THE WRECKED BANK

Mantains That He Is Innocent and Assists Authorities In Search of Private Vaults of the Bank That Failed

Chicago, Aug. 10.-Cashler Henry W. Herring of the Milwaukee Aven State bank was today taken to the institution he is alleged to have b ruin. Every precaution was used to get him inside of the building with knowledge of persons outside. When once safe inside the bank H immediately began to direct the authorities around to different vaults secret chests. This action on the part of the accused cashier goes still ther to confirm the belief he is inno cent and that the wrecking of the is the work of President Stensland alone.

Herring was arrested yesterday aft ernoon and taken at once to of Chief of Police Collins, and put through a severe examination. But was strenuous in his denials of implication with the president in the ing of the bank and his demeanor so carried out his statements that opinion of the officials is that he is an innocent man. Herring talked freely of the peculiar banking methods of his employer telling of the ch he had suggested to the ever growing list of bad paper that the pr used to cover up his losses by speculation, he adds that as a result of check that Stensland became more cautious and determined to fiee from the exposure that was evidently near at hand. Stensland has been gone more than three weeks and Herring denies any knowledge of his whereab
