### NEW YORK WOMAN'S HOTEL.

Within a year the long-talked-of woman's hotel in New York will be in actual operation. The last of the money needed has now been secured, the plans for the building will be drawn up at once and work commenced.

The balance of the \$400,000 which it had been estimated would be needed for the hotel was subscribed at 7 o'clock last night. According to the agreement upon which the money was solicited, the entire sum had to be in hand by midnight January 1.

The hotel when finished will cost about \$800,000. A mortgage will secure the balance over the subscribed stock. The design is to build a hotel which will furnish to self supporting women accommodations such as are now found at hotels of the class of the Fifth Avenue. Board will be provided at a minimum of \$7 a week.—New York Journal.

An unknown woman has provided funds with which to establish a woman's university in Berlin. It

is to begin with 50 students, who intend to become journalists, librarians or museum attendants.

"Yes," said the returned volunteer, "we were often forced to skirt a native town during a drenching rain."  
"Sort of a rainy day skirt!" giggled the girl who shops without an umbrella.—Chicago News.

### Encouraging Words for Others.

"My gratitude for the benefit received from Dr. Miles' Nervine prompts me to write, that others may learn of the efficacy of this grand medicine. I suffered extreme nervous exhaustion, which rendered me unable to work. My nerves seemed to be on edge, and I had much lassitude. I began taking Dr. Miles' Nervine and steadily improved and now am enjoying good health."
