FACTS FOR MEN

My Office is one of the finest equipped in this country for the amelioration and cure of SPECIAL DISEASES OF MEN.

My Special Fees Will Continue Short Time MEN? Blood Poison and Vital Weakness of Men

YOUNG MEN AND ALL MEN, COME TO SEE ME. Let me remove your trouble, purify your blood, strengthen your nervous system and restore you to a healthy, manly feeling, thereby relieving you of the burden that is felt from any disease. My practice is limited to these diseases, and each case I accept is identical with some disease I have cured. Therefore it is no more than reasonable for me to expect to do as much for you as I have done for others. After treating with me for just a little while you will have as much confidence as I have in my methods.

Dr. Fleener's Remedies Save Men

I want to tell every young man what his father should have told him in his youth. What every young man and father ought to know. No sadder spectacle ever comes to my attention than a young man whose body and mind is infected with disease. He is handicapped all through life. The strong, robust man with pure blood cells passes him at every turn in the race of life. Thousands of these cases should never have been. An ounce of prevention would have kept the young man of today and the father of tomorrow in the bloom of health, strength and vigor. Failure is as certain to follow a weakened and diseased mind as day will follow night. Don't you believe the great men of today, of yesterday, performed every private and public duty fearlessly and earnestly? Then why should you not guard your HERITAGE when it is worth more to you, more to your children and your children's children than all the money the Rockefeller and Vanderbilts possess? Your success depends upon your health and determination. All of these things being true, loan me your confidence and I will guarantee you success and health. This I will accomplish by making a strong man of you—a healthy man, a man with strong nerves, clear brain and a sound body—a man with good, pure blood coursing through your veins, free from disease germs, taint or infection. False pride and modesty have stood between thousands of men and success, health and happiness.

DR. FLEENER FOR MEN Over 14 Years a Spec. allst. My Best Reference, No Cure, No Pay.

What the blood stream won't do in the human system for weak organs will never be accomplished. Are you willing to hand your HERITAGE down from generation to generation through your children? Look about you at the thousands of unsuccessful suffering men who are paying the price of their ancestors' indiscretion. Have you inherited bad blood or have you contracted it as some unsuspecting moment? Begin now to stamp it out by taking the best blood making and blood purifying remedies.

Are you discouraged, having tried and tried? What have you tried? Poisonous drugs in stomach-ruining doses, feeble patent medicines or inexperienced doctors, calling themselves specialists, but who are not true specialists and who have no reputation or reliability?

Sfopit! There is a method of treatment that will cure you, without damaging the stomach and nervous system; treatment that does not block up, merely hide away for a time, but will drive every vestige of the poison, cleanse the blood and lymphatics, clear the mind of forebodings, makes strong nerves and will restore you to the vigor of health and the disease will not return.

I simply want the opportunity of showing every suffering man that I can give him new hope, new life and restore him back to health, strength and vigor. I know every man will pay after I have entirely eliminated every trace of the disease from his system.

I have one special law fee, which you may pay when cured if there is any doubt about the case being cured by my methods. A whole second floor of offices, separate waiting rooms, many treatment rooms and electric therapeutic machines.
