

No. 3535.  
Notice of Application for Patent

HELENA, Montana, March 4, 1895.

Notice is hereby given that in pursuance of Chapter Six of Title Thirty-Two of the revised statutes of the United States, Henry Elting, whose post office address is Virginia City, Madison county, Mont., has made application to the United States for patent to the following described mining claims and mill-sites, to-wit: The Apex lode claim, the Apex mill site, the Easton lode claim, the Easton Fraction lode claim, the American lode claim, Bonanza lode claim, American and Bonanza mill sites, and the Easy Street lode claim, situated in the Brown's Gulch (unorganized) mining district, Madison county, Montana, containing 83.31 acres, which said claims and mill sites are fully described as to metes and bounds by the official plats herewith posted, and by the field notes of the surveys thereof, now filed in the office of the register of the district of lands subject to entry and sale at Helena, Montana, which field notes of surveys describe the boundaries and extent of said claims on the surface, with magnetic variations 19 degrees 30 minutes east, as follows, to-wit:

Survey No. 4512 A.—Apex lode.—Commencing at corner No. 1, which is the northeast corner of said claim, from which corner the section corner common to sections 3, 4, 33, and 34, in townships 6 and 7 south, range 3 west, bears north 8 degrees 30 minutes east, 5,504.1 feet, thence running south 28 degrees 05 minutes west, 37 feet to corner No. 2, a granite stone 20x8x6 inches 13 inches deep, marked 2-4512 A. Thence north 54 degrees 05 minutes west, 1,500 feet to corner No. 3, a granite stone 24x12x5 inches, 16 inches deep, marked 3-4512 A. Thence north 28 degrees 05 minutes east, 600 feet to corner No. 4, a granite stone 26x14x5 inches, 18 inches deep, marked 4-4512 A. Thence south 59 degrees 05 minutes east, 1133 feet to corner No. 5, intersection of side lines of Ontario lode (unsurveyed), a granite stone 20x14x6 inches, 13 inches deep, marked 5-4512 A. Thence south 28 degrees 02 minutes east, along west side line of Ontario lode, (unsurveyed) 441.6 feet to corner No. 1 and place of beginning, containing an area of 19.68 acres; the presumed general course or direction of the said Apex vein, lode or mineral deposit being shown upon the plat posted herewith, as near as can be determined from the present developments, this claim being for 1500 linear feet thereof together with the surface ground shown upon the official plat posted herewith, said vein, lode and mining premises hereby sought to be patented being bounded as follows, to-wit: On the north by the Ontario (unsurveyed), on the east by the Easton, survey No. 4513 A. Said Ontario claim being owned by Ed. Trout and the heirs of John Trout, deceased, said claim being for 28 feet westerly from discovery shaft, and 1472 easterly from said discovery shaft, along said vein or lode, and said claim being designated as survey No. 4512 A. in the official plat posted herewith.

Also, survey No. 4513 A.—Easton Lode. Commencing at corner No. 1, a granite stone 24x10x5 inches, 16 inches deep, marked 1-4513 A, from whence the corner common to sections 3, 4, 33 and 34 in townships 6 and 7 south, range 3 west, bears north 10 degrees 50 minutes east, 5770 feet; thence south 44 degrees 32 min. east, along south side line of survey No. 4516, 686.8 ft. to corner No. 2, a granite stone 20x16x5 inches, 13 inches deep, marked 2-4513 A. Thence south 28 degrees 05 minutes west, along the northwest end line of survey No. 4517, 371 feet to corner No. 3, a granite stone 20x14x6 inches, 13 inches deep, marked 3-4513 A. Thence north 19 minutes west, 650.7 feet to corner No. 4, a quartzite stone 24x12x6 ins. 16 ins. deep, marked 4-4513 A. Thence north 54 degrees 48 minutes west, 791 feet to corner No. 5, a granite stone 20x8x6 inches, 16 inches deep, marked 5-4513 A. Thence north 28 degrees 05 minutes east, along southeast end line of survey No. 4512 A, 535 feet to corner No. 6, a granite stone 22x14x6 inches, 15 inches deep, marked 6-4513 A. Thence south 54 degrees 48 minutes east, 791 feet to said corner No. 1, place of beginning, containing an area of 16.46 acres; the presumed general course or direction of the said Easton vein, lode or mineral deposit being shown upon the plat posted herewith, as near as can be determined from the present developments, this claim being for 1447.7 linear feet thereof together with surface ground shown upon the official plat posted herewith, said vein, lode and mining premises hereby sought to be patented being designated as survey No. 4513 A in the official plat posted herewith, and is bounded as follows, on the north by the Ontario, (unsurveyed) owned by Ed. Trout and the heirs of John Trout, by the Easy Street, survey No. 4516, and the Middle lode, Ed. Trout and estate of and heirs of John Trout claimants, on the east by the Easton fraction and on the south by the Bonanza, survey No. 4515 A.

