

# CORNELL THE WINNER

**Captured the Eight-Oared Collegiate Boat Race on the Hudson.**

**Harvard Was Second, Pennsylvania Third and Columbia Fourth.**

**Time of the Victorious Crew a Record-Breaker for the Distance.**

POUGHKEEPSIE, N. Y., June 29.—The Harvard, Cornell, Columbia, Pennsylvania 4-mile straightaway boat race on the Hudson was won by Cornell's eight in the phenomenal time of 19 mins., 29 secs.; Harvard second, Pennsylvania third and Columbia fourth.

Cornell won the freshmen race two days ago, in which the order of finishing was strangely the same. The race was a hard one for two miles, but after that Cornell had it its own way. Harvard tried their old scheme of tiring out Cornell at the start, but failed. Cornell rowed a clean race.

**Without a Break of Any Kind.**

Pennsylvania splashed and rowed badly and Columbia, for some unknown reason, was not in the race after the first quarter mile. The Harvard crew rowed pluckily but was outclassed. The conditions were favorable. The water was smooth, the wind undisturbing and the ebb tide in favor of very good time.

It is estimated that 30,000 persons saw the race. The observation train carried 3,000 and 5,000 were on yachts and other vessels. Many Philadelphia, Boston, Brooklyn and New York society people witnessed it from private yachts.

**WILL FIGHT TO A FINISH.**

Corbett and Sharkey Sign Articles of Agreement.

SAN FRANCISCO, June 29.—James J. Corbett and Thomas Sharkey have signed articles for a fight to a finish to take place within six months in the United States or Mexico before the club offering the best inducements. The contest is for the world's championship and a side bet, the winner to receive the \$20,000 besides the purse to be offered by the club. Marquis of Queensberry rules will govern the contest and the referee is reminded by the articles that the rules prohibiting clinching and hugging are to be strictly enforced. Neither pugilist is to participate in any contest until after a fight is decided. Lynch, Sharkey's backer, who represented the sailor, objected to the prohibition of clinching, but Corbett insisted, and, after much wrangling, it was finally agreed to by Lynch.

**CREES SENT TO CANADA.**

Army Officers Who Deported Them May Be Arrested for Contempt.

GREAT FALLS, MONT., June 29.—Chief Little Bear and his followers have been sent back to Canada by a special cattle train. The move was in direct conflict with the orders of the district court of Cascade county. Major Sammo and Lieutenant Pershing, on whom the writ of habeas corpus was served, have appeared before Judge Benton claiming lack of jurisdiction in the matter of the state courts. Both may be arrested for contempt.

**Honored the Prince of Wales.**

ABERYSTWITTH, Wales, June 29.—In honor of the visit to this port of the Prince and Princess of Wales and their daughters, on the occasion of the installation of the prince as chancellor of the University of Wales, the town and port were brilliantly decorated and crowded with visitors. The installation took place in a large marquee where there was a great assemblage of university dignitaries, prelates, municipal officers and others.

**Trial of Actor Gentry.**

PHILADELPHIA, June 29.—The trial of James B. Gentry, an actor, accused of murdering Madge Yorke, an actress, has closed. The jury retired at 9:30 o'clock and court adjourned until morning. Several witnesses testified to Gentry's excited and flighty condition prior to and after the murder, while almost an equal number swore they saw him before and after the murder, but detected nothing unusual in his conduct.

**Held for Robbing Mails.**

HURON, S. D., June 29.—Frank King, Edward Baxter and Thomas J. Wallace, all well known crooks, were committed to jail here, in default of \$1,000 bail each, for robbing the Highmore postoffice. Wallace is said to be a Chicago crook who has headed a gang of safe crackers in this state and North Dakota for the past year.

**Curtailling Production.**

PROVIDENCE, R. I., June 29.—Three of the leading print mills have signed the agreement to curtail the production of print cloths. It is undecided whether to shut down alternately weeks in July and August or all of July and run through August.
