Jake Grenolds took August Rooks, Ed Pompey, Mr. Silflow and Ed Gertche to Spokane Sunday in the Grenolds car. They registered Monday for a homestead and returned to Kendrick in the evening.

Farm lands have increased 11.5 per cent in value in the past year, as estimated by the Department of Agriculture. The increase is due to the stimulus of war prices for farm products and the rebound from the depression in the cotton states. The young man starting out as a farm owner will have a more difficult start on account of this increase and the older farmer will have an increasing burden to produce a proportionate yield from his farm.