Also, survey No. 4514 A.—American Lode.—Commencing at the northwest corner, a granite stone 20x7x5 inches, 15 inches deep, marked 1-4514 A, being corner No. 1, from whence the section corner common to sections 3, 4, 33, and 34 in townships 6 and 7 south, range 3 west, bears north 14 degrees 58 1-2 minutes east, 6174.2 feet, thence south 47 degrees 54 minutes east, along southwest boundary of survey No. 4515 A, 948.6 feet to corner No. 2, a granite stone 20x10x6 inches, 13 inches deep, marked 2-4514 A. Thence south 30 degrees 00 minutes west, 430 feet to corner No. 3, a granite stone 20x9x5 inches, 13 inches deep, marked 3-4514 A. Thence north 58 degrees 13 minutes west, 925 feet to corner No. 4, a quartz stone 20x12x6 inches 13 inches deep, marked 4-4514 A. Thence north 30 degrees 00 minutes east, 600 feet to corner No. 1, place of beginning, containing an area of 10.97 acres, the presumed general course or direction of the said American vein, lode or mineral deposit being shown upon the plat posted herewith as near as can be determined from the present developments, this claim being for 928 linear feet thereof together with surface ground shown upon the official plat posted herewith, said vein, lode and mining premises hereby sought to be patented being designated as survey No. 4514 A in the official plat posted herewith and is bounded as follows, on the north by the Bonanza claim, being survey No. 4515 A, on the southeast by the Bullion, claimants unknown, on the northwest by the Loan, claimants unknown.

Also, survey No. 4515 A.—Bonanza Lode.—Commencing at corner No. 1, a granite stone 20x7x5 inches, set firmly in the ground and marked 1-4515 A, from whence the corner to sections 3, 4, 33 and 34, townships 6 and 7 south, range 3 west, bears north 14 degrees 58 1-2 minutes east, 6174.2 feet running thence south 47 degrees 54 minutes east, along the north boundary of survey No. 4514 A, 948.6 feet to corner No. 2, a granite stone 20x10x6 inches set firmly in the ground, marked 2-4515 A. Thence south 48 degrees 51 minutes east, 47 feet to corner No. 3, a granite stone 20x12x5 inches, 13 inches deep, marked 3-4515 A. Thence north 28 degrees 05 minutes east, 167 feet

to corner No. 4, a granite stone 20x14x6 inches, set firmly in the ground, marked 4-4515 A. Thence north 58 degrees 19 minutes west, along southwest boundary of survey No. 4513 A, 656.7, to corner No. 5, a quartzite stone 24x12x6 inches set firmly in the ground, marked 5-4515 A. Thence north 54 degrees 48 minutes west, along the southwest boundary of survey No. 4513 A, 791 ft. to corner No. 6, a granite stone 24x8x6 inches set firmly in the ground, marked 6-4515 A. Thence south 28 degrees 05 minutes west, 136 feet to corner No. 7, a pine post 4 1-2 inches square, 4 feet long 2 feet deep, marked 7-4515 A. Thence south 61 degrees 13 min. east, 471.8 feet, to corner No. 8, a quartz stone 20x8x6 inches 13 inches deep, marked 8-4515 A. Thence north 30 degrees 00 minutes east, 76 feet, to corner No. 1, place of beginning, embracing an area of 2.98 acres; the presumed general course or direction of said Bonanza lode, vein or mineral deposit being shown upon the plat posted herewith as near as can be determined from the present developments, this claim being for the length of vein and surface ground as shown upon the official plat posted herewith, said vein, lode and mining premises hereby sought to be patented being designated as survey No. 4515 A, in the official plat posted herewith, and is bounded as follows, to-wit: On the south by survey No. 4514 A, and the Loan and Bullion claims (unsurveyed), claimants unknown; on the north by survey No. 4513 A, and on the east by survey No. 4517.

