To Country Merchants.

MR. S. S. KNOX having withdrawn from the firm of McClellen, Knox & Co., the remaining partners have associated with them Mr. Chester D. Knox, (brother of S. S. Knox,) so long and favorably known in the trading public—assuming the style of McClellen and Knox.

They would respectfully inform their old customers (who have so long and liberally sustained them) and all other dealers in Boots and Shoes, that their Fall Stock will be arriving from the 10th to the last of September.

Having been selected with the greatest care and bought for cash, they flatter themselves that in their Fall Stock of Boots and Shoes they can hold out inducements in quality and prices superior to any ever offered in the market. To Country Merchants on their way east, they would be pleased to exhibit their stock, and post them in prices, fearlessly challenging a comparison with the merchants of Baltimore and Philadelphia. MEDICINAL.

The Nonpareil Nerve and Bone LINIMENT,

PREPARED BY H. H. CARR & CO., FROM A PRESCRIPTION FURNISHED BY DR. WATSON CARR, OF WHEELING, LATE OF MORGANTOWN.

It is based upon the broad principle that any remedy which will relieve an external pain, will, if properly compounded, be equally successful in removing interior affections; a power which is beautifully illustrated in the operation of the

NONPAREIL LINIMENT.

ARE YOU SUFFERING

FROM Rheumatism, Sore Throat, Croup, Difficult Breathing, Tooth-Ache, Tic Doloreux, Pain in the Breast or Side, Strain or Spasm, Head-Ache, Inflammation, Stiff Joints, Cuts, Bruises, Poison Vines, Fever Sores, Pain or cramp in the Stomach, Cholera Morbus, Cholera Infantum, Colic, Lame Back, Chilblains, bites of Poisonous Insects or Rabid Dogs, Ague-cake, Acne in the Face or Face, burns, bruises, chafing, chapped hands, Corns, Contractions of the Muscles, Sounds, Boils or Carbuncles, Muscular weakness, Paralysis, Piles, Ear Ache, Ulcers, Salt Rheum, Scurvy, Sore Nipples, Sore Lips, Venereal Sores, Scarlet Fever, or any similar disease, you may rest assured that in this article you have

A SOVEREIGN REMEDY,

which not only removes pain almost instantaneously, but penetrates to the seat of and entirely

ERADICATES THE DISEASE.

Some will laugh at the idea of any composition curing such a number of diseases; but if you but reflect that these diseases, though numerous in name, all arise from similar causes, the proposition will seem less extravagant; but were it ten times more marvelous than it is, which stare us in the face, would force the candid to acknowledge its merits; for all who have used it themselves, or witnessed its *magic* effects on others, unite in declaring it just what its name (Nonpareil) indicates, *the best Liniment known.*

TO THOSE WHO SHRINK.

Have you never noticed the striking similarity between many external and internal diseases having entirely different names? And has it never occurred to you that a remedy might be prepared which should be equally applicable to both? This remedy is now offered you in the COMPANION LINIMENT, which does not insult your understanding by claiming to have been found in some *burning mountains of Mexico or mighty caves of the earth*, but is simply the *Nonpareil* in Science; being mild and simple in its action and yet revealing in its effects a power almost incredible,—reaching the most hidden sinews of man or beast,—and yet being innocuous to the weakest infant. It is also by far the *cheapest* Liniment in the market, being put up in bottles *twice as large as* the majority, and one-fourth larger than the largest, besides being more than *four times as strong*; we therefore offer it to you with pride and confidence, as an article exactly suited to the wants of rich or poor, high or low.

The unprecedented size in which the Nonpareil Liniment is put up, and the vast expense of the materials used in it, makes it impossible for us to pay for the printing of the hundreds of certificates we are constantly receiving, but we deem it necessary, as the article wherever it is used will certify for itself.

