch ought to feel a proprietary interest in the success of it. Last year the fair was a success in every way and there is no reason why this year it may not be even better.

A number of the business men have taken 25 tickets—bought them outright and are going to dispose of them. It is up to everybody now to possess one. Ask any business man in town and he will see that you are provided with as many tickets as you want at fifty cents each.

In order to get twenty-five in the hands of lucky purchasers at the earliest possible time, the Gazette will give a ticket to any back subscriber who is a year or more in arrears, providing he comes in and pays his subscription to date. This offer is good until after the 4th of July.

The money derived from the sale of the tickets is to be used for fencing the fair grounds and for putting up buildings for the livestock and exhibits. With an equipment of this kind the fair can be put on a permanent basis. It is the object of the Association to sell a thousand tickets. It can be done if everybody will help.

### No Trace Of Convicts

Winchester, June 20.—The escaped convicts from the honor camp at Whitebird, James E. Davis and George Smead, have not been heard from since they entered the store of the Stevens Mercantile company Saturday night and supplied themselves with provisions for several days.

Stormy weather has prevailed on the mountain since early Sunday and the view is held the men are in hiding in one of the many abandoned buildings of the mountain country. Abandoned houses and outbuildings, erected by homesteaders who have since sold their lands to the Craig Mountain Lumber company, are found in all sections of the surrounding country and many of these buildings are favorably located on the breaks of the canyons or in gulches so that the convicts could easily make their get-away unobserved in the event anyone approached their hiding place. It is stated the supplies taken from the Stevens store will be sufficient to last the men for the greater part of the week.

### Moscow Chautauqua

The Moscow Chautauqua begins June 30 and will end July 6. This Chautauqua is one of a system of two hundred west of the Rockies. The talent and equipment is furnished by the Ellison-White Chautauqua System. Among the many attractions is the New York City Marine Band which will play two full concerts at the Chautauqua.

Mrs. Geo. Leith and Mrs. Lottie Hammond of Juliaetta were visitors in town Monday.

## LEWISTON MILITIA LEFT FOR BOISE

Joined by The Grangeville Company

Lewiston, June 21.—Amid the greatest enthusiasm and farewells by one of the largest crowds of Lewiston citizens ever assembled, Company E of Grangeville and Company F of Lewiston, Idaho national guard, left at noon today by special train for Boise where the two companies will mobilize for service on the border. While the band played, the people cheered and there was scarcely a dry eye. A holiday has been declared to give the militiamen a farewell and Miles S. Johnson on behalf of the commercial organization delivered a farewell address. The city was decorated in the national colors and the whole town trooped to the depot to see the departure of the kahki clad boys.

Recruiting will continue here for two weeks by Lieutenant R. C. Hill who remained behind for that period. He will provide transportation for recruits to Lewiston to Boise should they be accepted for service. Some of the Moscow boys reached Lewiston last night and Sergeant Stillinger came through this morning by automobile from Moscow. The Grangeville company reached Lewiston at 11 o'clock this morning and was accorded a warm reception. The company is in command of Captain R. B. Kading. Frank E. Wood is first lieutenant and Don Fisher, first sergeant. The Lewiston company is in command of Henry M. Jones. George Newman is first lieutenant and R. C. Hill is second lieutenant.

### Celebrate Tenth Anniversary

On Tuesday evening, Mr. and Mrs. G. G. Oldfield entertained a large number of their Kendrick friends at their new residence on the hill. The occasion was the celebration of their tenth wedding anniversary and the evening was appropriately started off by the host, who kindled the hearth-fire with a taper in commemoration of the fire he had laid ten year before in his first matrimonial establishment. The lights were turned out and, as the flames took hold of the kindling, Mrs. Jody Long sang "Home Sweet Home," the entire assembly joining in with the refrain.

During the evening many new and interesting games were introduced by the hostess and their popularity was evidenced by the amount of merriment caused by each new entertainment. Miss Luella Hoyt played several piano solos and their pleasing rendition was one of the evenings best numbers. Mrs. Flo entertained the guests with vocal selections from her seemingly unlimited repertoire and charmed them with the quality and strength of her voice. Refreshments were served by "mine hostess" at the usual hour and the party dispersed after wishing Mr. and Mrs. Oldfield many more happy anniversaries. All present expressed the desire to be a guest at the diamond wedding of their host and hostess.

### Schupfer-Behrens

Miss Mary Schupfer and William Behrens of Juliaetta were united in marriage last Sunday afternoon at 2:00 o'clock at the home of the bride's parents. The ceremony was performed by Rev. Finke. The bride and groom have moved to their new home on a farm near Leland.

### Kendrick Wins a Game

The Kendrick ball team at last won a game. The game was played at Juliaetta last Sunday afternoon and at the end of the ninth inning the score stood 14 to 6 in favor of the Kendrick team. Jones did the twirling for Kendrick and pitched a fine game, striking out twelve men.

