

DON FRANCES TO

VISIT SCHOOL HERE

Noted Historical Writer and President of Benedictine Order to Speak at Notre Dame.

Dom Francis Aiden Gasquet, Abbot President of the Benedictine Order in England and an historical writer of world-wide reputation, will visit Notre Dame in the near future.

Dom Gasquet is at present engaged in revising the Latin Vulgate and is lecturing in this country in order to raise funds to carry on his work. As his tour of the United States is being directed by the Knights of Columbus, the Abbot was unable to give the exact date of his intended arrival here.

Theatre

AT THE MAJESTIC.

The Angel comedy company began an indefinite engagement at the Majestic Monday, offering a farce, with music, entitled "Holo Bolo Land." There are a number of eccentric comedy characters, and two clean cut young chaps who lead the singing numbers with considerable skill.

HARRY THAW PICTURES.

Harry K. Thaw in pictures is an added feature at the Orpheum. The film was recently taken in Canada and shows the noted prisoner in a number of intimate and interesting scenes.

VETERAN POLICE HORSE.

A sort of "Black Beauty" film story, in two reels, featuring an old police horse, turned out to pasture. The horse tells its story to a young colt, the incidents, some stirring and others pathetic, being presented on the screen.

RIVER PARK.

The River Park Methodist Episcopal church was well attended Sunday, both morning and evening. In the morning Rev. Charles C. Ford, the pastor, preached his last sermon of the year. He took for his theme, "They Were Bringing Their Children to Jesus." At the close of the sermon 17 children were baptized and one was taken in full membership.

Mr. and Mrs. S. L. Natzger of N. Eighth st., entertained with a family dinner Sunday. Covers were laid for 12.

Mr. and Mrs. Earl Berry of S. Thirteenth st., entertained at dinner Sunday. Covers were laid for nine. Among the guests were Misses Iva and Elsie Johnson of Plymouth, Ind.; Miss Mary Shibly and Charles and Frank Johnson, all of Mishawaka.

Owes Her Life to Eckman's Alterative

Eckman's Alterative is being used with success in the treatment of Tuberculosis in all parts of the country. Persons who have taken it, improved, gained weight, exhausted night sweats stopped, fever diminished, and many recovered. If you are interested to know more about it, we will put you in touch with some who are now well. You can investigate and judge for yourself. Read of Mrs. Govett's recovery: Griffith, Ind. "Gentlemen: About September 10, 1908, my mother-in-law was taken sick with Catarrhal Pneumonia. In January, when Rev. Wm. Berg, of St. Michael's Church, at Sauererville, Ind., prepared for her death, he recommended that I get Eckman's Alterative, and see if it would not give her some relief. The attending physician declared she had Consumption and was beyond all medical aid. So I immediately had Rev. Wm. Berg send for a bottle of Eckman's Alterative. Now she works as hard as ever, weighs twenty pounds heavier than she ever did before she took sick, and is in good health. (Above abbreviated; more on request.) Eckman's Alterative has been proven by many years' test to be most efficacious in cases of severe Throat and Lung Affections, Bronchitis, Bronchial Asthma, Strabismus, Colds and in upbuilding the system. Does not contain narcotics, poisons, or habit-forming drugs. For sale by Chas. Conley & Co., Woods & Scribner and other leading druggists. Write the Eckman Laboratory, Philadelphia, Pa., for booklet telling of recoveries and additional evidence.—Advertisement.
