A party of prospectors from Wichita, Kan., composed of Chas. E. Mull, J. S. Dixon, G. D. Glass, E. L. Shafer and Dr. F. S. Atwell arrived last night and are registered at the Rio Grande Hotel. The party are here for the purpose of looking over the country with a view of investing and locating in the valley.

Several of the young men of the city propose to give an amateur entertainment either at the Celford theater or the Matamoros opera house at an early date, the funds derived from the entertainment to be used in either starting a public library for Brownsville or to be given to the public school library fund.

Efforts are being made to secure a team to play with the local aggregation on next Saturday and Sunday as a preliminary to the coming series with Bay City scheduled to take place the 5th, 6th, and 7th of May. The first game, May 5th, will be played in the morning, as there will be a bull fight in Matamoros in the afternoon.

The necessary money to ship the remains of F. Brewer, the negro who on last Friday afternoon was killed by Officer Marcellus Dougherty, has been raised by the citizens of Brownsville, the amount being \$115.90. The remains were forwarded this afternoon on the 4:15 train by undertaker Burt E. Hinkley to Sally Brewer, a sister of the deceased, at Atlanta, Ga.

Will Be Married.—Tonight at eight o'clock, in Nuevo Laredo, Tamaulipas, Mexico, William E. Donnelly of the immigrant inspectors' force, who is stationed at Brownsville, will be married to Miss Margarita Centeno, daughter of Mrs. Matilde D. de Centeno, of the former city. The religious ceremony will be performed at the Catholic church in New Laredo, and the civil ceremony will take place immediately after at the home of the bride elect. Immediate-

ly after the ceremony, the couple will leave for Brownsville where they will make their home for the present.

A Handsome Testimonial.—Rev. L. R. Burress, the popular pastor of the First Baptist church, is the proud possessor of a handsome new surrey and horse, which he was enabled to purchase through the liberality of the admiring members of his congregation. The reverend doctor appreciates the affection and esteem which prompted the act even more perhaps than he does the gift.

In the Justice's Court.—In the court of the justice of the peace this morning, Alberto Gomez was given the usual fine and trimmings amounting in all to \$5. Alberto last night looked too long upon the wine when it was red and as a result imagined that he was the only person entitled to give a warranty deed to the city, and when he began to abuse an officer and became disorderly, he was taken to the "Hotel de Garga." The fine was paid and the prisoner was released.

In the Matamoros Bull Ring.—Grand bull fight Wednesday, May 5th, to take place at 4 p. m. The bull ring of that city for the first time will be the scene of a spectacular contest between the most renowned matador of Mexico, Constantine Quiles, "Enguillero," Spanish bull fighter, and Harper B. Lee of Chicago, the only American bull fighter with their well organized troupes of Pieniores and Banderilleros. Four bulls of noted fighting strain will be fought, belonging to the best renowned breed of La Saucedita, state of Durango. Entrance fees will be: Shade box seat, \$2.50; general entrance \$2; numbered seat with general entrance, \$2.25. Sun: general entrance, \$1.00; children less than 8 years old, half ticket. All prices in Mexican silver. One of the most celebrated bands of Mexico will furnish the music. Exceedingly low rates for the occasion. Ask your ticket agent for further information. It

Mr. Grant is a lumber man of twenty-five years experience, and has for the past eighteen years managed and operated five retail yards in West Texas, making his home at Brownwood, where his family now reside. As soon as Mr. Grant can make arrangements, he will move his family to Brownsville.

DAYLIGHT BURGLARY.

Sergeant Bender's Home in Fort Brown Ransacked.

During the absence of Sergeant Bender of Fort Brown, this noon his home was entered and part of the sergeant's wearing apparel, consisting of two suits of new clothes, two pairs of shoes, two hats and a six-shooter, amounting in all to about \$75, was taken from the house. When Sergeant Bender returned, he thought it strange to find the window in the front of the house open, and at once made a hasty investigation, and found that the above articles were missing. Sergeant Bender and Mr. Fugitt at once scoured the woods in search of the burglars, but were not successful in bringing them from cover. It is believed the burglars are in hiding in the brush and will cross to Mexico at dark.
