

The Times remarks that the depot site is to be at Hailey. It has been selected and ground is to be broken soon.

Yes. We need it to accommodate the expected rush of immigrants from Bellevue and other places, early next spring.

The Delegateship.

We have yet to see one Democratic paper in Idaho Territory, outside of the Democrat, published at Boise City, that supports George Ainslie for Congress.

We would only be too glad to support a good Democrat for the position, but until a better man than Ainslie is put up we will be found working against the head of the ticket.

Idaho, to speak of her as a prosperous Territory, is quite young, and as the Mormons are flocking into our midst to the great detriment of her advancement, now is the time to send an anti-Mormon and anti-monopoly delegate to Congress.
