Six games won out of seven played, is a pretty good record for the past week. Two of the games were forfeited games though. The one at Parkersburg for the failure of the Parkersburg team to appear on the grounds and the one with Ashland, because manager Lauterborn refused to get out of the game after being ordered to do so by the umpire.

The Parkersburg team went to pieces last Saturday, the players with the exception of Ridgley, Chambers and Stroh, returning to their homes. It is said that the reason for the disbanding of the team was that they were in arrears with their salary. The team was reorganized again at Charleston, with Chambers as manager and will finish out the season. The local team left Wednesday morning for Charleston, where they will play a series of five games. Now is our chance to pull the proud Charleston bunch out of first place. The following is the games by innings, since our last issue.

MAYOR GAYNOR

OF NEW YORK SHOT BY DISCHARGED EMPLOYE

New York, Aug. 9.—William J. Gaynor, mayor of New York, was shot in the head and seriously wounded today as he stood on the promenade deck of the steamship Kaiser Wilhelm der Grosse by James J. Gallagher, a discharged and disgruntled city employe.

Gallagher was almost instantly overpowered and arrested. The shot was fired this morning, fifteen minutes before the Kaiser Wilhelm der Grosse was due to leave her pier at Hoboken, N. J. and the mayor was receiving god-speed from a group of friends preparatory to his vacation trip to Europe. The bullet struck him behind the right ear and ranged downward inflicting a dangerous, though not necessarily fatal wound. Unless blood poison develops the surgeons are hopeful of the mayor's recovery, although at his age 59, such a wound is essentially grave. Tonight the mayor is at St. Mary's hospital, at Hoboken, surrounded by specialists and with members of his family gathered near waiting the outcome with anxiety. All early reports from the hospital are hopeful in tone and this evening six X-ray negatives of the wound were taken to facilitate the operation for the removal of the bullet.

Gallagher, the would-be assassin, is locked in a cell at Jersey City, held without bail. He expresses no remorse.

MARRIAGE LICENSES.

The following marriage licenses have been issued since our last report.

JENNINGS-DEEM.

A quiet wedding was solemnized last Thursday evening, at the parsonage of the Presbyterian church, by Rev. Baxter, when Mr. Frank Jennings and Miss Lettie Deem took upon themselves the bonds of holy matrimony. Mr. Jennings came here from Cincinnati, about two years ago, and has been in the employ of the Heslop Machine Works ever since. He is a fine young man, of many sterling qualities. Miss Deem was, up to the time of her marriage, the efficient chief operator at the local telephone exchange, the period of her service being something over five years, in all of which time she made many friends by her courteous bearing, and strict application to her work.

A host of friends are wishing them a future crowned with health, happiness and prosperity. They will board for a time, after which they will furnish their own home.

INSURGENTS WON EASILY.

Des Moines, Ia., August 8.—Republican Iowa wrote herself vigorously progressive yesterday at the Convention which was in an uproar most of the time, when Senator Cummins and Dooliver and the insurgent delegation at Washington were enthusiastically endorsed.