We would however refer those afflicted ones who have so often been gulled by forged certificates and big assertions to the following names, which are of so well known persons whose character for candor and veracity needs no panegyric from us, and who having fully tested its virtues in the different diseases for which it is recommended, are prepared to speak of its merits as it deserves.

Sold in Wheeling by the proprietors Caldwell, T H Logan & Co, W. R. McKee, Patterson & Co, and by the principal Druggists of Virginia, and Pennsylvania.

From the Fairmont (Va.) Republican.

AN INVALUABLE MEDICINE.—It is but seldom we find among the many remedies offered to the public for the cure of disease, one we can consent to commend, or whose virtues we are able to discover, and have always seduously avoided giving utterance to anything that might lead any one to suppose that we place any faith in their pretensions. But with reference to a remedy manufactured in this place, and which has become as familiar to the public as household words, we speak from knowledge of its intrinsic excellencies, its adaptation to many of the ills of life, and the security with which it may be used. We speak of the Nonpareil Nerve and Bone Liniment, prepared by H. H. Carr & Co., from a prescription furnished by Dr. Watson Carr, late of Morgantown, and now of Wheeling, Va. This Liniment is based upon the broad principle that any remedy which will relieve external pain, will if properly compounded, be equally efficacious in removing internal affections, a principle that has been successfully developed.—It is simply the offspring of Science, being mild and simple in its action, and yet revealing in its effects a power more incredible, reaching the most hidden sinews of man and beast—and yet being innocuous to the weakest infant.—It is also by far the *cheapest* Liniment in the market, being put up in bottles twice as large as the majority, and one-fourth larger than the largest, besides being more than four times as strong. We commend it to those in want of a safe and certain remedy.

DR. HUNTER'S MEDICAL MANUAL OR MAN'S BOOK OF LIFE AND ASSISTANT—Containing an outline of the origin, progress, treatment and cure of every form of disease, contracted by promiscuous sexual intercourse, by self abuse, or by sexual excess, with advice for their prevention, written in a familiar style avoiding all medical technicalities, and every thing that would offend the ear of the most fastidious; the result of upwards of twenty years successful practice, exclusively devoted to the cure of diseases of a delicate or private nature.

To which is added, receipts for the cure of the above diseases, and a treatise on the causes, symptoms and cure of Asphyxia, and Apoplexy. Price 25 cents a copy; six copies one dollar; will be forwarded to any part of the United States, by mail, free of postage Address, postage paid, Camden & Co., Publishers, or box 196, Post Office, Philadelphia.

"It is a work, without exception, the most comprehensive and intelligible work published, on the class of diseases of which it treats. Avoiding all technical terms, it addresses itself to the reason of its readers. It is free from all objectionable matter, and no parent, however delicate, should object to placing it in the hands of his sons. The author has devoted many years to the treatment of the various complaints treated of, and 'with no little breath to puff,' and 'too little presumption to impose,' he has offered to the world at the merely nominal price of 25 cents, a work of more than ordinary value, and of a most practical character."—*Herald.*

'No teacher or parent should be without the knowledge imparted in this invaluable work. It would save years of pain, mortification and sorrow to the youth under their charge.'—*People's Advocate.*

—A Presbyterian clergyman in Ohio, in writing of 'Hunter's Medical Manual,' says: 'Thousands upon thousands of our youth, by evil example and the influence of the passions, have been led into the habit of self-pollution without realizing the sin and fearful consequences upon themselves and posterity. Many of the constitutions of thousands who are raising families have been enfeebled, if not broken down, and they do not know the cause or the cure. Any thing that can be done so to enlighten and influence the public mind as to check, and ultimately to remove this wide-spread source of misery and death, would confer the greatest blessing next to the religion to Jesus Christ, on the present and coming generations. Intemperance, (or the use of intoxicating drinks,) though it has slain thousands upon thousands, is not a greater scourge to the human race. Keep it constantly in the hands of the afflicted, and believe me, your co-worker in the good work you are so actively engaged in.'

