Good roads or bad roads, every auto owner will be paying his auto license fees just the same whether we get the \$60,000,000 system of State roads or not. The trucks and autos will be fighting mud and paying big tire and gas and repair bills along with the annual license if the good roads amendment fails. Mr. Auto Owner, better vote and work for this good roads amendment and get these roads as soon as possible.

A most unusual and beneficial charity was recently performed by Mrs. John S. Sullivan, a Jefferson City woman. Mrs. Sullivan recently visited the battlefields of France and sought out every grave where a Cole County boy lies buried, and brought home to each of the soldiers' families a photograph, a flower, or some other memento from each grave.
