AT BURLAND'S

The Man and the Machine

Mr. Alexander T. Brown, inventor of the Smith Premier Typewriter, is unquestionably the foremost writing machine expert of the world. Besides, he is a practical and successful business man. He built the first

Smith Premier Typewriter

not only for handsome and speedy work, but to endure under the severest demands of actual business. The Smith Premier is free from the weaknesses of eccentric, impractical construction, and to-day embodies the latest demonstrated improvements of this typewriter expert. Mr. Brown, as Vice-President of this Company, will continue to devote his entire time and inventive genius to maintain the Smith Premier where it now stands as the

World's Best Typewriter
