Houghton's German Bitters.—These celebrated Bitters, prepared by Dr. C. M. Jackson, 120 Arch street, Philadelphia, are performing astonishing cures throughout the whole country. We can bear witness to their curative powers in the case of a friend of ours who had the Liver Complaint, and who had tried almost every other medicine, but without effect. After taking a few bottles of these Bitters he was entirely cured. To those who are similarly afflicted we recommend them to make the preparation, knowing that they will cure the disease spoken of, and many others, which flesh is heir to.—There is a spurious article made in Philadelphia. COMMUNICATED. Died.—At her residence near Buckhannon, Upshur county, Va., on the 22d ult., Mrs. ANS M. FARNSWORTH, wife of Daniel D. T. Farnsworth, in the 29th year of her age. The deceased was the daughter of Mr. John Gibson, near Clarkeburg, Va. Her illness was of short duration, and her departure quite unexpected. She has left a devoted husband and four small children, as well as a large circle of relatives and Christian friends to mourn their irreparable loss. Sister Farnsworth was a consistent and exemplary member of the Baptist Church at Buckhannon, and truly beloved by all who knew her for her amiable disposition and christian virtues. She embraced the religion of Christ, about seven years since and gladly took up her cross and followed Christ. Her life was even, her piety deep toned, and her confidence in Christ unshaken even amidst the pains of death.—She was sensible of her departure for two or three days prior to her death, and she called her dear family to her bedside, and with that calm, confiding trust in God which had always characterized her christian course, committed them one by one to the mercy and grace of God, pointing them to the "Lamb of God who taketh away the sin of the world," repeating the stanza: "How happy are they Who their Saviour obey, And whose treasures are laid up above. Tongue cannot express The sweet comfort and peace Of a soul in its earliest love." And without an intervening cloud, and the constellation of glorious promises gilding her future, her light clad spirit sped its pinions for the sky. Her day was short, her life fragrant, and her end perfect tranquility. Truly "blessed are they that die in the Lord." O that we all may die as he! A FRIEND. *Clarksburg papers please copy.

WISTARS' BALM OF WILD CHERRY.

Houghton's German Bitters.—These celebrated Bitters, prepared by Dr. C. M. Jackson, 120 Arch street, Philadelphia, are performing astonishing cures throughout the whole country. We can bear witness to their curative powers in the case of a friend of ours who had the Liver Complaint, and who had tried almost every other medicine, but without effect. After taking a few bottles of these Bitters he was entirely cured. To those who are similarly afflicted we recommend them to make the preparation, knowing that they will cure the disease spoken of, and many others, which flesh is heir to.—There is a spurious article made in Philadelphia. The only place to get the genuine article is 120 Arch street, Philadelphia, of Dr. Jackson, or his agents throughout the country. [Inclw.]
