GRAND PREMIUM OFFER!

A SET OF THE WORKS OF CHARLES DICKENS, In Twelve Large Volumes, Which we offer with a Year's Subscription to this Paper for Our Regular Subscription Price.

Wishing to largely increase the circulation of this paper during the next six months, we have made arrangements with a New York publishing house whereby we are enabled to offer as a premium to our subscribers a set of the Works of Charles Dickens, in Twelve Large and Handsome Volumes, with a year's subscription to this paper, for a trifle more than our regular subscription price. Our great offer to subscribers is as follows: Charles Dickens was the greatest novelist who ever lived. No author before or since his time has won the fame that he achieved, and his works are even more popular to-day than during his lifetime. They abound in wit, humor, pathos, mystery, delineation of character, vivid descriptions of places and incidents, thrilling and skillfully wrought plots. Each book is intensely interesting. No home could be without a set of these great and remarkable works. Not to have read them is to be far behind the age in which we live. The set of Dickens' works which we offer as a premium to our subscribers is handsomely printed from entirely new plates, with new type. The twelve volumes contain the following world-famous works, each one of which is published in a single, well-bound, and absolutely unmarred volume:

DAVID COPPERFIELD, MARTIN CHUZZLEWIT, NICHOLAS NICKELBY, DOMBEY AND SON, BLEAK HOUSE, LITTLE DORRIT, OUR MUTUAL FRIEND, PICKWICK PAPERS, BARNABY RUDGE AND CHRISTMAS STORIES, OLIVER TWIST AND GREAT EXPECTATIONS, THE OLD CURIOSITY SHOP AND THE UNCOMMERCIAL TRAVELER, A TALE OF TWO CITIES, HARD TIMES AND THE MYSTERY OF EDWIN DROOD.

The above are without question the most famous novels that were ever written. For a quarter of a century they have been celebrated in every nook and corner of the civilized world. Yet there are thousands of homes in America not yet supplied with a set of Dickens, the most high cost of the books preventing people in moderate circumstances from enjoying this luxury. But now, owing to the use of modern improved printing, folding and a rolling machinery, the extreme low price of white paper, and the great competition in the book trade, we are enabled to offer to our subscribers and readers a set of Dickens' works at a price which all can afford to pay. Every home in the land may now be supplied with a set of the great author's works.

OUR GREAT OFFER To Subscribers TO THE Weekly Times. We will send the Entire Set of Dickens's Works, in Twelve Volumes, as above described, all postage prepaid by ourselves, also the WEEKLY WOOD RIVER TIMES for ONE YEAR, upon receipt of \$3.00, which is the regular subscription price of this paper. Our readers, therefore, practically get a set of Dickens's works, in twelve volumes, for nothing. This is the grandest premium ever offered. Up to this time a set of Dickens's works has usually been \$10 or more.

Tell All Your Friends That they can get a set of DICKENS'S WORKS, IN TWELVE VOLUMES, with a year's subscription to the WEEKLY WOOD RIVER TIMES, for the small sum of only \$3.00!

Subscribe now and get this great premium. If your subscription has not yet expired, it will make no difference, for it will be extended one year from date of expiration. We will also give a set of Dickens's as above, free and post-paid, to any one sending us a club of three (3) yearly subscribers.

OREGON KIDNEY TEA CURES ALL KIDNEY TROUBLES

Recently the following notice appeared in the San Francisco Chronicle:

"Judge S. had been sick about two weeks, and it was not until the last three or four days that the malady took a serious turn. At the beginning of his illness he suffered from diabetes and stomach disorder. Let the kidney refuse to perform their functions and he passed quietly away. Thus ended the life of one of the most prominent men in California." Like thousands of others his untimely death was the result of neglecting early symptoms of kidney disease.

IF YOU are troubled with diabetes, gravel, or any derangement of the kidneys or urinary organs, don't delay proper treatment until you are forced to give up your daily duties; don't waste your money on worthless treatments and worse plasters, but strike at the seat of the disease at once by using the greatest of all known remedies, the celebrated Oregon Kidney Tea. It has saved the lives of thousands. Why should it not cure you? Try it. Purely vegetable and pleasant to take. \$1.00 a package, 6 for \$5.00.
