News reached here Thursday of an attempted assassination at Coffman, this county, Wednesday night. Mr. John Gegg was called to his door about midnight Wednesday and as soon as he appeared at the door received a shot in the left groin. His assailant then set upon him with a knife and cut him in several places. His wife, hearing the shot and scuffle, ran to his assistance and was also seriously cut about the body. News of the affair is very meager but from what we can learn suspicion rests on an adopted boy of Mr. Gegg's who had some trouble with the family and left after making threats to get even, it is alleged. A description of the boy was telegraphed to Sheriff Straghan Thursday afternoon by Sheriff Rariden of Farmington. Mr. Gegg and his wife are both said to be in a very serious condition.
