THE PROPRIETORS take great pleasure in expressing THE PROPRIETORS take great pleasure in expressing their thanks for the grantfying and unprecedented success which have marked the career of their Institution since its establishment at the Capital, and stimulates them to renewed exertions to meet, in the most epicient manner, the rapidly increasing demand for a practical stude comprehensive course of mercunitle treating. The great practical experience of the Principal, in heavy Banking and Commercial Houses, assisted by educated and accomplished gentlemen has enabled him to bring to a degree of perfection a system of COUNTING ROOM instruction, by oral exercises, NOT ATTAINED BY ANY OTHER INSTITUTION. Each student, by this new process, is drilled at the DESK, individually, step by step, until be has mastered the whole routine of an Accountant's duries as theroughly as though he had served an apprenticeship in some large Commercial House; and thus all swkwardness; faltering, and egregious blunders are, in a great measure, dissipated.

In addition to our engagement of accomplished Assistants, we have also secured the services of some of themost eminent Lecturers in Ohio, to lecture on commercial tooles.
