Died

Death Wednesday, August 11, 1920, claimed I. H. Hughes, a highly respected citizen of Commerce, Mo., the final summons coming at his home in that city, aged 76 years, 1 month and 25 days. The deceased was born in Franklin County, Ga., June 16, 1844, and was married to Buena Vista Turner at Ringold, Ga., on July 4, 1867. To this union were born 9 children. His wife preceeded him to the grave two years ago. He is survived by seven children namely: Anna, Mrs. A. C. Monds, and Hattie, Mrs. S. Q. Varnon, of Commerce, Alex and Ralph Hughes, of Frankford Heights, Ill., Luther H. Hughes, of Marion, Ill., Lillie, Mrs. C. A. Kuelner, of East Prairie, Mo., and Frank J. Hughes, of Ste. Genevieve, Mo. The funeral was held from the Methodist Church at Commerce, Mo., Friday afternoon at 3:30 o'clock, after which the remains were laid to rest in the Oakdale Cemetery.

Robt. Womack died very suddenly on Thursday evening, Aug. 11, 1920, at the home of his daughter, Mrs. Henry Holly, near Pleasant Hill Church. He had been a sufferer for the past four years with kidney trouble, however, the end came unexpectedly. He was born near Avon, Ste. Genevieve County, Mo., on May 27, 1857. He was married to Evaline Mayberry on September 25, 1879. To this union 8 children were born, four who, with the mother survive him. He united with the Free-will Baptist Church in the summer of 1908 at Mine La Motte. The funeral services were held at 2 p. m. on last Saturday at the Mayberry cemetery, near Avon, conducted by Rev. W. E. Coffey. —Farmington News.

The Republican Central Committee of Ste. Genevieve County at a meeting held at the Court House Tuesday, filled the vacancies in the ticket for the November election. Those who were selected are: Representative, G. J. Ditch, Judge County Court 1st district, Vincent Valleroy, Judge County Court 2nd district, John C. Gordon, Sheriff, Lawrence I. Siebert, Surveyor, Hy. J. Nations, Public Administrator, Leon S. Yealy, Coroner, Gilbert N. Wolf.

Notice To The Public!

I am going to candle all eggs that I buy at my place of business. All those that I buy from merchants must be candled and have a signed candling certificate attached to every case. STE. GENEVIEVE PRODUCE CO., adv. E. GODAIR, PROP.

News dispatches from Oklahoma oil fields almost daily tell of new lease or production purchases of small tracts of land near new wells by English capital. The English in making their purchases are following a map made by a party of English geologists who visited this country many years ago.

Born.

To Mr. and Mrs. John H. Gegg of River aux Vases, Mo., on Aug. 22, 1920, a boy.

According to officials of the U. S. Housing Corporation 25,000,000 persons in the United States are living in crowded and unsanitary quarters and the nation is short 5,000,000 dwellings which it will take at least five years to supply.

Married

Sylvester Thomure of Perryville and Miss Philomena Stoll of Festus were married at 8 o'clock Tuesday morning, August 17, 1920, at the Catholic Church at Festus. Miss Grace Thomure of Perryville, sister to the groom, was the bridesmaid and Philip Stoll, brother of the bride, attended Mr. Thomure. The couple left immediately after the ceremony for Pontiac, Mich., where Mr. Thomure is foreman for the Wilson Foundry Company, and where they will make their home. The groom is a son of Mr. and Mrs. Samuel Thomure of Perryville and the bride is a daughter of Mr. and Mrs. Theodore Stoll of Festus. —Perry County Republican.

Road Cases Settled.

The injunction suit brought by N. W. Brickey and others of Festus, against the County Court, involving the spending of \$23,800 now remaining in the road fund from the sale of bonds, has been settled.

Twenty thousand dollars will now be available for use on the Ste. Genevieve road, and the balance will be appropriated by the present court as it sees fit. It is reported that some of this money will be spent on the road leading from Victoria to Festus, via Hemetite. This is a road that should be put in a passable condition, as it will be a great benefit to the farmers in that neighborhood and also to the citizens of Festus and DeSoto. —DeSoto Press.

How To Remove The Rust On Household Iron And Steel

The rust on iron and steel is different from the tarnish on other metals in that it flakes off, thus exposing another surface to the action of the air and moisture, say household specialists of the United States Department of Agriculture. If this process of oxidation continues long enough the metal may be eaten away entirely or "rust out," as is commonly said. Keeping iron and steel dry and brightly polished is the best preventive against rust. If such articles are to be stored, coating the surface with paraffin or other fat that contains no salt or wrapping them in newspaper prevents rust. A scourer, such as bath-brick, applied with a moistened cork or cloth, usually removes rust and discoloration. If this treatment is not effective, kerosene should be poured on the spot and allowed to stand for a few minutes before the scourer is applied. All traces of the kerosene should be washed off with hot soapy water and the metal dried thoroughly. Steel wool or tinsel scrub cloth is also good for scouring rusty iron skillets or kettles. Iron kitchen utensils are smoother and are thought to wear better if they are rubbed with fat and baked before they are first used. Galvanized iron is iron covered with zinc and does not rust nor tarnish. It is very durable and is extensively used for water pails, garbage cans, and other utensils that receive hard usage. The only care that galvanized iron requires is washing in hot soap suds or a weak soda solution, rinsing and drying.