Also, survey No. 4516.—Easy Street Lode.—Commencing at corner No. 1, a granite stone 24x10x5 ins. marked 1-4516 set firmly in the ground, from which corner common to sections 3, 4, 33 and 34, townships 6 and 7 south, range 3 west, bears north 10 degrees 50 minutes east, 5770 ft.; thence north 54 degrees 48 minutes west, along the 6th course of survey 4513 A, 705 feet to corner No. 2, a pine post, 4 1-2 inches square 4 feet long, 2 1-2 feet deep, marked 2-4516; thence north 7 degrees 38 minutes east, 676 feet to corner No. 3, a granite stone 20x15x7 inches, 13 inches deep, marked 3-4516; thence south 49 degrees 30 minutes east, 1046.9 ft. to corner No. 4, a granite stone 20x8x6 in. 13 inches deep, marked 4-4516; thence south 7 degrees 38 minutes west, 631.5 feet to corner No. 5, a quartzite stone 20x11x4 inches, 13 inches deep, marked 5-4516; thence north 44 degrees 32 minutes west, along north boundary of survey No. 4513 A, 322 feet to corner No. 1, place of beginning, containing an area of 12.79 acres, the presumed general course or direction of said Easy Street Lode, vein or mineral deposit being shown upon the plat posted herewith as near as can be determined from the present developments; this claim being for the length of vein and surface ground as shown upon the official plat posted herewith, said vein, lode and mining claim hereby sought to be patented being designated as survey No. 4516 in the official plat posted herewith, and is bounded as follows, to-wit: on the north west by the Ontario (unsurveyed), both claims belonging to Ed. Trout and the heirs of John Trout, on the south by survey No. 4513, No known claims on the north.

Also, survey No. 4517.—Easton Fraction Lode. Commencing at corner No. 1, which is corner No. 2 of survey No. 4513 A, a granite stone, 20x16x5 inches, firmly set in the ground, marked 1-4517, from which the corner common to sections 3, 4, 33, and 34 in twps. 6 and 7 south, range 3 west, bears north 5 degrees 35 1-2 minutes east, 6186.2 ft. thence south 53 degrees 23 minutes east, 65 feet to corner No. 2, a granite stone 20x10x3 inches, 13 inches deep, marked 2-4517; thence south 28 degrees 05 minutes west, along northwest end line of Spratt Lode, (unsurveyed), 338 feet to corner No. 3, a quartz stone 21x8x5 inches, 14 inches deep, marked 3-4517; thence north 53 degrees 23 minutes west, 65 feet to corner No. 4, which is also corner No. 3 of survey No. 4515 A, a granite stone 20x12x5 inches set firmly in the ground, marked 4-4517; thence north 28 degrees 05 minutes east, along south end line of survey No. 4515 A, 338 ft. to corner No. 1, place of beginning, containing 0.79 acres; the presumed general course of said Easton Fraction vein, lode or mineral deposit being shown upon the plat posted herewith as near as can be determined from the present developments; this claim being for the length of vein and surface ground as shown upon the official plat posted herewith: said vein and lode and mining premises hereby sought to be patented being designated as survey No. 4517 in the official plat posted herewith, and is bounded as follows, to-wit: on the northwest by survey No. 4513 A, on the south by the Bullion, claimants unknown, on the east by the Spratt, claimants unknown, on the north by the Middle, claimants Ed. Trout and the heirs of John Trout.

Also, survey No. 4512 B. Apex mill-site. Commencing at the northwest location corner, corner No. 1, a granite stone 20x13x8 inches, 13 inches deep, marked 1-4512 B, from whence the corner common to sections 3, 4, 33 and 34 in twps 6 and 7 south, range 3 west, bears north 8 degrees 30 minutes east, 2859.6 feet; thence south 28 degrees 05 minutes east, 587 feet to corner No. 2, a quartzite stone 21x12x5 inches, 14 inches deep, marked 2-4512 B; thence south 14 degrees 45 minutes west, 382 feet to corner No. 3, a quartzite stone 20x12x3 inches, 13 inches deep, marked 3-4512 B; thence north 58 degrees 05 minutes west, 587 feet to corner No. 4, a quartzite stone 20x12x5 inches, 13 inches deep, marked 4-4512 B.; thence north 14 degrees 45 minutes east, 382 feet to corner No. 1, place of beginning, containing an area of 4.92 acres; the extent of said Apex mill-site and the surface ground embraced therein being shown upon the official plat posted herewith, said mill-site claim hereby sought to be patented being non-mineral and designated on the official plat posted herewith as survey No. 4512 B. There are no adjoining claims.

