PAST WEEK'S DOINGS KEEP FANS ON EDGE

Stahl, Cobb, Chase and Chapelle Furnish Excitement—Mackmen Have Decided Slump—Giants Still Going.

NEW YORK, July 20.—Individuals more than clubs figured as points of interest in the baseball history of the week. The change in the management of the world's champions, the Cobb suspension, the return of Ed Walsh to the game, the advent of the latest "high priced" ball player in Chappelle, the trouble over the Hal Chase deal and the punching match on the St. Louis bench at a game between the Giants and Cardinals in New York—such developments were sufficient to keep the enthusiasts from devoting their attention from the league race.

The games from day to day brought their usual developments in the way of ups and downs for various clubs, of course, the "ups" coming chiefly the ways of the Pittsburghers in the National league and the Washington's in the American, while prominent in the "downs" list were St. Louis in the older circuit and Philadelphia, Cleveland and Boston in the younger.

Perhaps the slumps of the Mackmen was the most prominent outstanding feature in the American league race. The former world's champions had a long and hard schedule and made poorer work playing it out than in any similar period this season. They dropped six out of 10 games and fell off rapidly in percentage. That their lead was not cut down to any notable extent was due to the fact that Cleveland lost almost as many games as he first place contestants. Birmingham's men managed to take one game of a double-header from Chance's hopefuls and beat the New Yorkers by a hair in Saturday's ninth inning. But they dropped the other three to the Highlanders and fell twice before the Senators.

Belief that the American league race is still an open one might be prevalent were there any clubs within possible striking distance which had shown form consistent enough to warrant expectations of a steady pull toward the top from now on. Even the most pronounced Cleveland enthusiasts, however, probably are convinced by the past week's work of their club that it hardly will be a pennant contender.

The likely bidders for honors against the Mackmen, if any are to develop, seem to be the Washingtons and Chicago. The Senators are having more than a fairly good road trip and played brilliant ball all week, dropping only one contest in six. Griffith still expresses strong hopes of a driving finish that will bring the club to the front and Walter Johnson

GERGACZS TRIM BRADLEY 3 TO 1

Sucker Team is Let Down With Two Hits by Wilton—Holth Scores Man Ahead With Homer.

Before a crowd much larger than used to attend the Sunday games in the Central league last summer the Gergacz won from the Bradley, Ill., team by the score of 3 to 1.

The Bradley crew bears the distinction of being the team on which Alexander McCarthy got his start in baseball. South Bend also claims this honor. The proposition is thus: Down among the corn fields of Illinois is a small town by the name of Bradley. On this team, McCarthy learned the fundamental principles of the game. Then he went to St. Viator's college. Later he was at Notre Dame.

In 1910 he was grabbed and put on the pennant winning Broncho team. At the close of the season, he arose to the big show and he is still there. This season he has been spending most of his time on the bench and earning his money by coaching on the base line.

But to get back to the game at Springbrook park Sunday afternoon. The pitchers were rather stingy with their hits, for the Gergacz only got five and the visitors were let down with two bunts by Wilton. Wilton allowed two walks and one of these gave the Illini the only score they got. Pianté walked, was sacrificed to second, got to third when Klaybor booted Beland's grounder and scored Klaybor's second kick.

Klaybor scores first. Klaybor was the first to score for the locals as well as any of the 18 men on the two clubs. He was the first man up for the Gergacz and bumped out a hit. Two errors allowed him to score. That was in the first round.

In the sixth, the Gergacz got two tallies and that ended the scoring of the day. Wiese was allowed to go to first because he was hit by a pitched ball. Holth stepped to the bat and naturally busted one clear out into the utmost realms of the region midway between center and left. It was good for a homer and Wiese came in ahead of him.

Next Sunday the Gergacz will go to Chicago to meet the champions of the Church league, the St. Peter's and St. Paul's.

WILSON WATCHES REAL COUNTRY BALL GAME

Tries to Slip up Un-noticed but Feline Rooters Spot Him Despite Goggles.

WASHINGTON, July 21.—Pres. Wilson Saturday experienced the excitement of a country baseball game and thoroughly enjoyed it. He happened along in his automobile at Lappala, Md., about 35 miles south of Washington, when he heard a series of wild shouts and cheers from a frantic crowd of fans rooting with all the intensity of a major league struggle for the rival teams.

The president wore a big pair of goggles and thought he could watch the game without being recognized. He stepped out of the automobile at the crossroads store a short distance from the diamond.

As he cautiously approached the grounds, however, a thousand curious eyes were turned upon him. The feminine rooters of Lappala almost immediately discovered his identity.

"It's the president," they chorused, as they swooped down on him and greeted him. The players paused and the crowd gave three hearty cheers for their distinguished visitor.

The president inquired about the progress of the game and found that the Lappala team was in bitter combat with the Indian Head, Md., team, at a tie score. The president watched the contest for half an hour, enjoyed the antics of the players and the alternating jeers and compliments as they came from the bleachers, but did not wait for the finish.

