Students Complimented.

Mentor Wm. Crosse, the Musical Supervisor of the Music Dept. of St. Joseph Academy, St. Louis, made his second visit to the academy during the past week.

Doris Stanton and Agnes Bauman, who are students at the St. Francis de Sales Convent of this city, were examined by Mr. Crosse. He complimented both young ladies on the cleanness and accuracy of their performance and gave highest grades to their representation of the Haydn Sonata as well other classic numbers.

This certainly speaks well for the Music Department of the Convent, and verifies our contentions that none but an efficient teacher such as is employed, could get such gratifying results.

The Senior pupils are preparing a recital for February 20th, at 3 p. m., at the School Hall. All who wish to enjoy an hour of good music are cordially invited to attend.

The Seminary Girls made their second appearance at the New Grand Theatre Monday night in a program which was equally as strong as their first. Their return engagement was made upon the solicitations of the patrons of the New Grand Theatre. This female trio can render all that is exquisite and entertaining in musical and reading selections. Miss Richeson, as a violinist, was acknowledged the best ever appearing at that play house. Her accompanist Miss Daniels, aside from being an accomplished piano player, was very pleasing in her song impersonations. Miss Azar as a vocalist and reader was excellent and captivated the entire audience with the many well chosen numbers she offered. The performance was truly classical, and the Seminary Girls will make a hit in any amusement house in the country.

Fifty Years Married.

A notable event of this week was the observance by Mr. and Mrs. Anton Samson of the 50th anniversary of their marriage, which occurred at their home in this city Sunday, February 8, 1914.

Although Sunday marked the Golden Jubilee in the married life of this worthy couple, one could scarcely realize upon meeting either, that on February 8th, 1864, just 50 years ago, this same couple were united in the Holy Bonds of matrimony, by the late Rev. Father F. X. Weiss, in the Catholic church at River aux Vases.

Mr. Samson, who is now 70 years, and his better-half who is 68 years old are both active and enjoying the best of health, and were two of the most enthusiastic participants at the happy celebration, which included many of their descendants, relatives and friends.

Mr. and Mrs. Samson were blessed with a large family and with the exception of Andrew of Illinois, all attended. There were also present to gladden the old couple's heart, twenty-two grandchildren and one great grandchild.

The Ste. Genevieve Band was there in the afternoon discoursing sweet music and thus completing a program which in every respect was most appropriate and gratifying to the celebrants and the culmination of their 50 years of happy married life.

The FAIR PLAY congratulates this most highly esteemed couple upon the happy event.
