

ARGOS MEN HURT WILL RECOVER

Surgeon Mends Albert Carter's Jaw and He Will Leave Hospital Soon—Four Others Are Injured.

Albert Carter, of Argos, the young man most seriously injured when the automobile in which he and four friends were riding turned turtle Sunday afternoon on the Turkey Creek road, after an operation in which his fractured jaw was mended, is reported to be on a fair way to recovery at Epworth hospital.

The operation on young Carter was performed by Dr. J. B. Berteling Sunday night at ten o'clock. The bones of his jaw were bound together with wire. The operation was very painful and Carter will not be able to leave the hospital for some time.

Earl Corey, Judd Mettersmith and Dewey Fox were slightly bruised in the accident. All are from Argos. That none of the men were killed is considered a miracle. The car after it swerved from the road turned a somersault, landing in a ditch upside down.

Can't Explain Accident. The accident happened so suddenly that none of the men could give an account of the probable cause. The car, it is believed, was being driven at a high rate of speed and that either a stone or ridge in the road suddenly swerved the car and before it could be controlled it lurched into the ditch and turned over.

Both Carter and Daley were unconscious when pulled out from beneath the car. The other three were sitting in the road half dazed by the flight through the air and sudden stop in the road. Carter was at the wheel and was caught beneath the steering apparatus. Fox was sleeping in the rear seat when the car jumped from the road and said he knew nothing until he suddenly found himself in the road after being thrown from the machine.

Bound For Bremen. The men left Argos early in the day and had gone to Bremen to attend a base ball game. After the game they drove to Lake of the Woods and from there turned toward South Bend. None of the men could state how fast they were traveling, but judging from the time the men said they left the lake and the time they reached the city limits, the police believed they had been driving at a high rate. No other cause could be advanced for the car skidding. All tires were intact except one in the rear which was partly flat. It is believed after the car made its sudden swerve. At the point where accident occurred the road is smooth and level with the exception of occasional patches of gravel.

According to auto men these patches are liable to cause a car to swerve if driven rapidly. Furthermore the car was of a light build which fact was pointed out would cause it to slide more easily. The police ambulance was rushed to the scene and the two most seriously injured men were removed to the hospital. The other men were taken to the hospital and were found not suffering severely and brought to the city.

When Carter and Daley were first taken from beneath the car it was thought that they were unconscious and bleeding profusely from the ears and nose.

FUNERALS.

DR. C. M. BUTTERWORTH. The funeral of Dr. Charles M. Butterworth, who died Friday morning at his home on S. Michigan st., was held Monday morning at 9 o'clock from St. Patrick's church, Rev. John F. De Groat officiating. Burial took place in the Mishawaka cemetery. The pallbearers were Drs. J. W. Hill, J. B. Berteling, W. H. Hillman, F. P. Eastman, H. T. Montgomery and E. J. Lent.

Hundreds of people called at the Butterworth home Sunday to take a last look at the face of the dead physician. A large proportion of them were people he had served in a professional capacity and many of them persons in humble circumstances to whom Dr. Butterworth had been more than a physician.

Weeping they held of the great service he had rendered them as a physician and of his kindness as a friend. Numbers of these grateful and sorrowful people met at the flower covered bier and said a prayer for their departed friend.

TO CELEBRATE FOURTH AT DIAMOND LAKE

Plans for the Fourth of July celebration at Diamond lake are progressing. Fireworks worth \$300 will be fired in the evening following a day of sports on land and water. The Royal Oak band of Dowagiac comprising 21 pieces will furnish music throughout the day.

The program committee composed of Walter C. Miller, Frank P. Christoph and Henry Harper has prepared the following program which will begin at 10 o'clock.

Sailboat races, detachable rowboat races, rowboat races for ladies, launch race speed under 18 miles, titling contest, canoe novelty, one-half mile handicap swimming race, aqua-plain novelty riding, open free for all launch race, girls swimming race, boys swimming race, fast motor boat race, detachable motor boat race, married women foot race, boys running race.

