A PLEASANT WAY TO TRAVEL

The above is the usual verdict of the traveler using the Missouri Pacific Railway between the Pacific Coast and the East, and we believe that the service and accommodations given merit this statement. From Denver, Colorado Springs and Pueblo there are two through trains daily to Kansas City and St. Louis, carrying Pullman's latest standard electric-lighted sleeping cars, chair cars and up-to-date dining cars. The same excellent service is operated from Kansas City and St. Louis to Memphis, Little Rock and Hot Springs. If you are going East or South, write for rates and full information. W. C.
