

Schorr Hurls Against Mud Hens In Second Tilt Series At Springbrook

SMITH CREW WINS FIRST FROM HENS

Locals Bunch Knocks on Beebe and Pull Game Out of Fire—Duffy Pitches Good Ball Except in the Second.

South Bend kept a tight grip on the pennant chances yesterday afternoon, while battling against Toledo, although for a time the Toppers gave the Hoosiers good cause for worry. The Benders had one large inning with the club and the Mud Hens had a bad inning in the field at the same time and this gave the homeboys an easy win. The count was 5 to 2.

This puts the Hoosiers no nearer to the Ducks, the Saginaw club having won from Battle Creek, but Battle Creek's loss puts the Benders only one full game back of second place. The Ducks and Crickets battle today and tomorrow and South Bend will be benefited either way the results go.

Duffy was used on the hill for the first time in a week, Ed having been doing nothing more strenuous for the past seven days than doing coach duty on the third base line. His last game was against the Ducks when they piled up a three run lead in the first round, which the Hoosiers were unable to overcome.

Scratch Hits Costly. At the start it looked as if yesterday's game was going to be a repetition of other contests in which Duffy has allowed leads to be built up that the rest of the gang couldn't tear down. The Mud Hens got a pair of runs in the second session as a result of four scratch knocks. As far as that goes, the greater part of the 12 hits the Toppers did were lucky ones.

South Bend fell three hits short of getting as many safeties as did the Mud Hens, but most of them were hits that were good in any league. Diem and Broder got away with a hit each, but outside of these the others were hard raps at which the opposition had no chance.

The invaders came close to scoring in the first, but it was held off until the second. Kynette walked, but was out stealing. Sweeney doubled to left center, but was caught at first on Henges' rap to Stevenson. Sharkey was out, Duffy to Beall.

With one down, LaFleur came up and was the first of four consecutive hitters. He scratched to Koehler, Stebbins popped one just over Grodick's head and Walters filled the bases with a crash that was too far out for Koehler, although he nearly grabbed it. Beebe hit through second, LaFleur scoring. And still the bases were loaded. A squeeze was tried, Stevenson booted, and they were all safe with a run over. In the meantime Walters had run past third and Stevenson had recovered. Walters was out, Stevenson to Grodick to take. Sweeney popped to Duffy.

Diem Reached Second. Diem was hit to open the Hoosiers' second and with this as a starter the Benders made an effort to tie it up. Lake hit to left, sending Diem to second. Diem was forced at third by Beall. Duffy fanned and Broder forced Beall at second. The next two rounds sent the Koehlers down, in three.

Started by Duffy with a walk with one gone, the fifth netted the Hoosiers all of their runs. Broder hit to center and Koehler loaded the socks with a line drive at Kynette. Duffy and Broder counted on Grodick's double to center. Koehler scored and Grodick went to third when Koehlagen was safe on Sweeney's boot. Grodick and Koehlagen pulled a double swipe, with Grodick scoring. Stevenson fled to center, Koehlagen going to third. He scored on a wild pitch. Diem arrived on Henges' error, but Lake ended with a tap to Beebe. Beall's failure to touch the plate in the eighth cost the Hoosiers another hit. He had started the inning with a hit through second. Duffy popped to Kynette, who threw wild trying to double Beall at first. Beall went to

ADRIAN LOSES IN TENTH

PLANT, Mich., Sept. 10.—Adrian got away with a three-run lead in Wednesday's game before Huntress wedged and the Vets were forced to play an uphill game tying it up in the ninth and winning 5 to 4 in the extra inning. Hill's batting in the ninth when he went in for Fahlan, broke up the game.

KAZOOZ DEFEAT BEAVERS

BAY CITY, Mich., Sept. 10.—Kalamazoo won from Bay City in a fifteen inning game Wednesday afternoon by a score of 11 to 8. Three pitchers failed to stop the slugging of the visitors who piled up 16 safeties. The locals were not far behind however, they touching up Jacobson for 14 singles.

JACKSON BEATS BATHERS

JACKSON, Mich., Sept. 10.—Jackson won from Mt. Clemens Wednesday, 6 to 5. Mt. Clemens' runs all came in the eighth when Spaulding wavered, but the early lead obtained by the Vets was too much for the Bathers and they fell one short of the tie.

CUBS WILL NOT GO TO CUBA SAYS PRESIDENT

CHICAGO, Sept. 10.—The Cubs will not go to Cuba this winter to play baseball, according to an announcement Thursday. Pres. Thomas of the west side organization put an end to the hopes of Babe Cook, the Cub secretary, who planned on taking 15 players on a tour of the island to play the Havana fans. Thomas' ultimatum followed a complaint made by Manager O'Day. The Cub pilot was strongly opposed to the idea and he informed the club president of his attitude.

TWO MEN PLACED ON ALL-STATE TEAM

Allen and Sullivan of Last Year's Squad on Indiana's Best Eleven. Allen and Sullivan, stars of last year's championship high school football team, have been honored with places on the all-state high school selection for Indiana in Spaulding's guide for 1914. These men were picked for their around ability, according to the guide, and are the only men from the northern end of the state who were selected. Sullivan drew an end and Allen was placed at half.

More than 40 candidates were out for the second workout at Leeper field yesterday. A slightly heavier drill than that of Tuesday kept the men hustling. Besides running back punts, falling on the ball and tackling the dummy was indulged in. The dummy in this instance played a man with a ball in his arms.

