Summer Complaint Quickly Relieved

"About two years ago when suffering from a severe attack of summer complaint, I took Chamberlain's Colic and Diarrhoea Remedy and it relieved me almost instantly," writes Mrs. Henry Jewett, Clark Mills, N. Y. This is an excellent remedy for colic, and diarrhoea and should be kept at hand by every family. adv

Loss of Appetite.

As a general rule there is nothing serious about a loss of appetite, and if you skip a meal or only eat two meals a day for a few days you will soon have a relish for your meals when meal time comes. Bear in mind that at least five hours should always elapse between meals so as to give the food ample time to digest and the stomach a period of rest before a second meal is taken. Then if you eat no more than you crave and take a reasonable amount of outdoor exercise every day you will not need to worry about your appetite. When the loss of appetite is caused by constipation as is often the case, that should be corrected at once. A dose of Chamberlain's Tablets will do it. adv

Ste. Genevieve Proof FARMS FOR SALE

Should Convince Every Ste. Genevieve Reader.
The frank statement of a neighbor telling the merits of a remedy, bids you pause and believe. The same endorsement by some stranger far away commands no belief at all. Here's a Ste. Genevieve case. A Ste. Genevieve citizen testifies. Read and be convinced.
Florian Klein, 450 Washington St., says: "About five years ago I had an awful hurting in my back and hips. When I was down I couldn't get up as it seemed something was holding me down. There was a steady dull ache in the small of my back and just over my kidneys day and night. This trouble came on after I had typhoid fever a number of years ago. I used Don's Kidney Pills from Hinch & Douglas' Drug Store and they gave me permanent relief. Don's are a good kidney remedy."
Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Don's Kidney Pills—the same that Mr. Klein had. Foster-Milburn Co., Mrs., Buffalo, N. Y., adv

Summer Complaint in Children.
There is not anything like so many deaths from this disease now as before Chamberlain's Colic and Diarrhoea Remedy came into such general use. When this remedy is given with castor oil as directed and proper care is taken as to diet, it is safe to say that fully ninety-nine out of every hundred cases recover. Mr. W. G. Campbell of Butler, Tenn., says: "I have used Chamberlain's Colic and Diarrhoea Remedy for summer complaint in children. It is far ahead of anything I have ever used for this purpose."
