Doings and Events at Alamo

The 24th day of July is Pioneer Day for Utah, whose history and that of the L. D. S. church is closely connected. The Latter Day Saints, no matter where they are located, have great reverence for this day. The program for the observance of the day this year in Alamo is as follows: Salute at daybreak by captain of the artillery, William Lamb Sr. Parade at 9 a. m. sharp. Program starts at 10:30 sharp. Master of ceremonies, Bishop W. T. Stewart. Music by Caliente band. Singing by the choir, "My Nevada." Prayer by James E. Hansen. Song, chorus, "Come, Come, Ye Saints," by Ada Cox and company. Pioneer talk by Mrs. Annie Riggs. Song, by Mrs. G. Edgar Nesbitt. Recitation by Mrs. Margery Cottam. Music by the string band. Male quartette by Joseph Cox and company. Music by the band. Singing by the choir, "Queen of the West." Prayer by James Hansen. Sports at 2 o'clock. Big ball game between Caliente and Alamo at 4 p. m. Dance for the children, 5 p. m. Big dance for adults in the evening. The committees for the celebration are as follows: Parade—Sumner Stewart, W. F. Thorne, William Lamb Jr., Ernest Higbee, Madge Pace, Mrs. Luna Brown, Mrs. Annie Riggs, Mrs. Mary Stewart, Emma Richard, Mary Stewart, Leola Cutler, Theresa Stewart, Margery Cottam. Finance—George Saxon, Bishop W. T. Stewart, Andy Richard, Earl Wadsworth. Sports—G. Edgar Nesbitt, Timberline Riggs, Omar Stewart, Joseph Foremaster, Alice Richard, Winnifred Cutler, Margery Cottam, Mamie Stowell. The general committee is composed of Winnifred Cutler, Sumner Stewart, W. F. Thorne and Mrs. Madge Pace. Lawrence Bracken, a well-known cattleman of Pine Valley, Utah, was a business visitor here last week. Two Alamo girls were all smiles on account of the arrival of two dashing youths from Panaca. The visitors were Carlyle Wilcox and Lorrain Lee. They were accompanied to Ash spring by Miss Jessma and Miss Mary Stewart. Last Monday Billy Lamb and Ernie Higbee conducted an excursion to Ash spring and a number of the Alamo boys had a fine bath. John W. Wedge has been in Pioche on business of an official nature. The Alamo visitors to Caliente July 5 were as follows: Mr. and Mrs. Leonard Wadsworth, Earl Wadsworth, Theresa Stewart, Ruby Wedge, Thelma Shumway, Evan Davis, Emma Richard, Karl Foremaster, Carlos Stewart, Vern Shumway, Irvin Riggs, Lynn Botts, Vivian Stewart, Dave Stewart, Carl Stewart and Miss Leola Cutler. The Alamo regulars played the Caliente team at the Caliente celebration. The visitors were badly beaten, the score being 12 to 6 in favor of Caliente. Lon Stewart has moved his family to the Prince mine, where he is manager of the Hodges-Cook Mercantile Company's Prince store. Mr. and Mrs. Joseph Ferguson Sr., Mr. and Mrs. Irvin Peterson, Nola Ferguson, Lynn Botts, Jewel Sharp, Pres Lamb, Thelma Shumway and Joseph Ferguson Jr. motored up to "Hell's Half-Acre" Sunday, where they enjoyed themselves kodaking and picnicking. Timberline Riggs is now permanently settled in the valley with his bees, according to Mr. Riggs. The strength of the swarms has been greatly reduced, hot weather and railroad delay being the main reasons for losing a number of the workers. The car which carried the bees from Moapa to Caliente was about fourteen days on the road. The visitors to Ash spring Sunday were Pres Lamb, Jewel Sharp, Nola

Ferguson, Lynn Botts, Mamie Stowell, Thelma Shumway, Joe Ferguson, Mr. and Mrs. Charles Burke, Hazel Burke, Mr. and Mrs. Paul Stewart, Mr. and Mrs. Carl Stewart, Mr. and Mrs. Leonard Wadsworth, Mr. and Mrs. A. J. Richard, Mrs. G. W. Richard, Merlinda Richard and Albert Burke. Mrs. C. Buck and Vernon Jeffcott of Caliente motored over to the valley Sunday for a visit. Amid the high cost of living and other troubles of a like nature Andy Richard is confronted with another serious and difficult problem. No matter how complicated the Ford trouble is, Andy can always work out a solution for it, but cat troubles, as this new menace is, are as yet unsolved. According to Andy the trouble began several weeks ago when someone, supposedly from Alamo, dumped a couple pet kittens in Andy's neighborhood. These have multiplied some and others have generously donated their surplus stock of cats until the total number at the Richard place is about fifteen, with no prospects of a decrease. Let us hope that if people leave any more cats for Mr. Richard to feed they will also be generous enough to send a milk cow and some hay along, so there may be milk for the felines to drink, as they take nearly all that Andy's cow gives. What is the matter with the Hay-seeds? Has the hot weather driven them into seclusion. They were going to tare up the country socially. There

was one dance and next there was to have been a moonlight picnic, which was to be the feature of the season. Perhaps they had it, but there has been nothing said about it. Let us hope that they will come out and make their promise good. Make hay while the sun shines. Mr. and Mrs. Merl Schofield and George Theriot were visitors here Sunday. Irvin Riggs and Peter Granger left here Sunday for Hiko. William Reader was a Sunday visitor in Alamo. George Richard of Hiko was a visitor here Sunday. James Jones has arrived from Caliente, where he has been spending the holidays. Josiah Edwards is a regular visitor nowadays. He drives a new Studebaker Six touring car.
