

A KICK FOR COURTESY.

A whole lot of Democratic papers, for the lack of anything of importance to complain about in President Harrison's administration, have taken up the matter of the removal of Judge Sanford from the Utah bench.

A POLITICAL MOVE.

When the RECORD noticed last week the proposition of the Eureka Sentinel to annex Utah to the State of Nevada, it was supposed that the idea was merely one of Brother Cassidy's occasional slips.

THE GOVERNOR OF THE STATE OF Louisiana, an adjutant of the Louisiana State Lottery, made an ass of himself by ordering out the militia to the artillery on the pretence of attempting to prevent the Sullivan-Kilrain encounter.

Proposals for Work.

OFFICE OF THE CLERK OF THE BOARD of County Commissioners, Lincoln county, Nevada.

In accordance with an order of the Board of County Commissioners of Lincoln County, Nevada, SEALED PROPOSALS will be received in the office of the Clerk of said Board until 10 o'clock A. M., Aug 2, 1889, for the following work to be done on the Court House building, under the supervision of said Board to-wit:

To take down the upper story of the jail building to the floor on the South side, and to within 12 inches of the floor on the North side; roof plates to be then replaced, and a roof of iron put on; with a pitch of 12 inches, water to shed at the southeast corner fully connected with the waste pipe there. Coping to be six inches above the roof, covered also with same quality iron as the roof and to be fastened to 2-inch plates on top of the wall, which shall be bolted to the joist or wall plates immediately below.

To build three (3) stone abutments with good foundations between Court House and Jail to support the front wall of the Jail, at places to be designated. Abutments to be 10 feet square at the bottom and taper to one (1) foot thick at the top, same to be partly built into the wall.

To cover securely the top of the fire walls of the Court House building and down to the iron roofing on the inside, with the same quality of iron used for the Jail roof. To point the outer walls of the Court House and Jail buildings, and to repair with brick the different windows sills of the same. All mortar used throughout to be good lime mortar and the whole work to be done in a workmanlike manner acceptably to said Board, and the premises cleaned of debris.

The whole of said work to be completed within sixty days from the date of acceptance of bid, and payment therefor to be made on or before the first Monday in December, 1889. Contractor to furnish all material necessary, excepting such as is on the ground and can be worked in.

The Board reserves the right to reject any or all bids submitted.

J. C. KELLY, Clerk.