CLOSE RACE IN ASSOCIATION IS ON

Distance Between Leaders and Cellar So Narrow That All Teams Have Chance—Cole Comes Back.

CHICAGO, July 21.—With Milwaukee leading the American association, Louisville but a few games behind, and Columbus apparently in a slump, the association race has taken an unexpected turn. The distance separating the leaders and the last team however is so short that cities in the association are more interested in baseball than ever before and attendance at games has been record breaking.

Features of the week were the sale of Chappelle to the Chicago Americans by Milwaukee and a no-hit game pitched by Leonard Cole for Columbus against Milwaukee Tuesday. "King" Cole, a former Chicago Cub star, scored the sixth no-hit game pitched in the association this season.

Chappelle's passing from the association was regretted in Milwaukee, but John Beal, one of the men secured in the deal, has been working in excellent style for his new owners and the loss of Chappelle is not expected to cause a halt in Milwaukee's upward progress.

S. G.'s TAKE ELKHART COLTS INTO CAMP
Cy Young in Great Form, Defeats Foreigners 12 to 6—Hoosier Creams Next.

The newly organized Gergacz team organized under the name S. G.'s, made a strong impression in Elkhart Sunday afternoon when they defeated the Colts of that city by the score of 12 to 6.

The local team presented a strong line-up, having several of the factory league players in connection with it. Springbrook park has been secured and the local team is anxious to meet teams claiming the city titles. Old Cy Young was in great form Sunday and although six runs were registered against him, he put up a big fight.

Hoosier Creams or K. & S. will in all probability be secured for a game at Springbrook next Sunday. Gergacz 020 060 040—12
Elkhart 114 000 000—6

Two home runs were made by Smith of the Ledos team, and two three-batters were recorded for Jurczak and two-baggers for Green and Bongo. NINTH INNING RALLY WINS FOR RED SOX

Cleveland Loses to Boston 2-1—Jackson Robbed of Home Run When It Hits Fence.

CLEVELAND, July 21.—Cleveland lost the first game of the series to Boston today 2 to 1. Boston scored the winning run in the ninth inning, when Chapman fumbled Collins' easy grounder. Engle sacrificed Collins to second, he took third on Hooper's infield out, and scored on Speaker's single. The other Boston run was made in the fourth inning on Engle's three base hit and Speaker's sacrifice fly of which Birmingham made a remarkable one-hand catch.

Cleveland scored its lone tally in the first inning, on Birmingham's single, Chapman's sacrifice and Jackson's two bagger. Luck cheated Jackson of a home run as the ball struck on the top of the fence and bounded back into the park.

PHILADELPHIA BLANKS ST. LOUIS BROWNS
Plank Steadies in Pinches and Holds Enemy Scoreless—Score Results 8 to 2.

ST. LOUIS, July 21.—Plank pitched fine ball Sunday afternoon while his team-mates hit Leverniz when his meant runs, Philadelphia winning from St. Louis 8 to 0. The Browns had men within scoring distance in three innings but Plank always tightened and prevented a score. Leverniz was hit hard and received ragged support, the misplays coming at critical stages. Allison relieved Leverniz in the final inning after Philadelphia had scored three runs.

GEISEL BACK IN CENTRAL.
PT. WAYNE, Ind., July 21.—Pres. Heilbroner of the Central league has signed Umpire Harry Geisel and Frank Ager, who start at once. Geisel was in the Central last season, while Ager comes from the defunct Interstate league. The signing of the two new officials was made necessary by the fact that Groschewy and Flynn have been forced to take layoffs on account of sickness.

BOEHLING HOLDS WHITE SOX 5-1

White Starts for Hose But Gives Way to Smith Who Holds Senators Hitless.

CHICAGO, July 21.—Pitcher Boehling was in fine form and had the Chicago team guessing Sunday, Washington winning the opening game of the series here 5 to 1. White started to pitch for the locals, and was unable to pitch effectively in the pinchers. The fielding behind him was so ragged that the visitors managed to get men on bases each inning he was on the slab. Smith replaced White and pitched a fine game, not allowing a hit, and only one man got on base, and this was due to Weaver's error.

Chicago's lone run was made by bunting hits. Moeller's home run in the fourth was a feature. Washington 110 300 000—5 5 1
Chicago 001 000 000—1 5 5
Boehling and Henry; White, Smith and Kuhn and Easterly. Umpires—Egan and Dineen.

"SNAPPER" SCHAEFER BACK IN OLD FORM
Special to The News-Times.
BENTON HARBOR, Mich., July 21.—George "Snapper" Schaefer of South Bend, candidate for the Greenstocking aggregation last season, and ex-leaguer, pitched a 6 to 0 victory for the local Speed Boys against the Chicago Greys Sunday afternoon. "Snapper" showed his old ability on the mountain top and got away with a neat single, productive of a run.

He will no doubt be retained by Manager-Owner Fitzsimmons for the St. Joseph-Benton Harbor Twin City series to be played soon. Chances are good for his opposing the last Lealand Giants of Chicago next Sunday here.
