

PARKER.

A brand new boy came to the home of Mr. and Mrs. H. A. Grover, on the 18th inst., and a girl at the home of Mr. and Mrs. Ezra Davenport on the 20th. All are progressing nicely.

Mr. Chas. Hjort of Egin and Miss Elnora Moore were married in the Logan temple on the 16th.

The farmers are moving into town now, in order that they may have better school accommodation for the winter.

Thanksgiving day was observed with a dance for the little folks in the afternoon and the big folks in the evening.

Mr. Orden Stoddard son of Lewis Stoddard of this place was taken to Ogden to have an operation performed on his legs. He has been suffering from bruise received two years ago.

W. H. Homer of Oxford, is here as agent for the Utah & Mexican Rubber Co., negotiating for the sale of stock among the farmers. Quite a number have taken advantage of the opportunity and have purchased a block.

C. H. Karlson, our merchant, has enlarged his store building and it gives things quite a business appearance.

Mr. Teru, the Japanese labor contractor, was among the farmers last week making contracts to work next year's beet crop.

E. D. Jones and Chas. Jackson have opened a butcher shop and grocery store.

The output of sugar beets was 12,211 tons. The slicer will be all through by the last of December.

H. E. Jenkins has gone east with a couple of car loads of beef cattle.

The Hegsted, Jensen & Earl Co. have begun the erection of a two story 28x60 building at this place. They will have it ready to do business in the spring.

The Fremont County Journal advocates the re-districting of the county. The people in part of the county are opposed to such a foolish proposition. As the commissioners districts are at present we have a commissioner on this side of the river. If the proposed change was made it might be the reverse. Districts No. 1 and 2 are not divided as they should be; let Rexburg and Salem be put in No. 1, and the rest of the country up the river in No. 2.

Some of our newspaper men are fretting a good deal about the county seat. Well, it is right where it will stay. They put it there and they will keep it there. The bonds were voted down because of their injustice, and not because the people were dissatisfied with it where it is.

WILFORD.

Nov. 30.—The Thanksgiving festivities held in our new school house on the 24th inst., in honor of its completion was fully up to the most sanguine expectation.

F. T. Smith has fitted up the Bartlett store building and made a dance hall out of it to the glee of our youthful denizens.

There are fourteen students from here in attendance at the Rick's Academy at Rexburg at present.

D. W. Cook and party are out prospecting for big game as also are J. W. Black and Jas. E. Stewart.

Much comment is induced from the fact that our roads are yet dry and dusty and the weather is fine.

Miss Millie Bassett of Popular, Ida., is visiting relatives at the home of J. E. Stewart.

John Robb left this morning for Minidoka, where he expects to figure on contract work.

John Nay and family left today for Utah.

M. W. Owens is employed on the press rooms at the sugar factory on the night shifts.

It is much easier for a woman to confide in the average man than in the average woman. She knows that the man will respect her confidences and keep them to himself. He is strong, has more experience of the world and can help the woman who needs advice. There is every reason why women should not trust their delicate constitutions in the hands of unskilled persons. It requires a thorough medical education to appreciate and understand the womanly organism. When a woman has ill and pains that she cannot bear—when life seems dark for every woman, she should confide her troubles to a physician of standing in the community, or one who has a national reputation. Certainly it would not be the part of wisdom to confide in an ignorant person without medical education simply because she was a woman. There is every reason why she should write to some great specialist, one who has made the diseases of women a specialty for a third of a century, like Dr. R. Y. Pierce, founder of the Invalids' Hotel and Surgical Institute, of Buffalo, N. Y. All his correspondence is held sacredly confidential, and he gives his advice free and without charge.

So uniformly successful has Dr. Pierce's Favorite Prescription proven in all forms of Female Weakness, Prolapsus, or Falling of Womb, and Leucorrhoea, that, after curing the worst cases of these distressing and debilitating ailments, Dr. Pierce now feels fully warranted in offering to pay \$500 in cash for any case of these diseases which he cannot cure.

Dr. Pierce's Pleasant Pellets should be used with "Favorite Prescription" whenever a laxative is required.
