Philadelphia Jurist Differs From Kansas Judge in Handling White Slave Act.

PHILADELPHIA, Sept. 27.—Dismissing from the opinion of the Kansas judge who recently held that it was necessary under the Mann "white slave act" to establish that "the transportation was for commercial purposes," Judge Thompson in the united district court here Friday sentenced W. Mayhew Gillies, a young married man of this city, to serve a year and eight months in the penitentiary for persuading 18 year old Florence Summerschuh to elope with him to Buffalo last February.

Counsel for Gillies, in arguing for a suspension of sentence, quoted the recent Kansas decision that the Mann act was no intended to punish a man for an indiscretion.

"The crime for which this man was found guilty is undoubtedly covered by the statute," declared Judge Thompson, who then pronounced sentence.

MITCHELL CHOICE OF INDEPENDENTS

Candidate for Mayor of New York on the Fusion Ticket Accepts the Support of the League.

NEW YORK, Sept. 27.—John Purroy Mitchel, fusion candidate for mayor, accepted the Independence League endorsement Friday after selecting Robert Adamson, who was secretary of the late Mayor Gaynor, as his campaign manager.

Several weeks ago Mr. Mitchel declined the league's support because two of the fusion associates, Wm. A. Prendergast for controller and Geo. McAneny for president of the board of aldermen, had not been endorsed.

Mr. Mitchel today wrote to James A. Allen, the league's mayorally nominee who withdrew in Mr. Mitchel's favor, pointing out that the fusion committee has since declared by resolution "that its candidates are free to accept other nominations, thus changing the principle which it felt bound to pursue at that time I know that your league stands for uncompromising opposition to Tammany hall, its representatives and the predatory interests that stand behind both."

In accepting the membership of the fusion campaign Mr. Adams said: "Mayor Gaynor stated before his death that he would not say a word against Mr. Mitchel during the campaign. The mayor would not have gone into personalities but would have engaged in fighting a common enemy, Tammany hall."

Mr. Adamson has resigned as secretary to Mayor Kline. It was said, however, that he would return to his duties after the election.
