

# SMOOT RAISES TARIFF QUESTION

### Claims That One Provision of Bill Will Repeal a Portion of the Canadian Reciprocity Measure.

WASHINGTON, July 11.—That the provision of the Underwood-Simmons tariff bill levying a duty of 12 per cent. ad valorem on print paper valued at more than 2 1/2 cents a pound and not more than four cents a pound, may repeal a portion of the Canadian reciprocity act of 1911, is contended in the analysis of the measure prepared under direction of Sen. Smoot, republican member of the finance committee. If it does not operate to repeal the law, it is contended that there will be two rates in controversy on this grade of paper.

Besides the duty of 12 per cent. ad valorem the democratic bill would impose a countervailing tax in retaliation for export license fee or other charges imposed by a foreign country.

"An interesting point to consider," the Smoot analysis sets forth, "is the effect of the enactment of this paragraph on the portion of the Canadian reciprocity act which admits to entry free of duty paper imported from Canada valued at not more than four cents per pound.

**Difference in Measures.**  
"With respect to printing paper valued at more than 2 1/2 cents and not more than 4 cents per pound, it is manifest that there is a complete repugnance between the two statutes, for by the terms of one, the act of 1911, it is free of duty, and by the terms of the tariff bill, it is subject to a duty of 12 per cent. ad valorem. Nor can the two statutes be construed as to stand together. Under such circumstances, the rule of law is that the statute of later date must prevail over the earlier statute, as being the latest expression of the legislative will and that consequently the earlier statute stands repealed by implication.

Republican leaders will make a point of this on the floor of the senate.

### RAILROAD IS BLAMED

WASHINGTON, July 11.—The interstate commerce commission's report of its investigation of the New York, New Haven & Hartford passenger train wrecked at Stamford, Conn., on June 12, holds that the railroad was negligent in placing Engineer Dougherty in charge of the derailed train when he "was inexperienced and un-instructed."

### TERRE HAUTE.

Judge Fortune overruled a motion of the state for a hearing of the case of Emil Ehrman, accused of the murder of Robert Wade. Ehrman is out on \$25,000 bail and will go to Florida to recover his health.

### MARQUETTE, Mich.

"Black Bart" Holzhay, one of the most notorious bandits in Michigan, was released after spending 24 years behind the bars here on a life sentence. A quarter of a century ago his record of crime in Michigan rivaled Jesse James'.

# TEN THOUSAND ELKS IN MONSTER PARADE

### "Hold Your Girls, Fort Wayne is Coming," is Startling Banner Displayed by the Indiana Lodge.

ROCHESTER, N. Y., July 11.—Ten thousand Elks, it is estimated, participated in a parade Thursday in connection with the 49th reunion of the grand lodge. They came from every city of size in this country, from Juneau, Alaska and Honolulu. Even Manila had a lone representative, who rode in an automobile. The parade was led by Grand Esquire W. S. McCormick.

The mother lodge from New York carried a banner "Organized Feb. 16, 1863". Fort Wayne made a burlesque of its part in the procession. A banner reading "Hold your girls, Fort Wayne is coming," was carried by one in the front rank, and following him marched Roman Centurions, Greek slaves and a sprinkling of suits and pashas.

The parade and water carnival that attracted about 150,000 persons to Genesee Valley park Thursday were features of the fourth day of the convention. Business sessions were held in the morning, afternoon and evening. While a few delegates were going over the business of the afternoon the uniformed patrols of many lodges were competing for prizes in a drill at the park.

At the afternoon business session, several changes were made in the constitution and by-laws of the order. They were made available to the conclusion of the night session, the officers elected Tuesday were installed by Past Grand Exalted Ruler Rush L. Holland of Colorado Springs. There is no other business to come before the convention. Friday will be given over to entertainment.

### MEETS WIFE AFTER 40 YEARS; REMARRIED

Husband Writes Son and Tells Him to  
Bring His Mother Along and  
He Does.

VALPARAISO, Ind., July 11.—Emmett Campbell, 71 years old, a resident of this city, Wednesday night for the first time met his wife, from whom he was divorced more than 40 years ago. They were remarried Thursday.

They were first married here in 1869. Three years later they were divorced. Campbell went to California and the woman to Ohio with her parents. Campbell married in California. He returned with the second wife to this city and two years ago she died. A son, Walter Campbell, was born to him by the first marriage. Campbell had not seen his son since the child was two years old. Only two weeks ago Campbell received a letter from Walter Campbell, who asked for permission to come here to visit him.

"Come along and bring your mother," was the father's answer to the letter and the marriage followed.

### TRIBUNAL GETS APPEAL

Gould-DeCastellane Case to Come Up  
Once More.

ROME, July 11.—The Segnatura tribunal, the supreme tribunal of the Curia Romana, has admitted the appeal of the attorney representing Anna Gould, now the duchess de Talleyrand, and Mgr. Parillo, defender of the matrimonial bond, against the decision of the Rota tribunal, annulling the marriage of Count Boni de Castellane and Miss Gould.

The Segnatura tribunal, however, has made no announcement of its decision.

### THREE MEN AFTER FOGARTY'S PLACE

INDIANAPOLIS, Ind., July 11.—Three applicants have announced themselves to succeed E. J. Fogarty, when recently tendered his resignation as warden of the Indiana state prison at Michigan City, according to an announcement today by M. E. Foley, secretary of the prison board. The candidates are: R. C. Houston of Frankfort, a former candidate for the place and now a state bank examiner; John S. Pernet, state agent of the Indiana reformatory and said to have the endorsement of D. C. Peyton, superintendent of the reformatory, and W. J. Peter J. Krueger of South Bend, now a candidate for internal revenue collector, also may get into the race, it is rumored.
