**Public Sale.**

The undersigned will sell at the late Killian Grieshaber place, on MONDAY, SEPTEMBER 28th, at 1 o'clock p. m., all her household goods. Terms cash. In case of rain sale will take place the following day.

adv Mrs. CHARLES GRIESHABER.

A war service medal known as a Victory Medal will be awarded to all persons who served in the Naval Service on active duty between April 6, 1917, and November 11, 1918, except those discharged as undesirable, or with dishonorable discharge. The clasp attached to the ribbon of the medal will designate the nature of the duty performed in certain cases. A bronze lapel button to be known as the Victory Button will be issued for wear with civilian clothes in lieu of the Victory Medal. A silver button will be given to men who were wounded in action. Distribution of the bronze buttons will begin about September 1st. An man entitled to one may obtain it by sending his discharge to the Navy Recruiting Station, 7th and Chestnut Streets, St. Louis. The button will be sent back with the discharge immediately.

**THE A B C OF THE LEAGUE OF NATIONS**

By DR. FRANK CRANE.

- 1. What is the League of Nations?**  
A. A union of the strongest civilized nations formed at the conclusion of the great war.
- 2. What is its object?**  
A. First, to promote the Peace of the World by agreeing not to resort to war. Second, to deal openly with each other, not by secret treaties. Third, to improve international law. Fourth, to co-operate in all matters of common concern.
- 3. Does it presume to end war?**  
A. No more than any government can end crime. It claims to reduce the liability of war.
- 4. What will be done to any nation that makes war?**  
A. It will be boycotted and otherwise penalized.
- 5. How else will the probability of war be lessened?**  
A. By voluntary, mutual and proportionate disarmament; by exchanging military information, by providing for arbitration, by protecting each nation's territorial integrity and by educating public opinion to see the folly of war.
- 6. What else does the League propose to do for Mankind?**  
A. (1) Secure fair treatment for labor, (2) suppress the White Slave Traffic, the sale of dangerous Drugs, and the traffic in War Munitions, (3) control and prevent Disease, (4) promote the work of the Red Cross, and (5) establish International Bureaus for other Causes that concern the human race.
- 7. Who are to be Charter Members of the League?**  
A. The United States of America, Belgium, Bolivia, Brazil, British Empire, Canada, Australia, South Africa, New Zealand, India, China, Cuba, Czechoslovakia, Ecuador, France, Greece, Guatemala, Haiti, Hedjaz, Honduras, Italy, Japan, Liberia, Nicaragua, Panama, Peru, Poland, Portugal, Rumania, Serbia, Siam, Uruguay and the following states which are invited to accede to the covenant: Argentine Republic, Chili, Colombia, Denmark, Netherlands, Norway, Paraguay, Persia, Salvador, Spain, Sweden, Switzerland, Venezuela.
- 8. What other nations may join?**  
A. Any self-governing State which will agree to the rules of the League, provided the League accepts it.
- 9. What Agencies will the League have?**  
A. (1) An Assembly, composed of representatives of all the member Nations, (2) a Council of Nine, (3) a Secretary-General, (4) a Mandatary Commission, to look after colonies, etc., (5) a Permanent Commission, for military questions, (6) various International Bureaus; such as the Postal Union, etc., (7) Mandataries.
- 10. What is a Mandatary?**  
A. Some one nation designated by the League to attend to the welfare of "backward peoples residing in colonies of the Central Empires, or in territories taken from them." This is to be a "sacred trust," and in selecting a mandatary the wishes of the people of the area in question shall be the principal consideration.
- 11. Does the League mean a Super-nation?**  
A. No. It interferes in no way with any Nation's Sovereignty, except to limit its power to attack other nations.
- 12. Can any Nation withdraw when it wishes?**  
A. Yes. The League is Advisory and Co-operative, not coercive.
- 13. Does the League put Peace above Justice and National Honor?**  
A. No. It puts Reason before Violence.
- 14. Does not the League take away the Constitutional right of Congress to declare war?**  
A. No. The League can advise war; Congress alone can Declare war.
- 15. Does it destroy the Monroe Doctrine?**  
A. Exactly the contrary. For the first time in history the other nations recognize the Monroe Doctrine; and extend it to all the world.
- 16. Does it not interfere with Treaty Making Powers of the United States?**  
A. No. It is a Treaty. We can make any Treaty we please.
- 17. Would we have had the Great War if we had had this League?**  
A. No. That War cost the world over 7,000,000 lives and 200,000,000,000 dollars.
- 18. Of what importance is the League?**  
A. It is the greatest deed of mankind in the history of the world.
- 19. Has not anyone a right to object to the League?**  
A. Yes. This is a free country. Anyone has a right to any opinion he chooses.
- 20. Why is the League so bitterly opposed by a few?**  
A. Because, unfortunately, any Treaty or League must be made by the President, and a President is chosen by a political party and many members of the opposite Party think they must decry whatever he does.

**Found an Executive.**

The boys in a small Indiana high school desired a football team, but got no encouragement from their principal, who is a young woman. Finally they asked her if they could hold a meeting to organize a team. She gave her consent, but offered no comment other than, "I'm afraid you boys aren't good enough executives to manage such an affair."  
The next morning they told her the result of their meeting. "We organized our team," they said, "and, remembering what you told us about needing good executives, we elected you captain."

**Good Work Is Our Specialty**

**MICHELIN**

**Thickness**

Before deciding on your next tire, have your dealer show you cross-sections of the various makes you are considering—so that you can measure the total thickness of the rubber and fabric used in building up the various makes.

You will find that Michelin Tires embody more of these mileage-getting materials. In the 34x4 Michelin Universal, for example, there is a solid though flexible mass of wear-resisting rubber and fabric almost an inch thick.

And every bit of the materials used is of the highest quality. Yet Michelines are moderate in price.