For supplies and attachments see E. A. Gerard, Ste. Genevieve, Mo., agent for Singer Sewing Machine. Phone 190. M. F. Co. adv.

Public Schools Opens Sept. 7.

The Public Schools of Ste. Genevieve will open its term this year on Tuesday, September 7th, with C. M. Danuser as Superintendent, Miss Grace Morton and Miss Zella Proffer, will be in charge of the High School. The grade teachers are Miss Lena Osborne, seventh and eighth grades, Miss Rita Ruppe, intermediate and Miss Odile Janis, primary.

The Colored school will open on the same day with Miss Swan George as teacher.

Parents should see that their children start to school on the opening day and attend promptly. It is the wish of every parent that his child shall stand in the front ranks of the business world. To get the best results at school it is necessary that the parent, the child and the teacher work together. Open mutiny with the teacher or schools means hindrance to the child to attain high standing. Don't pour out your wrath on the teacher at the supper table in the presence of the children. It only means that your children will have no confidence in the school, cause trouble and lose all interest in learning. There should be close unity between the parent and teacher. If your child is not doing well in school, it is your duty to see the teacher and help devise plans that will remedy the evil.

Prof. Roberts of Teachers' College Drowns.

Prof. H. L. Roberts, a teacher in the Southeast Missouri Teachers' College at Cape Girardeau, Mo., was accidentally drowned Tuesday while on his vacation with Mrs. Roberts, near Eminence, Mo. Prof. Roberts was well known and popular among students from Ste. Genevieve County who have attended the Teachers' College. He has been connected with the school at Cape Girardeau for a number of years and was one of the best known men in educational circles in Missouri, occupying prominent positions in both Southeast Missouri and the Missouri State Teachers' Association.

Making Brooms and Brushes Last Longer By Good Care.

Brooms, brushes, and mops should be hung by strings or screw-eyes fastened to the handles so that the weight does not rest on the straws, bristles, or strings. Carpet sweepers also should be set so that the weight does not come on the brushes. The hair and lint that accumulate in brushes, especially in carpet sweepers, may be taken out with an old button-hook, a coarse comb, or old scissors. Corn brooms may be washed in hot soapsuds, but care must be taken not to let the water rust the wires which hold the straws to the handle.

Household specialists of the United States Department of Agriculture recommend that bristle brushes be washed with lukewarm water and a little ammonia (3 teaspoons dilute ammonia to the quart) or borax (1 teaspoon to the quart) and then rinsed in clear water. Water is likely to injure the back of a brush and to loosen the cement by which the bristles are held in place in the less expensive makes. The brush therefore, should not be covered with water but be washed by sousing the bristles back and forth in shallow water; it should be dried with the bristles down or with the weight resting on the side of the brush. The drying should be done quickly, but not in an intense heat. Drying in sunshine whitens light bristles. The weighted bristle brush used in polishing floors should be washed occasionally to prevent the accumulation of dirt and wax from darkening the wood.

Mops may be washed in hot suds and rinsed in clear, hot water; they should be quickly dried. Dry mops may be oiled, or oiled ones renewed, by pouring a few drops of light lubricating oil or any good floor oil, into an old dish or a tin box and setting the mop on this for a day or two; or the mop may be sprinkled with a little oil and allowed to stand until the oil spreads through the strings.

Dustcloths should be washed frequently, both because a little dirt comes out more easily and because dirty ones often leave as must dirt as they take up, and may scratch highly polished surfaces.

The heavy woolen cloth used in polishing floors may be soaked for an hour or more in hot water and soda, using three tablespoons of soda to a gallon of water, and stirring the cloths occasionally with a stick; then they should be washed in hot soapsuds and finally rinsed in hot water; a little kerosene or light lubricating oil added to this last water will soften the cloths.

Democratic Central Committee To Meet Sept. 4th.

A meeting of the Democratic Central Committee of Ste. Genevieve County will be held at the Court House in Ste. Genevieve on Saturday, September 4th at 1:30 o'clock p. m. The object of the meeting is to fill the vacancies which occur on the Democratic ticket for the offices of Representative, Judge of County Court 1st District, Assessor, Treasurer, Public Administrator, Constables and Justices of the Peace of the townships where there are vacancies. Emanuel Godier, Ste. Genevieve Township, John Kertz, Jackson, Township, J. J. Ryan, Union Township, Ralph Coffman, Beauvais Township, Charles Coffman, Saline Township are the members of the Committee.