One copy will be forwarded (securely enveloped and postage paid,) on receipt of 25 cents, or six copies for $1. Address, COSDEN & CO., Publishers, Box 196, Philadelphia.

ERUPTIVE DISEASES.

IT has now become a settled fact, acknowledged by the best Physicians of our city, that in the cure of Scrofula, Tetter, and many other Eruptive Diseases, that SARSAPARILLA AND DANDELION, is decidedly above all other preparations. It speaks for itself whenever used; and although we have never taken the pains of having it published through the papers, or appointing agents for the sale of it, yet we are almost weekly receiving orders from Vermont, New York, Ohio, Kentucky and other States, by persons, who by some chance means have heard of its wonderful curative powers. The following is from a gentleman of Vermont a few days since, who used it for a very serious disease:—

DEAR DOCTOR:—

The two bottles of medicine I got from you when in Wheeling, have nearly cured me; please send me some more by Express.

Yours Respectfully

It is now prescribed by nearly all the Physicians of our city, not as a quack medicine, for we have made them acquainted with the component parts; and we now say to all such as we have not the opportunity of making it known to, that it is entirely free from all minerals, and is not in the least incompatible with any of the preparations of Iodine, Fowler's solution, or other properties.

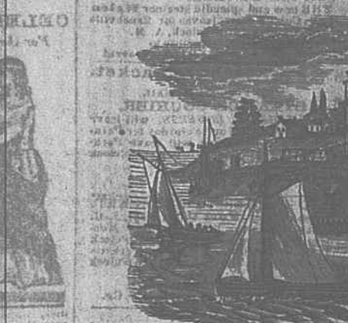
MEDICINAL.



$500 CHALLENGE.

WHATEVER concerns the health and happiness of the people, is at all times of the most valuable importance. Take it for granted that every person will die all in their power to save the lives of their children, and that every person will endeavor to promote their own health at all sacrifices. I feel it my duty to solemnly state to the PUBLIC, according to the opinion of its most celebrated Physicians, are the primary causes of a large majority of the diseases to which children and adults are liable. If you have an appetite continually changing from one kind of food to another, Bad Breath, Pain in the Stomach, Sick Headache, Nausea, Heartburn and Fullness of the Belly, Dry Cough, Slow Fever, Pulse Irregular—remember that all these depute WORMS, and you should at once apply the remedy—

HOBENSACK'S WORM SYRUP,

An article founded upon Scientific Principles, compounded with purely Vegetable substances, being perfectly safe when taken, and can be given to the most tender infant with decided beneficial effect. Where Bowel Complaints & Diarrhœa have made them weak and debilitated, the tonic properties of my Worm Syrup are such that it stands without an equal in the catalogue of medicines, in giving tone and strength to the Stomach, which makes it an infallible remedy for those afflicted with Dyspepsia, the astonishing cures performed by this Syrup after Physicians have failed, is the best evidence of its superior efficacy over all others.

THE TAPE WORM.

This is the most difficult worm to destroy of all that infest the human system, it grows to an almost indefinite length, becoming so coiled and fastened in the intestines and stomach, effecting the health so deeply as to cause a Vital Decay, etc., that those afflicted seldom if ever suspect that it is a Tape Worm that is hastening them to an early grave. In order to destroy this Worm, a very energetic treatment must be pursued, it would therefore be proper to take 6 or 8 of my Liver Pills at night, as to remove all obstructions from the Liver and system. Worm Syrup may act direct upon the Worm, which must be taken in doses of two table spoonfuls three times a day. These directions followed have never been known to fail in curing the most obstinate case of Tape Worm.

DIRECTIONS, THE FOLLOWING:

And you cannot be indifferent to this appeal. Humanity calls upon you to do your duty. It is only one out of the many thousands who has seen its wonderful effects.

