School Books and Stationery for sale at the Drug Store.

County Court commences on Monday next.

Our street is a good one for locals. All the run-aways and run-overs occur on it.

A full stock of Piece Goods for Men's Wear at HAMM & CO.

A new Greeley and Brown flag floats over the street in front of Jakerst & Boverie's.

The water works got out of order on Friday night and Saturday last and leaked a "right smart spinkle."

A large assortment of Trunks, Valises, Satchels &c., at HAMM & CO.

School Books, Periodicals, Daily and Weekly newspapers &c., for sale at Dr. F. Gaudouin's, Drug Store.

S. A. Guignon, Esq. returned on Saturday from Fredericktown where he has been on a visit for a few days.

BILLIARD TABLE--Persons loving to play this favorite game should call at Geo. Sexauer's Saloon. He has just procured a New Carom Table. He also keeps FRESH OYSTERS always on hand.

If you want a fine suit of clothes go to Hamm & Co. They keep a full stock of Ready-Made Clothing always on hand suited to the season.

Quite a large number of people were in town on Friday and Saturday last, attending the sale at Kern's Hotel.

On Monday evening last a horse run away with a wagon down the street past our office. The horse luckily did not "feel his oats" much and no damage was done.

Edward Seyssler has just received a new stock of candies, crackers, and, best of all, a fine lot of Jacksons Celebrated Stonewall Bitters.

A match game of Base Ball was played on the 29th ult., between the Resolutes and Live Oaks. Scores stood Resolutes 51, Live Oaks, 21.

Hamm & Co. are in receipt of a fine stock of Piece Good, Ready-Made clothing, Hats, and Caps Trunks &c.

On Sunday evening a little boy, the son of a blacksmith in the upper end of town was playing in front of our office. When Mr. Chas. Valle came along in a buggy and not seeing him run over his foot. The child was not seriously hurt.

We have received No. 2 of the Cape Girardeau Democrat, published by Ben. H. Adams, formerly publisher of the Gayoso Democrat. It is a seven column paper (patent outside) and presents a very neat appearance. We wish it success.

Gen. Firmen A. Rozier was nominated for State Senator, by the Democratic Convention held at Farmington on the 25th ult. They seem to have had quite a hard time of it as a nomination was not effected until the 24th ballot. We think the convention showed good judgment in the selection.

Parties who wish to attend the St. Louis Fair and do not wish to run the chances of having to wait all night for a boat, and then not get it should go by way of Farmington, Casber & Babbs Hack line never fails to carry you through safe and sound, and in time for the train.

We are requested to announce that C. H. Tandy, (colored) Republican Elector, will address the citizens of Ste. Genevieve at the Court House on Saturday the 5th inst.

Hamm & Co., is the place to go if you want a new Hat, at less than St. Louis prices.

Colman's Rural World.

This popular agricultural journal is a constant visitor to our sanctum. It is neatly printed, ably conducted, and ought to be patronized by every farmer. It has a large corps of able correspondents, who give additional value to the paper. It is published weekly by Norman J. Colman, St. Louis, Mo., at \$2 per annum; or will be sent the balance of this year for fifty cents. Try it.

We had the pleasure on Saturday last of an introduction to Col. John Stover, Republican Candidate for Lieut. Governor of this state. We find him to be a very pleasant gentleman. He seems to be quite confident of success in the coming election.

We also had the pleasure of forming the acquaintance of Col. Nitchy, editor of the Jefferson City Progress (German) a newspaper published in that city. He is the Republican Candidate for Registrar of Lands.

We also formed the acquaintance of two other gentlemen, Col. Walter S. Johnson and F. W. Ludwig, Esq., The latter gentleman is connected with the press as a reporter, and is a recent convert to the Republican cause.

Col. Stover, Johnson and Nitchy addressed the citizens here on the issues of the day, in the afternoon and at night.

Ste. Marys' Local Department.

Reported each and every week by our SPECIAL REPORTER.

C. Schindler & Co., proprietors of Ste. Marys' Mills are now paying \$1.70 per bushel for best Wheat. This is the highest price paid by any Mill-around. Farmers will do wise by bringing their wheat to Ste. Marys' Mills.

The long desired rain finally made itself felt in this section on Tuesday evening of last week, followed by a strong gale, which marked its progress by uprooting many trees while passing over the country.

