### TWICE PROVEN

If you suffer backache, sleepless nights, tired, dull days and distressing urinary disorders, don't experiment. Read this twice told testimony. It's Ste. Genevieve evidence—doubly proven.

Mrs. A. Simino, says: "I suffered from distressing backache and pains across my loins. I had severe headaches and dizzy spells and my kidneys showed weakness. I didn't rest well and mornings was all tired out. I read of Donn's Kidney Pills, so I used some and the backaches, dizziness and other ailments left me. I rested better, too was benefited in every way."

Mrs. Simino gave the above statement in September 1912 and on July 1916 she added: "I still use Donn's Kidney Pills—now and then as a preventive and they keep my kidneys in good shape. I am pleased to endorse Donn's again."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Donn's Kidney Pills—the same that Mrs. Simino had. Foster-Milburn Co., Mfgs., Buffalo, N. Y. adv

#### A Bilious Attack.

When you have a bilious attack your liver fails to perform its functions. You become constipated. The food you eat ferments in your stomach instead of digesting. This inflames the stomach and causes nausea, vomiting and a terrible headache. Take three of Chamberlain's Tablets. They will tone up your liver, clean out your stomach and you will soon be as well as ever. They only cost a quarter.

#### To Improve Your Digestion.

"For years my digestion was so poor that I could only eat the lightest foods. I tried everything that I heard of to get relief, but not until about a year ago when I saw Chamberlain's Tablets advertised and got a bottle of them did I find the right treatment. Since taking them my digestion is fine."—MRS. BLANCHE BOWERS, Indiana, Pa.

#### Catarrhal Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure catarrhal deafness, and that is by a constitutional remedy. Catarrhal Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result. Unless the inflammation can be reduced and this tube restored to its normal condition, hearing will be destroyed forever. Many cases of deafness are caused by catarrh, which is an inflamed condition of the mucous surface of the system.

We will give One Hundred Dollars for any case of Catarrhal Deafness that cannot be cured by Hall's Catarrh Medicine. Circulars free. All Druggists, etc.