The line-up of the team and number of runs made by each player was as follows: Forest c, Jones p, 2, Candee 1st, b, 3, Hill 2nd, b, 1, Bechtol 3rd, b, 1, McCrea ss, 2, Dunkle lf, 2, Compton cf, 2, Bolen rf, 1.

The Juliaetta team was composed of: Clark c, Evans p, C. Carlson 1st, b, E. Carlson 2nd, b, Jordan 3rd, b, Devalt ss, Petrick lf, Talbott cf, Morgan rf.

### Taxes Soon be Delinquent

State, county, municipal, paving, and sewer taxes in Latah county become delinquent the first Monday in July and failure to have remittances in the office of Miss Ruth W. Broman, tax collector, before that time, will surfer delinquency and a penalty of six per cent will be added and the sum will bear 12 per cent interest until paid. Property on which taxes are delinquent will be subject to conversion into tax sale certificates in the name of the county at once and may be sold to individuals. If not redeemed within three years tax deed will be issued by the county.

Practically \$100,000 worth of taxes remain outstanding at this time. Since the first of the year approximately \$3000 has been paid on the second half taxes. The original assessment rolls of Latah county for the past year was \$330,839.86. Prior to January 1, \$220,550.32 was collected. Miss Broman stated that collections were beginning to come in rapidly and she anticipated that before the first of the year that virtually the entire sum due will have been paid.

### There Was an Old Geezer

There was an old geezer and he had a lot of sense. He started up a business on a dollar eighty cents. The dollar for stock and the 80 for an ad, brought him three lovely dollars in a day, by dad! Well, he bought more goods and a little more space, and he played that system with a smile on his face. The customers flocked to his two-by-four, and soon he had to hustle for a regular store. Up on the square, where the people pass, he gobbled up a corner that was all plate glass. He fixed up the windows with the best that he had, and told them all about it in a half page ad. He soon had 'em coming and he never, never quit, and he wouldn't cut down on his ads, one jit. And he's kept things humming in the town ever since, and everybody calls him the Merchant Prince. Some say it's luck, but that's all bunk—why he was doing business when the times were punk! People have to purchase and Geezer was wise—for he knew the way to get 'em was to advertise.—Ex.

Dan Guy went to Spokane Saturday afternoon. He sang in the Boy's Chorus Sunday afternoon. The chorus consists of a thousand voices and the program had to be given at the fair grounds in order to accommodate the large crowd. It was estimated that there were over seven thousand people present. Dan returned Wednesday night.

Burton L. French visited his many friends in Kendrick Thursday afternoon and returned to his home in Moscow this morning. He delivered an address at the Juliaetta picnic Thursday.

## BUSINESS MEN DEFEAT JULIAETTA

Score Stood 16 to 4 at The End of The Game

The Kendrick business men's team proved to be too much for the Juliaetta business men in the game played here last Friday. Kendrick won an easy victory by a score of 16 to 4. The game was a surprise to everybody on account of the few errors made. The week of practice indulged in by the Kendrick team brought good results in the improved manner of play.

Manager Wilcox pulled off some grand plays on second base which were the feature of the game. He was also one of the heavy hitters. Watts played a good game on first base but that was expected as he is a real ball player. The out field played the entire game without an error.

Juliaetta had a good bunch of ball players but they showed a lack of practice and were most too fat to play ball on a day when the thermometer registered one hundred in the shade. Rodgers, the right fielder was the biggest man on either team and if size had anything to do with it, he ought to have won the game all by himself.

Fox, Semmes and Odem pitched for Juliaetta and Ed Petrick caught. Knepper pitched and Thomas caught for Kendrick. Kendrick played Thomas, Watts, Wilcox, Flo, Patton, Dunkle, Porter, Compton, Woody and Knepper. Juliaetta had the following men in the game: Petrick, Fox, Rodgers, Odem, Lintch, Kite, Jordan, Pepple, Semmes, Gullidge, Stuart Compton and Talbott umpired.

### Patriotic Demonstration

Lewiston people are engaged in preparing an immense celebration this year in commemoration of Independence Day, and will especially feature a patriotic parade in which five thousand people will participate. This feature is prepared in view of the National sentiment for preparedness and in view of the general purpose throughout the nation to give emphasis of loyalty to our institutions particularly at this time. Every marcher will carry a flag. This is but one feature of the big program and entertainment which will continue throughout four days, from the 1st of July to the 4th of July, inclusive, with carnival attractions, base ball tournaments, water sports, etc. The railroads have granted special rates to encourage the success of the patriotic demonstration on July 4th.

### Register for Primaries

Under the primary law all persons who did not vote in the November general elections two years ago must register before they will be eligible to vote in the primaries September 5. The registration books will remain open at all times, but must be closed 30 days prior to any election and will not be opened again until such election is held. In the present case those desiring to vote in the primaries must register before August 5, except those who voted in the November election.

The law provides that where a voter is registered in one precinct or county and moves to another that a transfer must be secured showing the change in residence. Registration books will not be open on Sundays or legal holidays. Application to register may be made before any justice of the peace or notary public in the county.