The first railroad ball given in our town took place on Thursday night of last week, and an unusually large number of ladies and gentlemen were in attendance. The ball was conducted chiefly by some of the railroad gentlemen now stopping here, and from the amount of dancing done in the short time while we were present, we considered it railroad time dancing. We have since been informed that some of the marrying gentlemen of the last party propose to give another ball in the course of a week, and if anything grander than the last.

DIED.--N. W. Watson, who for several weeks past has been confined to his bed on account of severe illness, died of dropsy on Saturday, Sept. 28th, at 7 o'clock p. m. on his farm in Bois Brule Bottom. Dr. H. Roseman, of this place, and Dr. Gordon, of Chester, Ills., were his attending physicians. His untimely death is generally mourned by all who knew him.

The contract of the grade on the C. & L. M. R. R. is progressing rapidly and large timbers are being brought for the erection of culverts. Mr. John McKnight, sr., one of the contractors, informed us that if the weather continues favorable, the grade will be ready for ties by the 1st of November.

My wife, Mary Jane Roeth, left my bed and board, without cause, about three weeks ago; and I forbid all persons harboring or trusting her, as I will not pay any debts of her contracting.

ANTOIN ROLETH.

We have certainly a Komatical Kind of a Kiss in our office. In giving his last Sunday evening experience, among other things he says: "A pair of sweet lips, a pink waist, a swelling chest, and a pressure of two delicate hands will as much unbind a man as three fevers, the measles, and a large sized whooping cough, a pair of lock jaws, several hydrophobias, and the doctors bill." [Jeff. Co. Rep.]

The White Collar Packet steamer S. S. Merrill, together with her whole cargo, was destroyed by fire at Warsaw, four miles below Keokuk, on Wednesday last. This large and splendid passenger steamer was engaged in the St. Louis and St. Paul trade and was the best in the Davidson line.

New Fall & Winter stock of Gents Furnishing goods at HAMM & CO.

All Our Readers Should Take It.

One of the most useful as well as the most handsome weekly papers that comes to our sanctum is the AMERICAN LAND AND LAW ADVISOR, published at Pittsburgh, Pa., by Messrs. Croft & Phillips. It is a PAPER FOR THE MASSES, and should be taken by every business man, mechanic, land owner, or those about to build, or purchase any kind of property. It gives you ALL your Legal Advice Free, ORIGINAL DESIGNS for cottages, dwelling houses, suburban and country residences, and a vast fund of practical information such as is found in no other paper in the world. We find the following law questions--submitted to the paper by subscribers--answered fully, INTELLIGENTLY, and very satisfactorily in a recent issue. This feature is alone worth to every subscriber TEN TIMES the subscription price:

Can a husband, who may be a justice, take the acknowledgement of his wife? (H. T.)

Where A gives to B, his son, a farm for his natural life, and at his death to go to his heirs, &c., what claim has B's widow on the farm after B's death? (A Subscriber.)

Where one farmer agreed to cut with a machine a field for another, and was prevented from finishing the same for a whole week, by reason of continuous heavy rains, in consequence of which the whole field was lost; how far is he responsible for the loss? (J. F. C.)

In Ohio, when has county Auditor the right to demand from delinquent tax payers (by reason of claiming that the tax is levied on bona fide debts) the names of creditors, &c.? [A Subscriber]

Can a surety on a bond, which turns out to hold him to different obligations from what he understood and intended at time of signing; avoid the bond? [Deceived.]

Where a woman, being engaged to be married, obtained a divorce from her betrothed, and on the marriage contract, and then refuses to marry him; what redress has the man? [Inquiry.]

What redress has a father against the keeper of a "public den" for the ruin of his two sons? [J. R.]

In addition to all of the above, the publishers give to every yearly subscriber a beautiful oil chromo, "THE LOST BARK," fully worth \$5.00--all for \$2.50. We would advise all our readers to subscribe for the ADVISOR, as they will find it the most profitable newspaper investment they ever made. Send two stamps for sample copy.

The publishers are establishing permanent subscription agencies in all parts of the country, and they want a good, life agent to establish and take charge of agencies in these places where there are none. Address them as above for particulars.

N. B.--Copies of the AMERICAN LAND AND LAW ADVISOR can be seen at the office of the FAIR PLAY and, by our arrangement with its publishers, we can furnish it and the FAIR PLAY for \$5.50 per year, with the above chromo to every yearly subscriber.