CHICAGO.—The police are looking for a thief who has been found in the automobile belonging to Julius Rosenwald, a wealthy merchant. Every time the car has been returned it has shown evidence of hard usage.

RALSTON "PROCLAIMS" NEW SCHOOL BOOKS

Changes in Texts for Coming Year Announced By Governor. The superintendent of the county schools, Ralph H. Longfield, has received a proclamation by Gov. Samuel M. Ralston regarding new changes in school books for the coming year in addition to the prices of the same which are given out by Superintendent of Public Instruction Charles A. Greathouse. Gov. Ralston's proclamation follows:

"The state board of education constituting the state board of school book commissioners, for the purpose of making a selection or procuring for use in the common schools of the state of Indiana a series of certain textbooks, having heretofore entered into a contract with Charles Scribner's Sons to furnish the primer, first, second, third, fourth and fifth readers (Howe) and D. C. Heath & Co. to furnish a 'New Primary Arithmetic' and a 'New Grammar School Arithmetic' (Walsh) and with Eaton & Co. 'The New Era System of Semi-Slant Writing' (five books) for use in said schools, and such contracts having expired, I, Samuel M. Ralston, governor of said state, do now proclaim that it is no longer the duty of school officers to deal in said readers, arithmetics and writing books.

"Said board having entered into a contract with the Bobbs-Merrill Co. to furnish the 'child classics readers,' primer, first reader, second reader, third reader, fourth reader and fifth reader, by Georgia Alexander for a period of five (5) years; with Silver, Burdett & Co. to furnish the Silver-Burdett arithmetics (elementary book and complete book) by Phillips and Anderson, for a period of five (5) years; and with O. P. Barnes to furnish the 'New Outlook Writing System' (shorter course) for a period of five (5) years; I now proclaim said contracts to be in full force and effect, and said books adopted for use in the public schools of said state, until further notice given to the people of a change therein."

"The school officers are notified that the newly adopted books shall be introduced only in new classes and that pupils shall be allowed time to complete their old text books before purchasing the newly adopted ones. The publishers, books, retail prices and exchange prices of the books are as follows:

INDIANAPOLIS COMPANY WILL BUILD BRIDGE

Cleary Kuert Co. Gets Contract for Michigan St. Span at \$93,663. Cleary-Kuert Co. of Indianapolis secured the contract for the North Michigan st. bridge, the board of county commissioners accepting the bid of \$93,663 Monday afternoon, rejecting nine other offers.

The mayor himself visited the accident Sunday in his automobile, and gained information at first hand as to the cause with which such an accident as that of Thursday afternoon might occur. "There is nothing whatever to inform a stranger of the existence of the crossing until you are right on it," says the mayor, "I am not certain that there are any legal means of compelling the installation of signals, but believe I will have it looked into."

The mayor is of the opinion that a "Lookout" sign might be sufficient for the day time, and that a red light might answer the purpose at night, but it is not settled upon that subject. The matter will probably be put up to the board of works and city attorney for investigation.

ED LEY IS FOUND GUILTY OF ASSAULT AND BATTERY. Alleging that Ed Ley, 414 E. Howard st., struck him and otherwise assaulted him without provocation, Leo Zangerle, 224 N. St. Peter st., had him arraigned in police court Monday morning. Ley was found guilty and fined \$1 and costs, which he paid.

MAY ASK SOUTH SHORE TO DISPLAY SIGNALS AT STREET CROSSINGS

Mayor Keller Investigates Accident at Olive St. That Caused Two Deaths Thursday. As the result of the accident Thursday evening, in which Frank W. Dolski and Frank Dolniak were killed by a South Shore car at the Olive st. crossing, Mayor Keller is considering the advisability of having danger signals of some kind maintained by the interurban railroads in such locations.

The mayor himself visited the accident Sunday in his automobile, and gained information at first hand as to the cause with which such an accident as that of Thursday afternoon might occur. "There is nothing whatever to inform a stranger of the existence of the crossing until you are right on it," says the mayor, "I am not certain that there are any legal means of compelling the installation of signals, but believe I will have it looked into."
