OVER 800 SHRINERS WILL CELEBRATE HERE SATURDAY

Blackfoot will be the scene of much merriment, enjoyment and hilarity, next Saturday, October 15th, when the Mystic Shrine will take charge of the city.

Over 800 Shriners will be present for the ceremonies, and 75 Novices will be initiated. About 100 wives of visiting Shriners will be in the party and arrangements have been perfected for their entertainment from 8 a. m. until their departure.

The advance party consisting of four experts arrived in Blackfoot this (Thursday) morning to assist in preparation of the hall.

The Shriners will leave Boise, in their special cars on Friday, October 14th at 4:55 and will arrive in Blackfoot at 8 a. m., and will be welcomed upon their arrival by the Shriners of the City of Blackfoot. The El Korah Temple will bring its own exceptionally good band and the Patrol promises a real show in honor of the Blackfoot candidates and as their new s'unts are rather rough they have engaged all the doctors in the Southeast, and they promise that all wounds, broken bones and burns will be promptly treated.

The Official Program

9 a. m.—Candidates report to Recorder.

Every Noble of El Korah is supposed to act as a reception committee of one to see that the candidates and visiting Nobility receive a true Arab's welcome.

10 a. m.—Band Concert.

Patrol Sports, including Confeering of Master of Reliance Degree.

12 m.—1:30 p. m. Good eats will be served.

2:00 p. m.—Business session.

The Desert Dust contains the following item: "Howard Henderson says there is a woman in Blackfoot who is so thin that when she drinks red lemonade she resembles a thermometer." The ladies of Blackfoot would like to know to whom Howard is referring and several guesses have already been made.

Dr. B. H. Hudson, although a novice, has been appointed local molarisor for the Blackfoot contingent. The initiation ceremonies will be held in the large county warehouse on East Main street.

The Shrine is the "fun" degree of Masonry and can be taken only by Masons who have taken the 32nd degree, or the Order of Knights Templar. It also carries a responsibility to humanity that is ever before him.

The following is a list of the Nobles of Blackfoot, who will have charge of the local affairs of the "pilgrimage":

Berryman, W. F.; Brown, John G.; Chapman, L. J.; Christ, F. C.; Christiansen, James; Collins, L. C.; Chubbuck, W. E.; Early, J. H.; Fehnel, M. H.; Gagon, Geo. F.; Henderson, Howard; Hottel, I. W.; Kennedy, E. M.; McCoy, A. E.; Nelson, Fred; Neumann, Oscar; Patrie, Dr. W. E.; Alex Robertson; Seeger, Fred; Tavey, H. C.; Thoreson, Edward.

We welcome the ceremonial caravan to Blackfoot, and hope your short stay in our midst will be a pleasure to both yourselves and you "slaves" and in "crossing the Burning Sands" may you be a little careful of the welfare of the Blackfoot boys, who are all good fellows.

BOY SCOUTS HOLD UNIQUE PARTY

Last Thursday night the Boy Scouts, Troop 4, held a costume party at the Tech building of the high school which was varied and unusual, it being rather a task to decide on who should receive the prizes. However, they were awarded to Frank Allen, who represented a Spanish character, and to Doris Simons, a Spanish dancing girl. Various games were played and a banquet served. Mr. Beebe, Mr. Anderson and Principal Christensen of the high school were present being invited guests. The Boy Scouts at the banquet table responded to Scoutmaster and Toastmaster Leroy Jones, with appropriate talks and toasts and Mr. Beebe gave the boys a splendid talk that they all enjoyed very much.

The hall was decorated in the national colors.

BAPTIST DISTRICT GATHERING

The recent meeting of the East Idaho Baptist Association, which convened this week in our church was attended by nearly fifty delegates and visitors from other towns. The local attendance was good considering the busy season.

All churches showed encouraging gains in membership and in business standing. Plans are being made for a stronger advance during the coming year.

The pastor will occupy the pulpit Sunday morning with the question "Where Do We Go from Here?" We welcome you also to the Young People's meeting and the Gospel service in the evening.

The progress in Sunday school work is quite encouraging. Better drop in Sunday morning at 10 o'clock.