Also, survey No. 4513 B. Easton mill-site. Commencing at the southwest location corner, which is also corner No. 3, of survey No. 4514 B, a quartzite stone 22x16x5 inches 13 inches deep, marked 1-4513 B, which is corner No. 1, from which the 1-4 section corner between sections 17 and 8, twp. 6 south range 3 west, bears north 792 feet, thence north 528 feet, to northwest corner, a granite stone 23x12x8 inches, 16 inches deep, marked 2-4513 B, thence east, 660 feet, to northeast corner, granite stone 20x6x4 inches, 13 inches deep, marked 3-4513 B; thence south, 132 feet to southeast corner, a granite stone 20x6x6 inches, 13 inches deep marked 4-4513 B; thence south 59 degrees 02 minutes west, 769.7 feet to place of beginning, containing an area of 5 acres; the extent of said Easton mill-site and the surface ground embraced therein being shown upon the official plat posted upon said claim, said mill-site claim hereby sought to be patented being non-mineral land and designated on the official plat posted on said claim as survey No. 4513 B, the adjoining claims are the American Mill-site, survey 4514 B, on the south, and Mineral entry No. 259, German Bar Plume Co., applicants on the west.

Also, survey No. 4515 B. American Mill-site. Commencing at the southeast location corner, which is corner No. 1, a quartzite stone, 25x12x7 inches, 17 inches deep, marked 1-4515 B, from which corner the 1-4 section

corner between sections 8 and 17, twp. 6 south, range 3 west, bears south 45 degrees 00 min. west, 933.4 ft. thence west 660 ft. to corner No. 2, a granite stone 20x8x8 ins. 13 ins deep, marked 2-4515 B, thence north, 132 feet to north west location corner, corner No. 3, a quartzite stone 22x16x5 inches, set firmly in the ground, marked 3-4515 B, thence north 50 degrees 02 minutes east, 769.7 feet along the south boundary of survey 4513 B, to northeast corner, corner No. 4, a granite stone 20x6x6 in. set firmly in the ground, and marked 4-4515 B, thence south 528 feet to place of beginning, corner No. 1 containing an area of 5 acres; the extent of said American mill-site and the surface ground embraced therein being shown upon the official plat herewith posted upon said claim; said mill-site claim hereby sought to be patented being non-mineral land, and designated upon the official plat posted on said claim as survey No. 4515 B; the adjoining claims are the Easton mill-site on the north, and Mineral entry No. 259, German Bar Plume Co., Applicants, on the west and south.

Also, survey No. 4515 B. Bonanza Mill-site. Commencing at the southwest location corner, corner No. 1, a quartzite stone 20x12x5 inches, 13 inches deep, marked 1-4515 B, from whence the corner common to sections 3, 4, 33 and 34, twps 6 and 7 south range 3 west, bears north 10 degrees 50 minutes east, 5770.5 feet, thence south 47 degrees 25 minutes east, 500 feet to corner No. 2, southeast location corner a granite stone 20x6x6 inches, thirteen inches deep, marked 2-4515 B, thence north 28 degrees 06 minutes east, 484 feet to northeast location corner, corner No. 3, a granite stone 20x8x3 inches 13 inches deep, marked 3-4515 B, thence north 53 degrees 27 minutes west, 428 feet to corner No. 4, a granite stone 23x8x6 inches, 16 inches deep, marked 4-4515 B, thence south 36 degrees 18 minutes west, 428.2 feet to place of beginning; containing an area of 4.78 acres, and the surface ground embraced therein being shown upon the official plat posted herewith on said claim; said mill-site claim hereby sought to be patented being non-mineral land and designated upon the official plat posted on said claim as survey No. 4515 B, there are no adjoining claims; all of which said claims and mill-sites heretofore described are of record in the office of the county clerk and ex-officio recorder of deeds of the County of Madison, State of Montana.

