

FOUR KILLED; SIX HURT IN JOY RIDE

NEW YORK, Nov. 26.—Jeremiah Mahoney, a chauffeur, was arrested Wednesday on a homicide charge following a quadruple automobile tragedy in Pelham Parkway in which four persons were killed and six injured. The dead: Thomas F. Denny, a Tammany member of the assembly; Leonard Cohn, a clothing manufacturer; Mrs. Annie Loose; Mrs. Helen Schaeffer.

The police declare that a limousine, driven by Mahoney, and owned by W. L. Morris, a Brooklyn lawyer, was racing along the parkway at "joy ride" speed when it suddenly swerved from the road and crashed head-on into Cohn's automobile, driven by Richard Morris, a chauffeur. Coroner Jacob Shongut and detectives immediately began an investigation. The two dead women were both riding in the Cohn car. So terrific was the impact of the two cars that they rebounded 100 feet and settled with fronts in the opposite direction to each other.

The injured were taken to the Fordham hospital where it was said that Bert I. Rich and a woman believed to be his wife, who were in the limousine, might die. Mrs. Cohn, who is visiting in Pittsburgh, was notified of her husband's death.

NO BODIES NOR GRAVES FOUND AFTER BATTLE

(CONTINUED FROM PAGE ONE.) WASHINGTON, Nov. 26.—The rout of the Mexican federalists near Juarez by the constitutionalist forces and a wireless report from Rear Admiral Fletcher indicating that conditions in the oil regions near Tuxpam were not as threatening as previously had been reported, held the interest of official Washington today in the Mexican situation.

The wireless message to the navy department from Admiral Fletcher, who left Vera Cruz on the battleship Rhode Island late Monday night with John Lind, the special American envoy, to investigate alleged threatening conditions in the oil districts of Tuxpam, and Tampico, brought evident relief to officials here. The admiral's report regarding the Tuxpam field, where British and American interests are situated, gave indications that no immediate aggressive action on the part of the United States to furnish protection would be necessary.

LIFE OF IMMIGRANTS PICTURED ON SCREEN

Rev. C. A. Decker Tells of Work Among Foreigners Being Done by the Baptist Church.

The life of an immigrant from the time he leaves his home in Russia or the southeastern part of Europe to the time that he is finally settled in this country, was pictured by stereopticon slides and in a short talk by Rev. C. A. Decker at the First Baptist church last night.

Mr. Decker spoke of the need of work among the immigrants and told how the Baptist church had been interesting itself in the welfare of the newcomer. He said that this was a development of the last 25 years and at present the church has 512 stations and 315 missionaries while there are enrolled in the church 16,000 recent arrivals to this country. He showed how the people of this country were responsible for the welfare of the men from foreign lands and pleaded for active work in spreading the beliefs of the Baptist church among the immigrants to this country.

Date Muffins

A New Way of Using Dates

By Mrs. Janet McKenzie Hill, Editor of the Boston Cooking School Magazine

The value of dates as a food is hardly appreciated. They are wholesome, nutritious, and when used in K C Date Muffins, make a recipe that is appreciated by the entire family.

K C Date Muffins

One-third cup butter; 1/4 cup sugar; 1 egg; 3/4 cup milk; 2 cups flour; 3 level teaspoonfuls K C Baking Powder; 1/4 teaspoonful salt; scant 1/2 pound dates.

Cream the butter, add the sugar and the egg, beaten light. Sift together three times, the flour, baking powder and salt; add these to the first mixture, alternately with the milk; beat thoroughly and add the dates, stoned and cut in pieces. To bake, have a slow oven until the muffins double in bulk, then increase heat to bake and brown quickly. Muffins baked this way will be light, appetizing and more easily digested.

This is only one of the many appetizing recipes found in the K C Cook's Book.

The wonderful K C Cook's Book is substantially bound and printed in nine colors, contains ninety tested and easily-made recipes by Mrs. Janet McKenzie Hill, of the world famous Boston Cooking School Magazine.

SOUTH BEND HAS MANY THINGS TO BE THANKFUL FOR

(CONTINUED FROM PAGE ONE.) Mayor is Thankful.

I asked Mayor Goetz what he was thankful for. His answer was prompt as you please.

"I'm thankful I can soon quit being mayor," he told me.

The year brought some disappointments to the mayor, but there were many blessings thrown in and for these he is very grateful.

"I'm thankful for the friends that have stayed by me," he added. "I've no kick coming on this life at all. Everything is lovely."

Mayor-elect Keller was out of town so I approached the power behind the throne, his wife.

"What am I thankful for?" she answered sweetly. "Oh, I've many things to be thankful for—my good health, for instance." Her voice gave me a hint that she even dreamed there had been an election this fall.

"Not a word about politics," said I.

"Oh, politics," said she, disdainfully. "I'm so tired of politics."

"You are thankful that's over," I suggested.

"I'm thankful it's over," said she.

PLEADS FOR MOTHERS' PENSIONS AT BANQUET

(CONTINUED FROM PAGE ONE.) thirty the American teachers are raising the igorates from head hunters to industrious and skilled laborers. The buildings and material equipment of the educational system rivals the best in this country.

In the suppression of lawlessness the great work has been done through the organization of the native constabulary. Goetz said. The native boys drilled in the military science as West Pointers, have completely exterminated the highway robbers which in all times past have infested the islands. United States soldiers have been taken from the ranks and set to teaching school, making greater progress through the advancement of education than by force of arms.

In sanitation and the development and conservation of the immense forests of rare wood the government is meeting the problem of the Philippines in splendid manner, he declared.

OFFICERS ARE ELECTED

A big Thanksgiving banquet at which covers were laid for 100 featured the regular meeting of the Odd Fellows last night at their hall on Main st. and Washington av. Preceding the banquet, work in the third degree was given to three candidates followed by an election of officers for the coming year. S. R. Penrod was elected noble grand, Guy Seybold, vice grand, and William Brady, secretary. Rev. Arthur Shafer said grace at the banquet. A short speech was made by Past Grand Master A. G. Miller. Following the banquet a social session was held. The Daughters of Rebekah served.
