Ds. Aven: Your Pills are the perfection of medicine. They have done my wife more good than I can tell you. Bhe had been sick and pining away for months. Went off to be doctored at great expense, but got no better. She then commenced taking your Pills, which soon cured her, by expelling large quantities of worms (dead) from her body. They afterwards cured her and our two children of bloody dysentary. One of our neighbors had it had, and my wife cured him with two doess of your Pills, while others around us paid from five to twenty dollars doctors' bills, and lost much time, without being cured entirely even then. American Wines and Brandy. CHRISTING CATAWRA, (Quarts and Fints.) The rival of French Champagne.
TILL CATAWBA, Corresponding to German Hock Wines.

CATAWBA BRANDY, Distilled from Catawha Wine.—
Strictly pure; for medical purposes unrivalled.

DIRECTIONS.

Keep the Wines in a Advisorial position, and in a cellar fan even temperature.

In coold weather the SPARKLING WINES should be kept perature of about 70 degrees, so that the Wines are well rarmed through. Toe should never be used in SPARKLING CATAWBA WINES, for it injures their aroma and flavor, and dilutes the Wines, thus destroying their character. The Wines are too sensitive to bear los.

237 In offering the above Wines to the notice of the American public, we desire to assure all persons who may purchase them hat they are the strictly Puns 39000 or the CATAWBA GRAPA. Free from any and every form of saulter atton, and containing no sleohol excepting that which results from the natural process of fermentation.

The SPARKLING CATAWBA is not made to intrats any foreign article whatever; but it is designed to be just what it ent.
The STILL WINE is highly esteemed by Medical men as a most admirable tonic for Invalida, and for Sacrimerral purposes it is wholly unexceptionable.

The BRANDY made from the Catawha Grape differs in a material degree from ordis ary French Brandy of course; but at the same time it possesses all those qualities which should characterize a superior article of this aind; and when it is desired to have a strictly pure Brandy for medicinal or is desired to have a set of the over estimated.

They have also finished their 3d and 3d increase for stales rooms, particularly adapted to the sale of Carpeling and place goods, which with their Basement story, which they have used as a sales room for "ps goods" for the past two years, gives them a store equal in capacity to one room \$40 feet long by \$11 feet wide—being mearly, as large as any other three Retail houses in the city, and equal to many of the first class jobbing house in the East. In relation to our stock, we would say that it is farmed prior to any we have ever before brought to Wheeling, octling more than \$50,000.

We invite particular attention to our stock of Fine Dress Goods, which is surpassed by none in the West—our stock of Silvs alone, being more than \$50,000.