Any and all persons claiming adverse interests in any of the mining ground, veins, lodes, premises and mill sites or any portion thereof so described, surveyed, platted and applied for, are hereby notified that unless their adverse claims are duly filed in accordance with law, and the regulations thereunder, within the time prescribed by law with the register of the United States land office at Helena in the State of Montana, they will be barred in virtue of the provisions of said statute.

No. 3541.  
Notice of Application for United States Patent.

HELENA, Montana, April 2, 1895.

Notice is hereby given, that in pursuance of Chapter Six of Title Thirty-two of the revised statutes of the United States, Henry Elting, whose post office address is Virginia City, Madison County, Montana, has made application to the United States for patent to the following described mining claims and mill-sites, to-wit: The Pacific lode claim, the Rolland lode claim, the Emery lode claim, and the Snow Drift lode claim, situated in Brown's Gulch (unorganized) mining district, Madison county, Montana, containing 71.11 acres, which said claims and mill-sites are fully described as to metes and bounds by the official plats herewith posted, and the field notes of the surveys thereof, filed in the office of the register of the district of lands subject to entry and sale at Helena, Montana, which field notes and surveys describe the extent and boundaries of said claims and mill-sites, on the surface, with magnetic variation 19 degrees 30 minutes east, to-wit:

Pacific lode—survey No. 4522 A. Commencing at corner No. 1, southwest location corner, a granite stone 20 by 8 by 4 inches, 13 inches deep, marked 1-4522 A, from which the corner common to sections 3, 4, 33 and 34, townships 6 and 7 south, range 3 west, bears north 6 degrees 12 1-3 minutes west, 10,054.6 feet, thence running north, 13 degrees 39 minutes west, 1500 feet to corner No. 2, a quartz stone 20 by 10 by 7 inches, 13 inches deep, marked 2-4522 A; thence north 79 degrees 54 minutes east, 365 feet to corner No. 3, a quartzite stone 20 by 8 by 4 inches, 13 inches deep, marked 3-4522 A; thence south 9 degrees 42 minutes west, 870 feet to corner No. 4, a granite stone 20 by 13 by 3 inches, 13 inches deep, marked 4-4522 A; thence south 11 degrees, 15 minutes east, 642.7 feet to corner No. 5, a granite stone 20 by 10 by 6 inches, 13 inches deep, marked 5-4522 A; thence south 79 degrees 54 minutes west, 360 feet to place of beginning, containing an area of 14.88 acres, the presumed general course or direction of said Pacific lode, vein or mineral deposit being shown upon the official plat posted herewith as near as can be determined from present developments, this claim being for length of vein and surface ground as shown upon the official plat posted herewith, said claim hereby sought to be patented being non-mineral land, (unsurveyed) claimants, unknown, and the Emery, survey No. 4524, on the south by survey No. 4524, no claims on the west, and on the north by Utah Northern, unsurveyed, claimants unknown.

Also Rolland lode—Survey No. 4523 A: commencing at corner No. 1, northeast location corner, a granite stone 20 by 14 by 9 inches, 13 inches deep, marked 1-4523 A, from whence the corner common to sections 3, 4, 33, and 34, townships 6 and 7 south, range 3 west, bears north 9 degrees, 45 minutes west, 10,527.9 feet; thence south 13 degrees, 39 minutes east, 1500 feet to corner No. 2, southeast location corner, a quartzite stone 22 by 8 inches, 15 inches deep, marked 2-4523 A; thence north 86 degrees 57 minutes west, 600 feet to corner No. 3, southwest location corner, a quartz stone 24 by 12 by 5 inches, 16 inches deep, marked 3-4523 A; thence north 13 degrees, 39 minutes west, 1500 ft. to corner No. 4, northwest location corner, a granite stone 20 by 12 by 3 inches, 13 inches deep, marked 4-4523 A; thence south 86 degrees, 57 minutes east, 600 feet to corner No. 1, place of beginning, containing an area of 19.79 acres; the presumed general course or direction of said Rolland vein, lode or mineral deposit being shown upon the official plat posted herewith as near as can be determined from the present developments, this claim being for length of vein and surface ground as shown upon the official plat posted herewith; said claim hereby sought to be patented being non-mineral land, (unsurveyed) claimants, unknown, on the north by the Emery, survey No. 4524, no other known claims.

