Wonderful Success of the Bond Issue Means Much to Trade.

Treasury Put on a Safe Basis Whether Congress Acts or Not.

Foreign Investments in American Securities Stimulated.

New York, Feb. 10.—R. G. Dun & Co.'s Weekly Review of Trade says: The wonderful success of the popular loan alters the face of events. The influence of this event upon all manufacturing and all trade cannot be lightly estimated. It strips the silver agitation of all its power to hurt. It puts the treasury on a safe basis for the time whether congress does anything useful or not. It notifies foreign nations that the United States have power as well as purpose. It unlocks millions of gold which have been gathered in preparation, brings directly several millions of gold from Europe and stimulates the anxiety of foreign investors to obtain American securities.

Additional Favorable Influences are found in heavier bank clearings, continued firmness of prices, sustained demand for iron and steel, and the announcement from St. Paul, Milwaukee, Omaha and Des Moines of a revival in business with jobbers in staple lines. At the East, Baltimore and Pittsburg report favorable trade conditions. At the South, gains in wholesale lines are announced from Nashville, Memphis, Atlanta and Birmingham. General trade at Chicago, St. Louis, Buffalo and Philadelphia shows no real gains from the preceding week, when the situation was quiet, even to dullness, and the outlook unsatisfactory.

SULTAN TO THE QUEEN.

Abdul Hamid Says the Turks Were Attacked in Their Mosques. CONSTANTINOPLE, Feb. 10.—The sultan has replied to the autograph letter of Queen Victoria, and which it has been understood, was a personal appeal to the better nature of the sultan against the condition of Asia Minor, sympathizing with her in the same humane sentiments expressed, and declaring that the reports of the massacres were spread by evil disposed persons. The sultan adds that, contrary to the allegations, it was the Turks who were first attacked while praying in the mosque. Continuing, the sultan has assured the queen that the measures taken have succeeded in restoring order, that except at Zeitoun, quiet prevails everywhere and that the negotiations going on with the insurgents of Zeitoun will undoubtedly lead to the inhabitants resuming their avocations.