E. O. BUTLER, Pastor.

BLACKFOOT LADIES RECEIVE DEGREE OF CHIVALRY

On Saturday evening several cars containing Odd Fellows and Rebecas and their families, motored to Pocatello, where the Canton degree of the I. O. O. EAST IDAHO BAPTIST ASSOCIATION

The twenty-seventh session of the East Idaho Baptist Association was held in the Baptist church at Blackfoot, Oct. 9, 10, 11. A splendid program was given and a number of delegates representing churches at Idaho Falls, Arco, Pocatello, Roberts and American Falls were present.

Sunday morning Rev. J. A. Ford, of American Falls, gave a most helpful sermon and Sunday afternoon Mrs. Ford gave an address on "The World's Appeal and Woman's Response." It was indeed splendid. Owing to the train schedules, Rev. Edwin R. Brown, Supt. of Mexican work for home missions, was unable to be present to deliver his address Sunday evening, but Rev. Ford, of American Falls, and Rev. Nicely, of Roberts, gave short addresses on "Prayer," which did not fail to impress the audience as a source of spiritual power.

Monday morning following a devotional service led by Rev. A. V. Willey of Idaho Falls, the pastor of the Blackfoot church gave an address of welcome to the delegates and the visiting members. Rev. Ford, moderator of the association, responded, after which there was a roll call of delegates and verbal reports of the different churches. This was indeed very interesting, for some had done remarkably well during the past year, while others had been struggling hard to accomplish anything beyond normal work. Rev. Minaker led a discussion on "Associational Needs and Outlook," after which the following committees were appointed: nominations, resolutions, enrollment, place and preacher. Monday afternoon was devoted to Sunday school conference, round table discussion, and the standard of excellence as presented by Rev. Shanks state educational director. Monday evening Rev. Frank Manly, of Nellore, India, gave an address on "Our Foreign Mission Task and Its Appeal," which was not only educational but inspirational as well. The conference on "Evangelism" led by Rev. W. L. Black Tuesday morning was rich in thought and methods and was very carefully discussed. The women held their session Tuesday afternoon with Mrs. Butler as leader, and Miss Ayres, and Mrs. Ford as speakers.

The association closed Tuesday evening with a splendid young people's rally and consecration meeting. Rev. Shanks called the roll of the B. Y. P. U. and the young folks of Idaho Falls responded with a song, those from Roberts with a yell, from Pocatello by standing, and Blackfoot by the Philathea battery. Rev. Frank Manly, of Nellore, India, gave an inspirational address on "The Needs of India," having with him an idol worshipped by the

HATS OFF TO SIMEON OWENS

Simeon Owens has demonstrated beyond a doubt his ability as an angler for the filmy tribe and is no more a common fisherman, but has entered the professional fold along with Dr. Hoge and W. T. Sutton.

The story is this: In the early spring the Nell F. Boyle Hardware Company started a contest for the three largest fish caught with fishing tackle from their store, between June 1st and October 15th, and offered as first prize a \$25 fly rod; second prize, a \$12 fish basket, and third prize, a \$11 fly book. The first and second prizes have long been held by Dr. Hoge with a five pound, 15 1/2 oz., and W. T. Sutton with a 5 pound 12 oz.

Last Sunday Simeon ambled down to Snake river and the only implements of warfare he possessed was a 15c line and a 20c spinner. Just how he landed the fish is all a dream, but with the usual good luck that Simeon always has and his strong right arm, there was a loud splash and at his feet landed a 6 pound 15 1/2 oz. trout.

The contest closes next Saturday night, and we feel safe in saying Simeon will be the proud possessor of a brand new shiny fly rod as first prize and Dr. Hoge and W. T. Sutton will have to be content with second and third prizes. The fish was a beauty and was lying the first of the week in the show window of the Nell F. Boyle Hardware Company and was the center of attraction.

A Visit to Your Old Home Town

Don't you wish you could make one? But, of course, you haven't the time. It's a fast world! And it's a long, expensive trip. Perhaps someday!

But just as often as not "some day" never comes and you have to be content with just sending your memory back on a skylarking trip among the ghosts of yesterday. However, those ghosts are very much alive, chances are, and are doing a lot of interesting things you'd like to know about. True, you may be getting letters regularly from mother or father or sister or brother—but they seldom, if ever, mention good old Tom, Dick or Harry. What of them? Somebody knows.

You bet somebody knows! That "somebody" is your Home Town Paper. Why, it's got stories about Tom, Dick and Harry today. You ought to keep in touch with them—and you can! It's easy—