Also Emery Lode.—Survey No. 4524: Commencing at northwest location corner,

a granite stone 20 by 13 by 3 inches, set firmly in the ground, from whence the corner common to sections 3, 4, 33 and 34, townships 6 and 7 south, range 3 west, bears north 7 degrees 50 1-3 minutes west, 936.2 feet, and marked 1-4524; thence south 86 degrees 57 minutes east, 482 feet to corner No. 2, a granite stone 22 by 8 by 6 inches, 15 inches deep, marked 2-4524; thence 0 degrees 14 1-2 minutes west, 1046.3 feet to corner No. 3, southeast location corner, a granite stone 20 by 14 by 9 inches, set firmly in the ground, marked 3-4524; thence north 86 degrees 57 minutes west along north end line of survey No. 4523 A, 600 feet to corner No. 4, a granite stone 20 by 12 by 3 inches, set firmly in the ground, marked 4-4524; thence north 4 degrees 02 minutes east, 371.1 feet, to corner No. 5, a granite rock in place, 2 by 1 1-2 feet above ground, marked (x) 5-4524; thence north 79 degrees 54 minutes east, along south end line of survey 4522 A, 225 feet, to corner No. 6, a granite stone 20 by 10 by 6 inches, set firmly in the ground, marked 6-4524; thence north 11 degrees 15 minutes west, 642.7 feet to corner No. 1, place of beginning, containing an area of 11.52 acres, the presumed general course of said Emery Lode, vein or mineral deposit being shown upon the official plat posted herewith as near as can be determined from the present developments, this claim being for length of vein and surface ground as shown on the official plat posted herewith, and is bounded on the south by Rolland Lode, survey No. 4523 A., on west by Pacific Lode, survey No. 4522 A., on north by Brown Lode unsurveyed, claimants unknown.

Also Snow Drift Lode, survey No. 4525: Commencing at northeast location corner, corner No. 1, a quartz stone 30 by 10 by 10 inches, 20 inches deep, from whence the corner common to sections 3, 4, 33 and 34, townships 6 and 7 south, range 3 west, bears north 11 degrees 15 minutes west, 12076.4 feet; thence north 86 degrees 57 minutes west, 792 feet to corner No. 2, a granite stone 30 by 12 by 12 inches, 20 inches deep, marked 2-4525; thence south 47 degrees 47 minutes east, 1200 feet to corner No. 3, a granite stone 21 x 6 x 3 inches, 16 inches deep marked 3-4525; thence south 86 degrees 57 minutes east, 792 feet to corner No. 4, a quartz stone 30 by 8 by 8 inches, 20 inches deep, marked 4-4525; thence north 37 degrees 47 minutes west, 1200 feet to corner number 1, place of beginning, containing an area of 6.31 acres, the presumed general course and direction of said Snow Drift vein, lode or mineral deposit being shown upon the official plat posted herewith as near as can be determined from the present developments, this claim being for length of vein and surface ground as shown on the official plat posted herewith, and is bounded on the north by Rolland, survey number 4523 A, no other known claims.

Also—Pacific Mill-Site, survey number 4522 B.—Commencing at corner number 1, southwest location corner, a quartz stone 20 x 12 x 5 inches, 13 inches deep, marked 1-4522 B, from whence the section corner common to sections 3, 4, 33 and 34, townships 6 and 7 south, range 3 west, bears north 6 degrees 12 minutes west, 7955.2 feet; thence north 18 degrees 00 minutes west, 614 feet to corner number 2, a granite stone 20x10x5 inches, 13 inches deep, marked 2-4522 B; thence north 57 degrees 54 minutes east, 357 feet to corner number 3, a granite stone 22 by 13 by 2 inches, 15 inches deep, marked 3-4522 B;—thence south 18 degrees, east, 614 feet to corner number 4, a granite stone 21 by 10 by 4 inches, 14 inches deep, marked 4-4522 B; thence south 57 degrees 54 minutes west, 357 feet to corner number 1, place of beginning, containing 4.88 acres, and the surface ground embraced therein being shown upon the official plat posted herewith on said claim; the adjoining claims being the Utah Northern, unsurveyed, claimants unknown on the west, and survey number 4523 B, on the south, and said claim being non-mineral land.

