The Laredo Times of last Saturday says: "J. E. Applewhite has received a new and fine motor cycle. He expects to make a trip on it to Brownsville in the near future."

This is St. John, the Baptist's day. There is a saying that it always rains here on this day, but indications up to early this afternoon were anything but favorable for rain.

John W. Maxey, a Houston capitalist, is at the Miller hotel, and incidentally sizing up Brownsville. Thus far, the city is proud of herself, so we feel sure Mr. Maxey will be pleased.

We will receive a choice selection of fresh goods by the Manteo. See list of the goods to arrive in another column. Ruthven & Ford.

July 4th. will be the eleventh birthday of THE DAILY HERALD, and we extend a cordial invitation to all our readers to pay all arrears on subscriptions and advertisements by that date, so we may begin the twelfth volume square with the world.

The contract has been signed for building the Lott railroad. You can save enough to pay your donation by buying groceries now of Ruthven & Ford.

The friends of Mrs. Woodhouse are much pleased to learn that her son Edwin, who has been under treatment by a specialist at San Antonio, has been greatly benefited, and is now expected to recover entirely. Edwin is now at Boerne with his sisters, Mrs. Kleiber and Miss Maude Woodhouse, but all three will leave there in a few days for Saltillo to spend the remainder of the summer.

We carry an extensive and well assorted stock of groceries, and carry them home for you when you make a purchase—free delivery. Ruthven & Ford.

The land bonus for the Lott railroad is now assured, only a few land owners are missing, but by Saturday every acre required, we are confident, will be transferred to the railroad company. As to the money bonus, it is being pushed, but it is not all subscribed yet. It must be secured. It would be a stigma on Brownsville's reputation as a progressive city for this donation to fall through that would damn the place to everlasting disrepute and shame. Citizens! we can't afford to let this small bonus fail of materializing.

We are having the longest and very warmest days of the year. Do not take too long walks; just come to our store to buy your groceries; that will be sufficient exercise. Ruthven & Ford.

Some miscreant a few days ago poisoned a pretty little black spaniel belonging to Louis Cowen. It was an unusually intelligent dog, and Mr. Cowen and his family sincerely grieve for its loss. As he was quite harmless, there was no excuse for such a cruel act. Louis Kovalski's children are also mourning the loss of a pet dog which was also poisoned by some malicious person. In both instances it is thought the poison was given to the dogs in the yard of their owners.

Pickles, olives, pineapples, okra, tomatoes, Java blend coffee, Eagle jams, Duchess preserves, celluloid starch, cheese, butter, "Force" Horse Shoe and Natural Leaf chewing tobaccos are a few of the new goods received on the Manteo. Ruthven & Ford.

A number of complaints have been heard concerning some gates that are situated on the main road a few miles out of town towards Alice. While it is contrary to law to maintain gates on a county road, yet travelers along the route would not object to these gates so strenuously, if it were not for the fact that they are exceedingly hard to open. In bad weather especially, it is almost impossible at times to budge them, and the fact that a puddle of mud and water surrounds them at such times serves to aggravate the case. Farmers and others traveling that way have complained to the county authorities, and it is hoped the latter may see to it that the matter is remedied.

In response to the usual special invitation a representative of THE HERALD attended the hop given last evening at the grand opera house in Matamoros by the Union club. Several other Brownsville people also attended, but as the party did not get home until about 4 o'clock p. m., further notice of the event will have to be deferred until tomorrow. Maybe by another day THE HERALD man will have recovered sufficiently from the effect of the magnetic darts from the eyes of the beautiful señoritas who graced the ball room that he will be able to give a clear report of the affair. His cardiac apparatus is in a bad way today, but it will probably be recuperated by tomorrow, and a suitable report be submitted.

STARTLING EVIDENCE.

Fresh testimony in great quantity is constantly coming in, declaring Dr. King's New Discovery for Consumption Coughs and Colds to be unequalled. A recent expression from T. J. McFarland, Bentonsville, Va., serves as example. He writes: "I had Bronchitis for three years and doctored all the time without being benefited. Then I began taking Dr. King's New Discovery, and a few bottles wholly cured me." Equally effective in curing all Lung and Throat troubles, Consumption, Pneumonia and Grip. Guaranteed by J. L. Putegnat & Bro., Druggists. Trial bottles free regular sizes 50c. and \$1.00

MRS. HELENA BLAU,

Young Milwaukee Society Woman.

THIRTY thousand cured women have written to tell how Wine of Cardui bestows the blessing of health on every woman who takes it, rich and poor alike. Mrs. Helena Blau, No. 123 Seventh Street, Milwaukee, Wis., is one of the young women whom Wine of Cardui has rescued from a life of suffering. She writes:

Mrs. Helena Blau.

The woman who has suffered from female weakness should do anything within reason to secure health. Wine of Cardui is the medicine that appeals to reasonable women—women who hold operations and cutting in horror—women who know that Nature is the best physician. Wine of Cardui gives women back their health by giving Nature a chance to build up the wasted and diseased tissue. Wine of Cardui regulates the menstrual flow and Nature, when relieved of the drains or of the poisons in the system, makes the functional organs strong and healthy again.

"Wine of Cardui is certainly 'women's best friend' and I am pleased to give my experience with it. A few months ago I caught a severe cold, having been out in inclement weather, which settled all over me, particularly in the abdomen. I was in almost constant pain. I consulted a physician and took his medicine for a month and without any relief. I then decided I would try your medicine and it was a lucky day for me when I did so. I noticed a change in a few days and felt encouraged to continue taking Wine of Cardui, and my patience was rewarded, for in two weeks my pains had left me and I felt like a new woman."

Any woman who is silently suffering untold pains because she is too sensitive to undergo a physician's examination and treatment can find no excuse for not securing relief when Wine of Cardui is offered to her. There is no publicity to deter her. She can take Wine of Cardui in the privacy of her home, with as much assurance of a final cure as though a dozen doctors recommended it. Many physicians do recommend Wine of Cardui to their patients.

Why not get a \$1.00 bottle of Wine of Cardui from your druggist today?
