A Full Month of Stock Cleansing at Marvelous Sacrificing

FEBRUARY SALE

All Through the Store the Order Went to Shape-Up Stocks Immediately

Our Great Semi-Annual Clearance Of

RUGS

Deep price-cutting throughout our great stock of Rugs and all through the Curtain and Drapery department. For years the month of February has been regarded as house-cleaning time in these departments with us. This year the event far surpasses any from the point of money saving.

Word has been received that about \$10,000 worth of new Rugs and Draperies, representing our Spring stock, has been shipped, and, it is for this reason that the reductions have been so radical. Never in our history have we offered you such tremendous economies. Choose yours early.