Also the Rolland mill-site, survey No. 4523 B.—Commencing at the southwest location corner, corner No. 1, a granite stone 20 by 8 by 3 inches, 13 inches deep, marked 1-4523 B, from which the corner common to sections 3, 4, 33, and 34, townships 6 and 7 south, range 3 west, bears north 8 degrees 00 min. west, 850 feet; thence north 25 degrees, 06 minutes west, 614 feet to corner number 2, a quartz stone 20 by 12 by 5 inches, set firmly in the ground, marked 2-4523 B; thence north 57 degrees, 54 minutes east, 357 feet to corner number 3, a granite stone, 21 by 10 by 4 inches, set firmly in the ground, marked 3-4523 B; thence south 7 degrees, 02 minutes east, 672.7 feet, to corner number 4, a quartz stone 22 by 10 by 5 ins., 15 ins. deep, marked 4-4523 B; thence south 57 degrees, 54 minutes west, 137 feet to corner number 1, place of beginning, containing an area of 3.53 acres; the surface ground embraced therein being shown upon the official plat herewith posted on said mill-site claim; the said mill site being non-mineral ground, and the adjoining claims being the Brown lode, unsurveyed, claimants, unknown, on the east, the Utah Northern lode, unsurveyed, claimants unknown, on the west, the Pacific mill-site, survey number 4522 B, on the north.

All of said mining claims and mill-sites herein and heretofore described are on record in the office of the clerk and ex-officio recorder of deeds of the county of Madison, State of Montana.

Any and all persons claiming adverse interests in any of the mining ground, veins, lodes, premises, and mill-sites or either of them or any portion thereof so described surveyed, platted and applied for, are hereby notified, that unless their adverse claims are duly filed in accordance with law and the regulations thereunder within the time prescribed by law with the register of the United States land office at Helena, Montana, they will be barred in virtue of the provisions of said statute.

No. 3528.  
Application for Patent.

U. S. LAND OFFICE AT  
HELENA, Montana, Feb. 11, 1895.

Notice is hereby given, that Alexander McKay, whose postoffice address is Virginia City, Madison county, Montana, has this day filed his application for a patent for 1376 linear feet of the Concentrator vein or lode with surface ground 532 to 547 feet in width, and 1487 linear feet of the Agitator vein or lode with surface ground 547 feet in width, the same being adjoining claims and situated in Ramshorn, unorganized, mining district, Madison county, Montana, and designated in the official field notes and plat on file in this office, as surveys Nos. 4463 and 4466, embracing a portion of Twps. 4 and 5 south of range 4 west of the principal meridian; said surveys Nos. 4463 and 4466 being described as follows, to-wit:

The Concentrator lode, survey No. 4463: Beginning at the southeast location corner, a granite stone 24x10x8 inches, set 16 inches deep, marked 1-4463, for corner No. 1, from which the northeast corner of section 2, in township 5 south range 4 west, bears north 75 degrees 41 minutes east 837.6

feet dist; thence from said corner No. 1 north 7 degrees 17 minutes east 1279.3 feet to corner No. 2, the northeast location corner; thence 57 degrees 31 minutes west, 532 feet to corner No. 3, the northwest location corner; thence south 7 degrees 51 minutes west 1375 feet to corner No. 4, the southwest location corner; thence survey, 35.96 degrees 31 minutes east 547 feet to corner No. 1, the place of beginning, embracing an area of 15.46 acres.

The Agitator lode, survey No. 4466: Beginning at the northeast location corner, which is also corner No. 1 of survey No. 4463 above described, and marked 1-4466, for corner No. 1 of this claim, and running thence south 24 degrees 30 minutes west 1487 feet to corner No. 2; thence north 57 degrees 31 minutes west 547 feet to corner No. 3; the southwest location corner; thence north 24 degrees 30 minutes east 1487 feet to corner No. 4, the northwest location corner, which is also corner No. 4 of said survey No. 4463; thence south 57 degrees 31 minutes east 547 feet to corner No. 1, the place of beginning, embracing an area of 15.46 acres, total area claimed in both surveys, 35.96 acres, embracing a portion of townships 4 and 5 south range 4 west, magnetic variation in all courses at 19 degrees east.

Notices of the location of said mining claims are recorded in the office of the recorder of said Madison county at pages 467 and 486, respectively, of book 28, of the recorder of said county.

The only adjoining and conflicting claim is survey No. 736, Placer, Lot No. 38, conflicting with said survey No. 4465, the Concentrator lode, the ground in conflict being claimed by this applicant.

