### Big Advance in Sugar

It has already made two, 25c and 50c, a total of 75c per cwt., since February 17th and from all indications it is going higher.

Now we would like to save you money on your groceries so this is the proposition we offer on Sugar: At any time between now and March 1st, we will book your order and protect you against a further advance and at the same time if a drop should occur, give you the advantage of it. You have everything to gain and nothing to lose.

We urge that you do not let this pass by but takes advantage of the proposition while you have the opportunity.

### Red Tape

Formality, red tape and complicated system have no place in The Red Cross Pharmacy store.

We try to make your trading a pleasure, to make you feel at home and to know that your patronage is appreciated.

We like to think of our patrons as personal friends, rather than just as folks to sell things to.

You are always welcome here, whether you come to buy, just to look around or to rest while waiting for a friend to keep an appointment.

Make yourself at home. The store's accommodations and conveniences are for you to use. The Red Cross Pharmacy. Your store and ours.