Roswell, who played a heady consistent game at end last year, was out in togs last night and played well for the early season. He made some hard tackles. He should be able to place on the other extremity of the line. Sullivan has not indicated his intention of joining the squad and may not show up. There is a strong possibility that "Sully" may be used in the backfield. He is one of the fastest men on the squad and would make an ideal running mate for Scott.

Ed Hartzler, full back, has not yet come out but should be on the job by Monday. C. Hagerty, who should land a tackle job, has failed to show up yet. Wolf and Anderson were playing consistently yesterday and it would not be surprising to see "Andy" on the first squad. Two games are already booked for the squad. The alumni will be played on Sept. 25, while Goshen will be played at Goshen, Oct. 31.

MORE MEN REPORT FOR FOOTBALL WORK

Coach Harper Sends Twenty Candidates Through Short Signal Drill. Coach Harper's squad of football candidates was increased to 20 at Wednesday afternoon's practice at Notre Dame. Wednesday brought in a number of promising men from last year's freshman squad and several inter-hall stars. Among the likeliest of the newcomers are Keefe, Bjojn and Gargen.

The squad was put through a brisk punting and passing practice for an hour and the afternoon closed with a short signal drill. The practice was peppery, considering that it was the second day out and the first of the season for many of them. Bjojn looks to be one of the chief contenders for a job as end. He was picked as end on the all-star inter-hall eleven last fall. Filling the end positions will be one of Coach Harper's hardest jobs, the loss of Rockne and Gushurst through graduation, having left both of the extremities open.

WRITERS FOOLISH TO HAMMER FEDS

Those Who Knock Outlaw Make Some Peculiar and Funny Statements—League Should Go Unmolested Says Menke.

NEW YORK, Sept. 10.—Those who like to read humorous things ought to become consistent readers of the articles written by persons who are overly friendly to organized baseball and who bitterly hate the Feds. In their efforts to ridicule the Feds, and their players, the aforementioned scribblers often overreach themselves and slip over something extremely laughable.

Just the other day a writer of this kind wrote to-wit: "A large majority of the men in organized baseball are in favor of ignoring the Federal league for all time."

He might have added also that England, France and Belgium are in favor of ignoring the kaiser henceforth.

In another article this chap said that the fans in Buffalo were souring on Hal Chase "because Chase, by making brilliant plays, is showing up some of his minor league teammates."

It seems almost time that the people of Buffalo do not go to the parks to see any brilliant playing. No, sir-ee. They just want to see dub playing. It makes them angry whenever Chase, regarded as the greatest first baseman in baseball, pulls some play that is almost uncanny in its speedy execution.

It's all right in the eyes of this writer and others of his kind—for Ty Cobb, Eddy Collins and others to execute some wonderful plays. They are in organized baseball. But it isn't all right for Chase, Tinker and the others, who belong to an "outlaw" organization.

The peculiar part of the present attitude of this writer is that for years he was one of Chase's ablest champions. He regarded him as the most wonderful first baseman that ever played the sack, and time and again he devoted heaps of space in telling of the wonderful brain of Chase that enabled him to think out plays in a fraction of a second.

But Chase no longer is a hero with him. He jumped to the Feds, and the others, who belong to the soft pedal was played by those who have been hammering the Federal league ever since it became an organization. Knocking the Feds isn't hurting the Feds, and ridiculing them is only bringing ridicule on the writers. If they don't think the Feds are playing a first class brand of baseball that doesn't make the opinion unanimous. There are hundreds of thousands of fans throughout the country who are satisfied with the brand of baseball put up by the Feds, and they are willing to pay their money to see it.

Those who have seen some of the Fed games this year and also some of those played in the American and National leagues do not think there is such a wide difference in the relative quality of the games. Surely the Feds cannot be putting up any worse games of baseball than have the Naps, Yankees, Dodgers and Pirates at certain times this year. And in every game the Feds have tried to do the very best they could, whereas, in some of the Cleveland games, it looks as if the Naps tried to find out just how poor a game of baseball they could put up.

The Feds aren't cluttered up with stars of the National and American leagues. But they have enough to form a nucleus. They are developing some of their own players and in another year, when the general prejudice against the Feds wears away, the fans will find that in the ranks of the "outlaws" there are some youngsters who rank alongside of the best in the old leagues.

Trot at Hartford Track Furnished Some Interesting Sport Before New Zell Takes \$2,000 Purse.

HARTFORD, Conn., Sept. 9.—The Capital City stake for 2:08 trotters Wednesday developed the best race of the grand circuit racing at Charter Oak park. It was won by New Zell after six heats. There were only two races on the program, the proposed handicap being postponed. The 2:16 pace went to Zaida in straight heats. Exciting finishes in the Capital City stake furnished the real interest of the day. Four horses started, Atlantic Express making his first appearance of the season. New Zell had little difficulty in taking the first two heats, but tired noticeably in the third, which was won by Atlantic Express at the wire. Okdale taking a second. The fourth heat was a duplicate of the third except that Okdale reversed the verdict. In the fifth Atlantic Express won by a good margin. New Zell, rested up in the last three heats, came back in the sixth strong, taking the lead from Atlantic Express at the first turn and holding it all the way around, winning easily when Dickerman's horse broke half way down the stretch. Okdale was distanced in the last heat and New Zell won first and third money.