Any and all persons claiming adversely any portion of said mining claims and surface ground, are required to file their adverse claims with the register of the United States land office at Helena, in the State of Montana, during the sixty days publication of this notice, or they will be barred by virtue of the provisions of the statutes.

No. 3539.  
Application for Patent.

U. S. LAND OFFICE AT  
HELENA, Montana, March 26, 1895.

Notice is hereby given, that Alexander McKay, whose post office address is Virginia City, Madison county, Montana, has this day filed his application for a patent for 1500 linear feet of the Geel lode, 1500 linear feet of the Matchless lode and 533 linear feet of the North Star lode, with surface ground 600 feet in width on each of the said lodes—the same being adjoining claims, and situated in Ramshorn, unorganized, mining district, Madison county, Montana, and designated in the official field notes and plat on file in this office, as surveys Nos. 4467, 4468 and 4469, embracing a portion of township 1, south of range 3 west of the principal meridian; said surveys Nos. 4467, 4468 and 4469 being described as follows, to-wit:

The Geel lode, survey No. 4467: Beginning at the northeast location corner, a quartzite stone, 21 x 10 x 8 inches, set 16 inches deep, marked 1-4467, for corner No. 1, from which the corner common to townships 4 and 5 south, ranges 3 and 4 west, bears 8 degrees, 53 minutes W., 509.2 feet distant, and corner No. 2, of survey No. 1441, the Humburg Placer, bears N. 68 degrees, 13 minutes E. 45 feet distant; thence from said corner No. 1, S. 68 degrees, 13 minutes E. along south end line of Humburg Placer, 676.4 feet to corner No. 2 of this claim; thence S. 5 degrees, 43 minutes W. 717 feet to corner No. 3; thence S. 13 degrees, 02 minutes W. 783 feet to corner No. 4; thence N. 68 degrees, 13 minutes E. 290 feet to corner No. 5; thence N. 10 degrees, 20 minutes E. 753.9 feet to corner No. 6; thence N. 5 degrees 43 min. E. 717 feet to corner No. 1, the place of beginning, excepting and excluding therefrom all that part of the surface within the above described boundaries which is in conflict with said survey No. 1441, the Humburg Placer; the net area hereby claimed being 15.68 acres.

Survey No. 4468, the Matchless lode. Beginning at the southeast location corner, a granite stone, 28x12x8 inches set 19 inches deep, marked 1-4468, for corner No. 1, from which the corner to said townships 4 and 5 south, ranges 3 and 4 west, bears S. 53 degrees, 31 minutes W. 5176.1 feet distant; said corner being also corner No. 1 of survey No. 4469, the North Star lode; thence from said corner No. 1, S. 65 degrees, 13 minutes W. 707.7 feet to corner No. 2, which is also corner No. 2 of said North Star lode; thence N. 10 degrees, 14 minutes E. 1500 feet to corner No. 3, set on the south end line of said survey No. 4467, the Geel lode; thence N. 68 degrees, 13 minutes E. along the south end line of said Geel lode, 707.7 feet to corner No. 4; thence S. 10 degrees, 14 minutes W. 1500 feet to corner No. 5, the place of beginning; excepting and excluding therefrom all that part of the surface within the above described boundaries which is in conflict with said survey No. 1441, the Humburg Placer; the net area hereby claimed being 20.35 acres.

The North Star lode, survey No. 4469. Beginning at the northeast location corner, which is also corner No. 1, of survey No. 4468, the Matchless lode above described, marked 1-4469 for corner No. 1 of this claim and running thence S. 65 degrees, 13 minutes E. 707.7 feet to corner No. 2, being also corner No. 2 of said Matchless lode; thence N. 10 degrees, 14 minutes W. 553 feet to corner No. 3, thence N. 68 degrees, 13 minutes E. 707.7 feet to corner No. 4, thence S. 10 degrees, 14 minutes W. 1500 feet to corner No. 5, the place of beginning, excepting and excluding therefrom all that part of the surface within the above described boundaries which is in conflict with surveys No. 532 A and 532 B, placer; the net area hereby claimed being 4.68 acres. The total net area in all of said claims being 40.71 acres, embracing a portion of unsurveyed T. 4 S., R. 3 W., with magnetic variation in all courses at 19 degrees, 45 minutes east.