Dr. J. N. Hobensack,—Sir—Gratitude to you, the inventor of a highly valuable medicine, prompts this humble testimony in its favor, as being a safe, gentle, yet powerfully effectual remedy for Worms. Having had much experience in knowing the effects of various preparations, my wife, who was well skilled in administering to the wants in diseases, pronounced it the best she had ever used, and would use no other while yours could be had. A daughter of ours became seriously diseased. Her symptoms were alarming, but her mother at once sought out a remedy for Worms. Having obtained yours, by the time she had taken half a bottle, it gave an effection, she mother, to see the improvement in her child, she being about five or six years old. She passed an immense quantity of Worms, her sickly countenance now brightened, her spirits returned, and in a short time a lovely child, threatened with decline as it really now gave promise of health. Thanks to a kind Providence whose blessing attended your Syrup, restored the child. With confidence I recommend it to all parents whose children are suffering with Worms.

JAS. B. BOWEN, Minister of the Gospel,
Late Pastor of the Southampton Baptist Church.

HOBENSACK'S LIVER PILLS.

No part of the system is more liable to disease than the LIVER, it serving as a filterer to purify the blood, or giving the proper secretion to the bile, so that any wrong action of the Liver effects the other important parts of the system, and results variously in Liver Complaint, Dyspepsia, etc., etc. We should, therefore, watch every symptom that might indicate a wrong action of the Liver. These Pills being composed of Roots and Plants furnished by nature to heal the sick, namely: 1st, an Expectorant which augments the secretion from the Pulmonary mucous membrane, and promotes that unhealthy secretion, 2d, an Alterative, which changes in some inexplicable and insensible manner the certain morbid action of the system. 3d, a Tonic, which gives tone and strength to the nervous system, renewing health and vigor to all parts of the body. 4th, a Cathartic, which again in perfect harmony with the other ingredients, and operating on the bowels, and expelling the whole mass of corrupt and vitiated matter, and purifying the blood, which destroys disease and restores health.

TO FEMALES.

In obstructions either total or partial, they have been found of inestimable benefit, restoring their functional arrangements to a healthy action, purifying the blood and other fluids so effectually to put to flight all complaints which may arise from female irregularities, as headache, giddiness, dimness of sight, pain in the side, back, etc., and offered the public as the best Pills to all diseases, upon the following

Dr Hall's Celebrated Pulmonic Elixir

FOR the permanent cure of coughs, colds, consumption, bronchitis, asthma, influenza, croup, whooping cough, inflamation of the bronches and hoarseness, caused by public speaking and all affections of the organs of respiration.

Warranted the pleasantest and best medicine for diseases of the lungs ever sold in America!

In presenting this medicine to the public, we have the satisfaction to know that we not only present them with an invaluable antidote for the class of diseases it professes to cure, but one which is perfectly harmless in its effects upon the constitution, as can be administered with safety to the most delicate female, for it contains none. The fact, that a large portion of the suffering, and death throughout the country, is caused by disease of the organs of respiration, consequent upon exposure and cold, has induced us to put it within the reach of every individual who may need a remedy that has proved itself so invaluable.

This medicine is the result of a long experience, and study of those diseases of the lungs which are so frequent in our changeable climate; and we claim it to be in advance of all medicines ever before discovered for those peculiar complaints, a decided improvement upon all, and consequently superior to all others.

We shall make no extravagant assertions of its efficacy in curing diseases, like the venders of too many nostrums, who deceive all who trust them, nor shall we hold out any inducements which experience does not justify.

If patients will persevere in the use of our medicine, and use it as directed, they will be cured in every instance that it is not beyond the power of medicine. There are numerous persons now enjoying the blessings of health and renewed life, as it were, who otherwise would have long since been gone, but for the timely and persevering use of this invaluable remedy, which is pressed to the lips of the unfortunate victim of consumption, but we know it to be better adapted to the various diseases of the respiratory organs than any other Medicine ever offered to the public. All we ask is a trial, and in every instance, if used freely according to the directions, and if perfect satisfaction is not given, the money will be returned.
